**The Complete Book of 1990s Broadway Musicals** Dan Dietz, 2016-09-29 Musicals of the 1990s felt the impact of key developments that forever changed the landscape of Broadway. While the onslaught of British imports slowed down, the so-called Disneyfication of Broadway began, a trend that continues today. Beauty and the Beast and The Lion King became long-running hits, followed by more family-friendly musicals. The decade was also distinguished by a new look at revivals—instead of slavishly reproducing old shows or updating them with campy values, Broadway saw a stream of fresh and sometimes provocative reinventions, including major productions of My Fair Lady, Damn Yankees, Carousel, Show Boat, and Chicago. In The Complete Book of 1990s Broadway Musicals, Dan Dietz examines in detail every musical that opened on Broadway during the 1990s. This book discusses the era's major hits (Miss Saigon, Crazy for You, Rent), notorious flops (Shogun, Nick & Nora, The Red Shoes), controversial shows (Passion, The Capeman), and musicals that closed during their pre-Broadway tryouts (Annie 2: Miss Hannigan's Revenge, Whistle Down the Wind). In addition to including every hit and flop that debuted during the decade, this book highlights revivals and personal-appearance revues with such performers as Sandra Bernhard, Michael Feinstein, Patti LuPone, Liza Minnelli, and Mandy Patinkin. Each entry contains the following information: Plot summary Cast members Names of all important personnel, including writers, composers, directors, choreographers, producers, and musical directors Opening and closing dates Number of performances Critical commentary Musical numbers and the performers who introduced the songs Production data, including information about tryouts Source material Tony

awards and nominations Details about London and other foreign productions Besides separate entries for each production, the book offers numerous appendixes, including a discography, filmography, and published scripts, as well as lists of Gilbert and Sullivan operettas, black-themed shows, and Jewish-themed productions. A treasure trove of information, *The Complete Book of 1990s Broadway Musicals* provides a comprehensive view of each show. This significant resource will be of use to scholars, historians, and casual fans of one of the greatest decades in musical theatre history.

*The Complete Book of 2010s Broadway Musicals* Dan Dietz, 2020-09-10 This volume contains detailed information about every musical that opened on Broadway from 2010 through the end of 2019. This book discusses the decade's major successes, notorious failures, and musicals that closed during their pre-Broadway tryouts. In addition to including every hit and flop that debuted during the decade, this book highlights revivals and personal-appearance revues.

Jekyll & Hyde Frank Wildhorn, 1997

**Nightmare Movies** Kim Newman, 2011-04-18 Now over twenty years old, the original edition of *Nightmare Movies* has retained its place as a true classic of cult film criticism. In this new edition, Kim Newman brings his seminal work completely up-to-date, both reassessing his earlier evaluations and adding a second part that assess the last two decades of horror films with all the wit, intelligence and insight for which he is known. Since the publication of the first edition, horror has been on a gradual upswing, and taken a new and stronger hold over the film industry. Newman negotiates his way through a vast back-catalogue of horror, charting the on-screen progress of our collective fears and bogeymen from the low budget slasher movies of the 60s, through to the slick releases of the 2000s, in a critical appraisal that doubles up as a genealogical study of contemporary horror and its forebears. Newman invokes the figures that fuel the ongoing demand for horror - the serial killer; the vampire; the werewolf; the zombie - and draws on his remarkable knowledge of the genre to give us a comprehensive overview of the modern myths that have shaped the imagination of multiple generations of cinema-goers. *Nightmare Movies* is an invaluable companion that not only provides a newly updated history of the darker side of film but a truly entertaining guide with which to discover the less well-trodden paths of horror, and re-discover the classics with a newly instructed eye.

**The Singer's Musical Theatre Anthology** Richard Walters, 2000 A collection of songs from musicals, categorized by voice type, in authentic settings, specifically selected for teens.--title page of teen's edition.

*More Theatre* Alvin H. Marill, 2003 A continuation of *More Theatre: Stage to Screen to Television*, this new volume brings the previous volumes into the new millennium, covering the years 1993-2001. All volumes cover productions that have been performed in all of three media: stage, screen, and television. Whether the production began on the stage, screen, or television is not part of the criteria; it is only necessary that it eventually was performed in all three media. Where new information was added to old entries, the entries have been repeated. Plenty of new entries have been added, as many new

shows have qualified for inclusion since the last volume. Each entry includes a brief historical overview of the evolution of the stories behind the various productions, followed by a list of the production titles, along with production dates and credits. The stage, screen and television fan and researcher alike will not be able to dispense with this fun and useful tool.

*Time* Briton Hadden,1995

*Broadway Musicals, 1943-2004* John Stewart,2012-11-22 On March 31, 1943, the musical Oklahoma! premiered and the modern era of the Broadway musical was born. Since that time, the theatres of Broadway have staged hundreds of musicals--some more noteworthy than others, but all in their own way a part of American theatre history. With more than 750 entries, this comprehensive reference work provides information on every musical produced on Broadway since Oklahoma's 1943 debut. Each entry begins with a brief synopsis of the show, followed by a three-part history: first, the pre-Broadway story of the show, including out-of-town try-outs and Broadway previews; next, the Broadway run itself, with dates, theatres, and cast and crew, including replacements, chorus and understudies, songs, gossip, and notes on reviews and awards; and finally, post-Broadway information with a detailed list of later notable productions, along with important reviews and awards.

*The Theatermania Guide to Musical Theater Recordings* Michael Portantieri,2004 The first ever-comprehensive guide to musical theatre recordings, this book covers the entire history of musical theatre. From Jerome Kern and the Gershwins to Bernstein and Sondheim, here are capsule reviews and ratings of more than 400 theatre recordings of the past 60 years. Organized alphabetically, each listing contains background information on the show, cast information, record label, catalogue number, whether the recording is currently in print, and an overall rating of one to five stars.

**MusicHound Soundtracks** Didier C. Deutsch,2000 Offers reviews of more than three thousand albums of film, television, and stage music.

**TIME WHAT'S YOUR EQ?** ,1995

*Theatre World 1999-2000* John Willis,2003-03 (Theatre World). Theatre World, the statistical and pictorial record of the Broadway and off-Broadway season, touring companies, and professional regional companies throughout the United States, has become a classic in its field. The book is complete with cast listings, replacement producers, directors, authors, composers, opening and closing dates, song titles, and much, much more. There are special sections with biographical data, obituary information, listings of annual Shakespeare festivals and major drama awards.

*Who's who in America* John William Leonard,Albert Nelson Marquis,1906 Vols. 28-30 accompanied by separately published parts with title: Indices and necrology.

**To-day's Cinema News and Property Gazette** ,1923

*The Dial* ,1907

*Bibliographic Guide to Music* New York Public Library. Music Division,1999

New York ,2006

**Burns Mantle Best Plays and the Year Book of the Drama in America** ,1996

**American Song** Ken Bloom,1996 Covering every major production containing music, this revised guide to the American musical theatre includes details of over 1000 additional shows. In all, the details on 4300 productions, from vaudeville, operetta, nightclub revues, and the Follies to the emergence of the modern musical theatre are featured. The two volumes focus on a wide array of shows: from Broadway musicals to regional productions; from television musicals to ice shows; from nightclub scores to foreign shows by many writers.
