**Lark Ascending** Silas House, 2022-09-27 Winner of the Southern Book Prize for Fiction \* Winner of a Nautilus Award (Gold) A timely, powerful story of survival set in the not-too-distant future that Margaret Renkl (Late Migrations) calls “a beautiful book...shot through with such tenderness and humanity, such love and courage and beauty and hope, that it feels almost like a prayer.” With fires devastating much of America, Lark and his family first leave their home in Maryland for Maine. But as the country increasingly falls under the grip of religious nationalism, it becomes clear that nowhere is safe, not just from physical disasters but also persecution. The family secures a place on a crowded boat headed to Ireland, the last place on earth rumored to be accepting American refugees. Upon arrival, it turns out that the safe harbor of Ireland no longer exists either—and Lark, the sole survivor of the trans-Atlantic voyage, must disappear into the countryside. As he runs for his life, Lark finds two equally lost and desperate souls: one of the last remaining dogs, who becomes his closest companion, and a fierce, mysterious woman in search of her lost son. Together they form a makeshift family and attempt to reach Glendalough, a place they believe will offer protection. But can any community provide the safety that they seek? *Lark Ascending* is a moving and unforgettable story of friendship and bravery, and even more, a story of the ongoing fight to protect our personal freedoms and find our shared humanity, from a writer at the peak of his powers.

**Dead Man Blues** S. D. House, 2025-09-30 A USA TODAY BESTSELLER! Two grisly murders. A disgraced former mayor. A tranquil town on the verge. This gripping historical crime novel set in the South pulls the past into the present, perfect for fans of Attica Locke and Wiley Cash. Dave Hendricks was once a respected man in Shady Grove, a tiny town on the Kentucky-Tennessee border. But after his wife leaves him for his best friend, he also loses his job, and his reputation is left in shambles. With nothing but his houseboat and his dog left, he’s working odd jobs and listening to the blues. But when murder strikes their peaceful town, Dave finds himself compelled to team up with Sheriff Victor Burns, the man who betrayed him and took his wife, to find the killer. Two bodies are found on Cedar Lake, and both murders strike fear in the tight-knit community. Old friends and foes are drawn back into Hendricks’s life in the investigation, and he’s forced to finally come to terms with what is and what was—or see justice die in the process. Powerful and intriguing at every turn, *Dead Man Blues* asserts S. D. House as a knife-sharp voice in the crime genre.

*The Act of Disappearing* Nathan Gower, 2024-05-28 Hauntingly beautiful.” —Fiona Davis, New York Times bestselling

author of *The Lions of Fifth Avenue* “A thrilling story, remarkably told.” —Lara Prescott, New York Times bestselling author of *The Secrets We Kept* Julia White is struggling: her bartending job isn’t cutting it and her first book has sold hardly any copies. She’s broke, barely able to make ends meet while drowning in her late mother’s medical bills and reeling after a one-night stand with her ex-boyfriend, who’s now completely ghosted her. Enter Johnathan Aster, world-renowned photographer, with a proposal: he has a never-before-seen photograph of a woman falling from a train bridge, clutching what appears to be a baby. And he wants Julia to research the story. Alternating between present-day Brooklyn and Kentucky as it enters the 1960s, the story unfolds as Julia races to find answers: Who was the woman in the photograph? Why was she on the bridge? And what happened to the baby? Each detail is more propulsive than the last as Julia unravels the mystery surrounding the Fairchilds of Gray Station and discovers a story more staggering than anything she could have imagined.

