Gay For You, Dante: Book 3 MM Mafia Romance: "I'm No Gentleman" Enemies to Lovers, Bisexual Sky

McCoy, 2024-03-30 This book is for adults only (mature content) and it has explicit content. Nico "Dante doesn't know what's in store for him. He thinks falling in love with a man is easy, and having that happy ever after ending will come without a cost, but he has to work for it especially if he's in line to get my job, the east coast boss of the richest crime family in New Jersey. Until now we have always been in the shadows, but no longer. I guess I've messed that up with my love for young men and my cruelty. You can't get this powerful and rich by being soft. I'm ready to give it up though and settle down and enjoy my man, and have my HEA life, but power is a strange drug. Once you get it into your system everything else is secondary, especially love. "When I tell Dante he can have all the power he's been looking for what will he do? Will he give up that man he's falling in love with? He's been in my shadow forever, and now he gets his chance to be powerful, but will he take it? My bet is he will take it, run with it, and forget everyone, even Romeo."

Until Death MJ Green, Alberto Tomasi and Giovanni Beltrame were... Childhood sweethearts who'd vowed to always be together. Men adored by their cousins and revered by their siblings. Internationally acclaimed classical musicians. Mafia heirs who'd do anything to protect their family. And they were two men who simply wanted to get married... Except for that to happen, the marriage laws needed to change, and they need to convince the priest at their family's church to marry them. It was only fair after all... their parents, grandparents had been married in that church. At least that's what Alberto and Giovanni thought, and not even the reluctance of the priest to perform the ceremony would stop them... because in the end they wouldn't give him a choice. But the Church's dogma wasn't the only obstacle in the way of Alberto and Giovanni getting the wedding they wanted with an unknown enemy continuing to dog their every step. *Until Death* can be read as a standalone book but will be best enjoyed when read in conjunction with at least *Rough Sketches* (House of Bolton 3). It is a 56k MM Mafia Romance featuring two lovable childhood sweethearts who love performing classical music as much as they do taking out their family's enemies.

Blood Sports Augustus Roth,Daniel May,2021-12-04 There are deadly games... and then there are blood sports. In Hanged Men territory, there are two rules: you don't steal horses, and you don't disturb their leader in his cozy retirement. Someone broke the rules. Jove Alms, an infamous kingpin who passed his crime empire onto his sons, is called home by signs of a traitor in his old territory. There is only one witness: a young stablehand with doe eyes and no clue what he's stumbled into. Tobias Nimh is just trying to get by. Working under the thumb of a slavedriving horse trainer, he spends his days trying not to get trampled, and mostly succeeding. When abducted and interrogated by mobsters, he assumes his time is up. He doesn't expect rescue - or to overhear a mysterious phone call, making him a valuable pawn in a massive plot. Jove soon finds Tobias to be a thorn in his side as much as an asset. Impulsive, frustrating, and adorable, the kid is hard to hate and even harder to handle. Jove is first distracted, second annoyed, and finally... obsessed. Meanwhile, Tobias keeps forgetting to fear for his life. It's hard to focus on the big picture of criminal conspiracy when he's too busy trying to pour cold water on his dirty thoughts. Jove is more than twice his age, ice cold, and comes from a world of murder and wealth Tobias can barely comprehend. Betrayals, conspiracies, and blood sports aside, the only real question is who will crack first. *Blood Sports* is a dark MM mafia thriller. Written as the first in the Hanged Men series, it can be read as a standalone.

The Malevolent Heir MM Graye,2024-09-07 Lucian and Victor were monsters of their predecessors' making. All of Infernum cowered beneath the ruthless devotion the mafia men exuded. As far as they were concerned, emotions were a crutch and a liability...and yet, the raw magnetism snapping between them spanned beyond even an enforcer's iron control. After a one-night stand turned budding blood bond, Victor swore to keep the saint out of his bed and sever the connection before it became permanent. Because Lucian wasn't Victor's to claim-that right belonged to his elder brother while he'd been reduced to the role of bodyguard. All he had to do was fight the blood bond pulling him to Lucian like an ever-tightening snare. It should be easy... right? This is a high steam character driven paranormal romance following a stubborn vampire heir and the charismatic saint who craves to own him.

