Goals for Living Your Best Year Ever Jason Pfladderer, 2019-12-02 YOUR BEST YEAR EVER... what does that look like for YOU? Everyone has a different idea of how their best year would look, but take a minute to imagine yours. What would it take to put a satisfied smile on your face each month? A big house or a new car? Starting a business? Finishing your degree? Starting an outreach ministry? Losing a few extra pounds? Well now that you have that mental picture, what will it take to get you there? If you're stumped at how to even get started, or have started to reach for the stars before but have fallen short many times, then this is the right book for you. Author Jason Pfladderer has done all of the legwork for you by providing an easy-to-follow weekly guide to help. In the first month you will create a draft of your personal life statement. Then you will be provided with steps on how to set basic, easy to achieve weekly goals. Next you will be coached into determining which are your key goals, which you will later segment 30-, 60-, and 90-day plans. And that's just the beginning of the guidance and knowledge laid within for you. The best part of this book is that it teaches you how to incorporate God into your everyday plans. This book contains scriptures throughout that relate to each principle of your goal-developing process. With all of this information and help from above, how could you not have THE BEST YEAR OF YOUR LIFE EVER?

The Compound Effect Darren Hardy, 2011-11-01 The New York Times and Wall Street Journal bestseller, based on the principle that little, everyday decisions will either take you to the life you desire or to disaster by default. No gimmicks. No Hyperbole. No Magic Bullet. The Compound Effect is a distillation of the fundamental principles that have guided the most phenomenal achievements in business, relationships, and beyond. This easy-to-use, step-by-step operating system allows you to multiply your success, chart your progress, and achieve any desire. If you're serious about living an extraordinary life, use the power of The Compound Effect to create the success you want. You will find strategies including: How to win--every time! The No. 1 strategy to achieve any goal and triumph over any competitor, even if they're smarter, more talented or more experienced. Eradicating your bad habits (some you might be unaware of!) that are derailing your progress. The real, lasting keys to motivation--how to get yourself to do things you don't feel like doing. Capturing the elusive, awesome force of momentum. Catch this, and you'll be unstoppable. The acceleration secrets of superachievers. Do they have an unfair advantage? Yes they do, and now you can too!

2020 Vision Jason Pfladderer, 2020-01-26 2020 VISION - CLARITY FOR LIVING YOUR BEST YEAR EVER...what would that look like for YOU? A bigger house? A new car? How about starting a business? Maybe you want to accept God's call into ministry? Have you wanted to lose a little weight? Or maybe finally complete that degree? Whatever it is that you truly desire to be, I want to help you reach that destination. Of course, we all desire to live a better life, but how to bring that desire to fruition is the real question. What is it that puts those who actually succeed at making their desire a reality ahead of those who let their desire simply just fall by the wayside? Goals: You either set them for yourself or someone else will set them for you. You either love them or you can hate them; but nevertheless they're not going to simply just go away. Imagine if you had

an easy-to-follow plan to set your own goals and a proven success rate within that plan, wouldn't you be more likely to put forth the proper effort to see them through to the end? Of course you would! OR Sure you would. That's why you need 2020 Vision; specific clarity in order to live your best year ever. Setting goals will help you catch the vision and keep that vision before you until you have the abundant life you so desperately desire. By including God in your daily goal setting, He will give you the clear direction you need to help you reach your full God-given potential. It's God that makes this book different from so many other Goal setting books because many of the principles found within it are based on His truths and His Word. The teachings go way beyond simple success tips. Within the grasp of your hands you are provided with all the information you will need to change your desires into goal-specific achievable action steps. And those actions will lead you to become all that God created you to be. LIVING YOUR BEST YEAR EVER means you will be doing what God created you to do, rather than just living for yourself. It is this author's life mission statement to create opportunities that will help you reach your full God-given potential. So what are you waiting for? Open this book and let's get started on the journey to Living Your Best Year Ever!

I'm Your Peri Godmother Shelly Horton,2025-07-29 A hilarious, no-holds-barred guide to help you survive perimenopause, with science, helpful tips and proven treatments. The first Australian guide to perimenopause, featuring Shelly's incredible story along with interviews with local and international menopause experts including Dr Louise Newson, Dr Mary Claire Haver, Dr Kelly Casperson and Dr Ginni Mansberg. Health advocate and journalist Shelly Horton thought menopause was for old ladies and was simply hot flushes and no more periods - until she went from kicking arse in her career to waking up in the ICU, all because her hormones staged a full-blown peri-mutiny. Now, driven by the knowledge that keeping quiet only holds women back, she is sharing her perimenopause story along with evidence-based health advice, case studies and practical tools so you can navigate the peri rollercoaster with more confidence and a lot less confusion. *I'm Your Peri Godmother* will keep you laughing as you learn: - What HRT is and how to decide if it's right for you - How to navigate night sweats, insomnia, weight gain, brain fog, heavy periods and more - What to do when peri anxiety and depression hit

hard - Which herbs and supplements help and which just lead to expensive wee - Why you need skincare for your vagina - How to advocate for a menopause-friendly workplace Consider Shelly your big sister, your supportive best friend, your very own peri godmother, here to help you through it all with a wave of her magic wand, lots of medical evidence (but no medical jargon) and real-life warmth and humour.