bell hooks' Spiritual Vision Nadra Nittle, 2023-11-07 When Black feminist and scholar bell hooks died in 2021, she was widely remembered for writing more than three dozen books across genres including memoir, poetry, theory, and criticism. However, it was her book *Ain't I a Woman*, in which hooks examines how Black American women have historically faced gender, class, and racial oppression, that catapulted her to prominence as a leading feminist thinker. Nadra Nittle makes it clear that hooks identified not only as a feminist but also as a Buddhist Christian. In bell hooks' *Spiritual Vision*, Nittle recounts how hooks kept her spiritual practice private for years, fearing there was no room to discuss her faith in the feminist movement or in the academy. Ultimately, hooks decided to talk and write about her faith to give hope to students curious about her source of strength in a society she deemed an imperialist white supremacist capitalist patriarchy. Nittle traces the influences of the Rev. Martin Luther King Jr. and Buddhist monk Thich Nhat Hanh as hooks developed a spiritual practice centered on love as a force for social change. Although hooks opened up about her spiritual philosophy in the last decades of her life, Nittle argues that hooks's contributions to religious discourse are largely unheralded. bell hooks' *Spiritual Vision* reflects her identity as a feminist and a believer who knit together her political and spiritual practices. This book offers readers a window into spirituality's role in hooks' writing on her life, love, feminism, and society. It speaks both to hooks's longtime followers and to newcomers to her writing. Regardless of their starting points, readers will get to know bell hooks for all she was--Buddhist, Christian, and feminist.

**Living with Hope** Dwight A. Moody PhD, 2023-09-18 Dr. Moody offers a compelling (and sometimes humorous) call to live a joyful, hopeful life as a Christian and as a Citizen, even when dealing with myriad personal problems, discouraging political division, and global challenges such as recession, pandemic, or even war. Basing his encouragement out of a fresh reading of Paul’s Epistle to the Philippians, this experienced pastor, parent, and scholar invites you to draw inspiration from this ancient letter for our living in the modern, often chaotic and confusing world. These short essays on Christian living will bless you and make you a stronger, wiser person.

*Prine on Prine* Holly Gleason, 2023-09-12 As close to an autobiography as we're going to get from John Prine, *Prine on Prine* captures the inimitable, whimsical voice of one of our greatest songwriters . . . Nashville legend Holly Gleason knew the man and assembled this brilliant collection with a knowing eye and loving heart. —Joel Selvin, author of *Fare Thee Well: The Final Chapter* of the Grateful Dead's Long, Strange Trip and other books Curated by a critic who knew him across five decades, *Prine on Prine* distills the essence of an iconic American songwriter: unguarded, unfiltered and real. In his own words, in his own time—on the road, in the kitchen, the Library of Congress, radio shows, movie scripts, and beyond. John Prine hated giving interviews, but he said much when he talked. Embarrassed by fame, delighted by the smallest things, the first songwriter to read at the Library of Congress, and winner of the Pen Award for Literary Excellence, Prine saw the world unlike anyone else. The songs from 1971's *John Prine* remain spot-on takes of the human condition today, and his writing only got richer, funnier, and more incisive. The interviews in *Prine on Prine* trace his career evolution, his singular mind, his enduring awareness of social issues, and his acute love of life, from Studs Terkel's radio interviews from the early '70s to Mike Leonard's *Today Show* packages from the '80s, Cameron Crowe's early encounter to Ronni Lundy's *Shuck Beans*, *Stack Cake* cookbook, and *Hot Rod* magazine to *No Depression*'s cover story, through today. Editor Holly Gleason enjoyed a longstanding relationship with Prine and his longtime co-manager, and she often traveled with him on tours in the late 1980s and represented him in the 2000s.

**All These Ghosts** Silas House, 2025-09-09 A timely and whole-hearted poetry collection by acclaimed author and former Poet Laureate of Kentucky Silas House, including the poem read at Governor Andy Beshear's 2023 inauguration and an interview by Barbara Kingsolver. Silas House is known throughout the South as a quintessential person of letters—a novelist, music journalist, environmental activist, and columnist—and now Poet Laureate of Kentucky. His first full-length collection of poetry blends his Appalachian upbringing with his ongoing relation to the natural world. Poems of praise for community and the collective appear alongside others tinged with nostalgia and grief when House keenly observes the loss of rural America as he once knew it. Returning to his touchstone subjects, Silas recalls wild places, echoes stories from a lingering and living past, and explores an abiding connection to family, friends, and fellow artists.

**Listening to British Nature** Michael Guida, 2022 *Listening to British Nature: Wartime, Radio, and Modern Life, 1914-1945* argues that trench warfare created new practices of listening to nature in order to cultivate an intimate connection with its vibrations to understand danger and to imagine survival. In focusing on the sensing of sounds and rhythms, this study demonstrates how nature retained its emotional potency as the pace of life seemed to increase and new man-made sounds and sonic media appeared all around.