Black Widow's Kiss Alex McAnders,2024-12-21 What do you get when you marry a calculating mobster to the infamous

Black Widow of the yakuza? A union soaked in blood and betrayal. I never expected to be getting married, especially not to the most dangerous figure in the Sato family. But when a chance to strengthen our family's grip on New York's underworld presents itself, I know I can't refuse. My loyalty to the Ricci name demands this sacrifice, even if it means tying my fate to someone who might be plotting my demise. But nothing is as it seems. Instead of a ruthless killer, Kuroi Sato turns out to be a chaotic force of nature-unpredictable, deadly, and irresistibly captivating. Born from a scandalous union that nearly destroyed his father's empire, he's nothing like the silent assassin I expected; he's a storm that threatens to pull me under if he's not handcuffed, disciplined, and marked. As I dig deeper into the secrets surrounding Kuroi, every clue points back to him looking to make me his next meal. But the closer I get to the truth, the more I realize that our lives are entwined in ways I never imagined. In a city where loyalty is power and blood is the price, there's no escape. I'll either conquer his heart or join the graves of his past lovers. ***This book is partnered with BookishBoyfriend.com where you can have steamy chats with the characters of this high-heat MM romance for free. Brutal Morticia Knight,2022-09-16 Devante is a vicious hitman. Micah is a pawn in a deadly quest. Kiss or kill? Devante faces the toughest choice of his life... Another day, another hit. Only this time, Devante's orders don't follow the typical script. How did he, the most brutal killer on the payroll of the powerful Zakarian family, get stuck escorting a nerdy ancient artifacts expert around the world? The sooner they can locate the priceless treasure his boss craves, the sooner Devante can dispatch his charge and move on with his life. If only the sweet young thing weren't so damn cute and sexy. Such perfect boy material. Despite the curious circumstances of his mission, Micah is thrilled to be chosen to hunt down an unattainable-ancient artifacts that are one of a kind, believed to be either myth or forever lost. The mere thought that he could be the one to unearth the crown jewel of Atlantis makes Micah shove good sense to the side. Unfortunately, the brutish bodyguard who's been assigned to accompany him is rude, pushy, snarly and too effing hot for words. No way would Micah ever hand over his V-card to such a jerk. Nope. It'll never happen. The hunt intensifies and danger surrounds them at every turn. No one can be trusted. Ultimately, will Devante kill Micah, or protect and keep him? Either way he loses. If Devante doesn't complete his mission he'll be the next target. Note: Brutal is part of the Ruthless Daddies multi-author collab and a complete standalone.

Bound in Sin Christian Fox, Dante Moretti is power incarnate...cold, ruthless, and intoxicatingly dangerous. A king of the underworld, he bends everyone to his will, yet one man stirs something unexpected within him: Adrian. Adrian is fire and defiance, reckless and alive, a storm wrapped in flesh that Dante cannot resist. In a world ruled by blood, betrayal, and desire, their paths collide, igniting a dangerous, sin-soaked obsession. Every command, every stolen touch, every claim is a test of control... and surrender is the only law in a city where lust and danger walk hand in hand.

The Devil's Own Heartbeat J.K. Jones, 2025-11-29 Don forged Niko from nothing—sculpted him in blood, obedience, and silence. His weapon. His shadow. His will made flesh. Every command was law. Every kill, an offering. Every breath, a prayer to Don's name. But even the most loyal blade begins to thirst for its own path. And hunger—true hunger—never stays quiet for long. When Niko dares to reach beyond the leash, to taste power meant only for his master, everything fractures. The bond. The control. The illusion. What rises from the wreckage is not the boy Don shaped, but a man sharpened by pain and driven by something deeper than loyalty—desire. In a world where betrayal buys power and love bleeds weakness, the war between creator and creation begins. And only one of them will survive the breaking. Warning: this is an MM Mafia Novella, explicit romance around 20K in length. It includes explicit language and is for a mature audience. viewer discretion is advised.

The King's Pawn Ariana Nash, Noah... I hate him. Always have. The way he looks through me, then pretends I don't exist... There's something wrong with him. More wrong than the rest of my father's men... It's a good thing Killian Donovan doesn't think about me at all.
