Hit Songs, 1900-1955 Don Tyler, 2007-04-16 This is a chronology of the most famous songs from the years before rock 'n' roll. The top hits for each year are described, including vital information such as song origin, artist(s), and chart information. For many songs, the author includes any web or library holdings of sheet music covers, musical scores, and free audio files. An extensive collection of biographical sketches follows, providing performing credits, relevant professional awards, and brief biographies for hundreds of the era's most popular performers, lyricists, and composers. Includes an alphabetical song index and bibliography.

Presidential Sheet Music Danny O. Crew, 2001 Political historians have traditionally interpreted the people and events of each presidential era by studying books, periodicals, letters, diaries and speeches. One source of printed material that has

not received much scholarly attention is published music, much of which has been all but lost in the archives of libraries and museums. The traditional librariansly cataloguing of music has ignored important aspects such as lyrical content and cover art, making it impossible to comprehensively locate and study items by subject matter. Presidential Sheet Music presents an exhaustive listing of presidential-related music in all printed forms, and provides information on each piece. Thus may we expand our understanding of political communication and discourse throughout American history. A sizable Introduction discusses matters from the publication in 1768 of The Liberty Song (which formally made music an instrument of political expression in America) to the few 1980s and 1990s presidential songs and marches. There are also helpful appendices which list music by titles, composers, publishers, and candidates.

Each of the 2,562 entries include the show's title, year the show opened, a listing of all songs in the production with composers and lyricists, and the show's leading players. The sheet music cover is also described, along with a one-line synopsis of the show. A limited number of shows that closed before reaching Broadway are also included. Indexed by song and by composer/lyricist. c. Book News Inc.
