**Best Day of My Life: True stories to inspire, move and entertain - Told by a cross-section of the UK's celebrities and courageous everyday people** Giles Vickers Jones,2012-09-03 In this unique anthology of more than 80 personal stories, subjects ranging from the frivolous to the deadly serious combine to paint a picture of humanity at its most upbeat. A housewife and mother describes her extraordinary achievement in becoming one of the first two women to walk to both of the Earth's poles. Gavin and Stacey writer/co-star James Corden recalls welcoming his beloved father home from the first Gulf War. Former champion rugby player Phil Greening celebrates avoiding a life of crime and winning his first cap for England. Comedian Alan Carr recounts his nerve-racked triumph at The Royal Variety Performance, while 'Keith' from The Office describes the day he won his hilarious supporting role. Alongside the above are moving personal testimonies of becoming the youngest man to climb Everest, escaping death in Iraq, recovering from cancer - and release into the outside world after 13 years of wrongful imprisonment. THE BEST DAY OF MY LIFE will enlighten, amuse, and provide the perfect tonic for those days when life just seems to get you down

**Annette Kellerman, Australian Mermaid** Grantlee Kieza,2025-04-01 Champion swimmer, trailblazer and film idol - the adventurous life of our first Hollywood superstar, by the bestselling author of Sister Viv, Mrs Kelly, Hudson Fysh, Banks and Banjo Finalist in The Courier-Mail People's Choice Queensland Book of the Year Award 2025 From the moment she was born in 1886, Annette Kellerman was a force of nature. After a diagnosis of rickets as a young girl she took up swimming, and her extraordinary tenacity and bravery made her an Australian champion, beating boys, breaking records, and astonishing huge crowds by diving from great heights. At eighteen, Annette had her sights set on swimming the English Channel and challenging endurance records in the Thames, and late in the Seine, Boston Harbour and the Danube - and famously scandalized the public with her one-piece swimming costume, which changed fashion forever and drew legions of women into the water, allowing them to swim freely. Thrilling audiences on both sides of the Atlantic with her breathtaking vaudeville act, beauty and athleticism, she became famous as 'The Perfect Woman', and Hollywood swiftly embraced her. By 1914 she was a silent film superstar and sex symbol thanks for her risque costumes - and sometimes no costume at all. Annette's appetite for excitement and thrills was legendary - once flinging herself into a pool of live crocodiles for one film and jumping

from the wings of a biplane for another. But she also had a shrewd business mind, lecturing and publishing books about fitness and designing her clothing range, all to help women become healthier, stronger and more beautiful. Kellerman was one of the highest-paid entertainers of her time and a world-wide celebrity, but despite her fame she saw her promotion of health, fitness and independence for women as her greatest achievement, and her influence and spirit changed the lives of millions.

Here's one of the stories featured: Your Personal Angel A story about an angel who has been taking care of you even before you were born and will always take care no matter how much you grow old.... you know that angel as Mother, Mamma, Mom... My mom only had one eye. I hated her... She was such an embarrassment. She cooked for students and teachers to support the family. There was this one day during elementary school where my mom came to say hello to me. I was so embarrassed. How could she do this to me? I ignored her, threw her a hateful look and ran out. The next day at school one of my classmates said, 'Eeee, your mom only has one eye!' I wanted to bury myself. I also wanted my mom to just disappear. I confronted her that day and said, ' If you're only gonna make me a laughing stock, why don't you just die?' My mom did not respond... I didn't even stop to think for a second about what I had said, because I was full of anger. I was oblivious to her feelings. I wanted out of that house, and have nothing to do with her. So I studied real hard, got a chance to go abroad to study. Then, I got married. I bought a house of my own. I had kids of my own. I was happy with my life, my kids and the comforts. Then one day, my Mother came to visit me. She hadn't seen me in years and she didn't even meet her grandchildren. When she stood by the door, my children laughed at her, and I yelled at her for coming over uninvited. I screamed at her, 'How dare you come to my house and scare my children!' Get Out Of Here! Now!' And to this, my mother quietly answered, 'Oh, I'm so sorry. I may have gotten the wrong address,' and she disappeared out of sight. One day, a letter regarding a school reunion came to my house. So I lied to my wife that I was going on a business trip. After the reunion, I went to the old shack just out of curiosity. My neighbors said that she died. I did not shed a single tear. They handed me a letter that she had wanted me to have. My dearest son, I think of you all the time. I'm sorry that I came to your house and scared your children. I was so glad when I heard you were coming for the reunion. But I may not be able to even get out of bed to see you. I'm sorry that I was a constant embarrassment to you when you were growing up. You see... when you were very little, you got into an accident, and lost your eye. As a mother, I couldn't stand watching you having to grow up with one eye. So I gave you mine. I was so proud of my son who was seeing a whole new world for me, in my place, with that eye. With all my love to you, Your mother

**101 Amazing Stories of Hope and Faith** Robert Petterson,2020-06-09 You wouldn't believe it, but . . . James Earl Jones, the voice of Darth Vader, grew up mute. Michael Jordan was cut from his high school basketball team. Albert Einstein was bullied mercilessly in school. Beethoven's mom almost aborted him. Life takes the strangest sharp turns—and sometimes, U-turns. Robert Petterson—popular speaker, storyteller, and author—has been a student for his entire life of what God is teaching us through those real-life U-turns. In this short book, he compiles amazing stories that teach lessons you won't easily forget. Each entry is written in the rest-of-the-story style popularized by Paul Harvey. Marvel at how God has used the lives of these ordinary people to change the course of human history. (Adapted from The One Year Book of Amazing Stories)
