**John Wayne: The Life and Legend** Scott Eyman, 2015-04-21 The celebrated Hollywood icon comes fully to life in this complex portrait by noted film historian and master biographer Scott Eyman. Exploring Wayne's early life with a difficult mother and a feckless father, Eyman gets at the details that the bean-counters and myth-spinners miss ... Wayne's intimates have told things here that they've never told anyone else (Los Angeles Times). Eyman makes startling connections to Wayne's later days as an anti-Communist conservative, his stormy marriages to Latina women, and his notorious--and surprisingly long-lived--passionate affair with Marlene Dietrich.

**John Wayne Speaks** Mark Orwoll, 2025-09-23 With more than 1,100 impeccably sourced quotes from throughout John Wayne's 172-film career, John Wayne Speaks: The Ultimate John Wayne Quote Book provides what has often been missing from other Duke Wayne reference books: accuracy, context, and comprehensiveness. These quotations offer a deep dive into Wayne's films and acting persona—the iconic American man of action whose sense of values and decency are a veneer covering a boiling pot of determination, courage, outrage, and even violence. The quotes in John Wayne Speaks are at once inspirational, humorous, touching, and revealing. Author and veteran journalist Mark Orwoll has created an overlay of categories into which each quote fits, making the manuscript easy for readers to find the type of quote—or even the exact quote, footnoted to identify its film—they may be searching for. But John Wayne Speaks is more than just a collection of the actor's movie lines. Orwoll has researched and written an in-depth introduction to Wayne's film career to put the quotes in a broader context. Movie-lovers will also appreciate the author's opinionated capsule reviews and production notes from Wayne's complete filmography. John Wayne Speaks is the quote book that every fan of the Duke needs and a delightful addition to any cinephile's library.

**All the Best Lines** George Tiffin, 2013-10-01 Pithy put-downs, hard-boiled snarlings, words of love and regret... All the Best Lines presents 500 memorable movie quotes, embracing both one-liners ('My name is Pussy Galore') and slices of snappy dialogue from pictures as diverse as When Harry Met Sally and Pulp Fiction. Arranged under such timeless themes as Dreams, Friends, Libido and Memories, the quotes juxtapose films and stars from every era and every genre. Dotted throughout the text are feature capsules focusing on themes and stories in the movies from Goldwynisms to Mae West, plus a generous scattering of cinema anecdotes, making the book both a joy to browse and an authoritative reference. Lavishly

illustrated with full-colour photographs, All the Best Lines will delight and entertain you in equal measure, reacquainting you with your favourite movies and introducing you to some forgotten classics.

**The John Wayne Filmography** Fred Landesman, 2015-08-13 Decades after his death, annual Gallop polls reveal that Marion Morrison is still firmly implanted among the top-ten favorite motion picture celebrities and American heroes. Most of us know this box office star as John Wayne. This comprehensive volume covers his expansive film career, from 1926 to 1976. Listed in alphabetical order are entries on films such as *Angel and the Badman* and *Noah's Ark* that exemplify the more than 170 films that the actor worked on. Each entry includes the film's date, run time, cast and crew credits, reviews, and a synopsis. Also included in this reference work are over 650 capsule biographies of the talent that shared the screen with the actor and worked on the productions, and over 800 contemporary reviews and commentary from such diverse sources as *The New York Times*, *Hollywood Reporter*, and *Life Magazine*. There is a series of five helpful Appendices: Appendix A lists films by order of their release dates; Appendix B lists Wayne's fellow actors and colleagues and tells under which entry the relevant capsule biography may be located; Appendix C offers specific review information for the films; Appendix D provides facts on the biggest box office films; and Appendix E details the most popular films on television.

**In Search of Manhood** Don H. Corrigan, 2024-08-15 American men began an earnest search for the meaning of manhood in the latter half of the 20th century and enlisted in such groups as Promise Keepers, Million Man March, National Congress of Men, and fathers' rights groups. This study chronicles those movements, as well as the more visible male activism of today in such groups as Proud Boys, Three Percenters, and Oath Keepers. The book explores the misogyny and militancy embodied in these new quests for manhood. The first section covers pop culture influences on conceptions of masculinity and moves from celebrity iconography to the institutional and organizational influences that men have relied on in the effort to make themselves masculine. The second section describes masculinity and men's movements in the 20th century, and the third section covers the 21st. The final chapters analyze the contrast between the more thoughtful men's movements before the turn of the century and the more militant and physical movements after 2000, posing and addressing critical questions about the relationship between prevailing ideals of masculinity and events like the January 6th insurrection.
