The Invisible Force Wayne Dyer, 2008 THE INVISIBLE FORCE Dr. Wayne W. Dyer has put together this little book in order to convey the fact that intention is a field of energy that flows invisibly beyond the reach of our normal, everyday habitual patterns. It's a force that we all have within us, and we have the power to draw it into our lives by being the energy we want to attract. U...

The Complete Idiot's Guide to Assertiveness Jeff Davidson MBA, CMC, 1997-09-01 You're no idiot, of course. You excel at your job, raise great kids, and even participate in local organizations. But when it comes to asserting yourself in tricky situations, you feel like hiding under your desk. Stand up and be heard! The Complete Idiot's Guide® to Assertiveness provides you with step-by-step guidelines for asserting yourself with everyone from your kids to your boss. Feel confident about negotiating with your landlord, speaking up at a town meeting, and even telling your mother-in-law that you don't want to come over for dinner!

10 Secrets for Success and Inner Peace Wayne W. Dyer, 2011-01-19 Is your life path lit by your inner candle flame, or are you stumbling along in the dark? In Dr. Wayne Dyer's new book, he reminds us of what so many people easily forget in the day-to-day grind of life, that material success is not what we are ultimately trying to achieve, and therefore it shouldn't be our driving force. Within each of us lies success and inner peace, which can be found once we understand that a deeper, richer life experience is characterized by a burning desire, or as Dr. Dyer describes it, an "inner candle flame." In this thought-provoking book, Dr. Dyer offers simple ways to change your life-and your outlook on life. The ten principles presented here apply to people who are just beginning their journey of discovery, as well as those who have already embarked on life's winding path. Dr. Dyer urges us to listen with an open heart, and to apply the secrets that resonate with them and discard the rest. By doing so, we'll learn to feel the peace of God that truly defines success.

Inspiration Dr. Wayne W. Dyer, 2006-02-28 The #1 New York Times best-selling author of *The Power of Intention* "What I'm offering in this book is the awareness that we can return to a full-time position of inspiration, which is the true meaning of our life." — Dr. Wayne W. Dyer In this groundbreaking book, Dr. Wayne W. Dyer explains how we've chosen to enter this world of particles and form. From our place of origin, in ways that we don't readily comprehend now, we knew what we were coming here to accomplish, and we participated in setting this life process in motion. So why not think along these same

lines? Why put the responsibility or blame on any one or any thing that's not a part of us? On Earth we have the capacity of volition—we can choose—so let's assume that we had the same capacity when we resided in the spiritual realm. We chose our physical body, and we chose the parents we needed for the trip. It doesn't seem too great a stretch to move into the idea that we chose this life in concert with our Source. Inspiration can be cultivated and be a driving force throughout life, rather than showing up every now and then and just as mysteriously disappearing, seemingly independent of our desires. Inspiration is for everyone! It isn't reserved for high-profile creative geniuses in the arts and sciences—it's inherent in our Divine birthright. The problem is that as children we're gradually taught to believe exclusively in the world of phenomena where ego is dominant and inspiration diminished. As you read each chapter in this book, you'll find specific suggestions for living "in-Spirit." From a very personal viewpoint, Wayne offers a blueprint through the world of inspiration—your ultimate calling.

Inspiration (EasyRead Super Large 18pt Edition) Wayne W. Dyer, 2008 [This book presents that] inspiration can be cultivated and be a driving force throughout life, rather than showing up every now and then and just as mysteriously disappearing, seemingly independent of our desires.-Back cover.
