**Finding Your Way Home** Lucynda Koesters, 2005 Find Your Way Home! What is keeping YOU from coming home to your family? Are you a working parent looking for a way to leave the paid workforce to become a stay-at-home parent? Or, are you a stay-at-home parent looking for a way to successfully maintain your home-based lifestyle? Whether you are currently at home, or in the process of looking for a way to come home, this is the book for you. Finding Your Way Home offers comprehensive step-by-step strategies to help you plan and implement an exit from the workforce, and create a sustainable life at home with your family. In this book, you will: - Learn why a stay-at-home parent is so beneficial to children of all ages. - Discover how having a parent at home can improve your health, marriage, family life, and yes, even your budget! - Analyze your options for working: full-time, part-time, home-based business, free-lance, or stay-at-home parenting full-time. - Learn how to cut household expenses. - Create a new one-income household budget. - Conquer fear and turn in your resignation! - Maintain your self-esteem and overcome resistance once at home. - Create new home-based routines and become a successful household manager. - Create a safe haven: a relaxed, secure, and sustainable home-based lifestyle for the whole family! Based on the author's extensive research, interviews with dozens of parents and her highly personal account of her own struggle to find her way home, this book offers everything a parent needs to come home successfully. Finding Your Way Home will be referred to again and again as you transition to the calmer, less hurried, and family-focused lifestyle of your dreams.

**Find Your Way Discussion Guide** Carly Fiorina, 2019-05-07 No matter where you are in life, you are not yet all you can be . . . At some point, virtually everyone finds themselves struggling to find their way in life. Perhaps you're just starting out and haven't yet found your personal or professional path. Maybe you've been plugging away for years, trying to live someone else's dream. Maybe you're outwardly successful but plagued by a nagging, soul-level sense of dissatisfaction. Carly Fiorina, who started as a secretary and later became the first female CEO of a Fortune 50 company, can help. Drawing on her own remarkable journey, Carly will show you how to choose a path over a plan, use problems to propel yourself and your organization forward, overcome fear and procrastination, make smart decisions, and reclaim your power and use it for good. Carly Fiorina believes beyond a shadow of a doubt that your potential can be unleashed. In the Find Your Way Discussion Guide, she will show you the path to getting there.

Go With the Flow and Find Your Way! B. Martin Lopez,2022-01-06 Use reflection as a means to evaluate your situation and gain a new perspective that will thrust you forward to a new opportunity. —B. Martin Lopez When you pursue a career path, how often do you think what is required to be a leader, achieve success, and see failure as a positive? As you read this book, you will understand how reflection, perspective, and opportunity are critical in every aspect of your life and how developing into the person you dream of being requires more from you than you think. This book covers important questions that people ask themselves at some point in their lives: When you become a leader, do you think to yourself, where do I begin? To achieve success, do you think of what is required to attain it or keep it? When you fail, do you see the benefits that failure teaches you that success could not? This book answers these important questions through the stories, examples, and insights that will equip you with a positive understanding that you can achieve your goals with the right mindset. Life has a way of throwing curveballs at us that we just cannot hit; and that is okay when you understand that the negatives and positives we experience shape and mold us into the person we are meant to become. This book is where the rubber meets the road.

**Finding Your Way to Change** Allan Zuckoff,Bonnie Gorscak,2015-01-06 I know this change would be good for me, but I just can't seem to commit to it. **The Ring in the Rubble: Dig Through Change and Find Your Next Golden Opportunity** Gary Bradt, 2007-05-11  
“Bradt's message in this excellent and inspiring book is a 'golden ring' itself amidst the rubble often permeating our lives. It not only speaks true but makes you strive for more.”--Stephen R. Covey, author, *The 7 Habits of Highly Effective People* and *The 8th Habit: From Effectiveness to Greatness* “Beautifully written and full of wisdom, *The Ring in the Rubble* is a gem.”--Ken Blanchard, co-author of *The One Minute Manager* and *Leading at a Higher Level* Change always creates hidden opportunities. A leader's job is unearthing them. In *The Ring in the Rubble*, change authority Gary Bradt reveals the secrets to moving beyond the rubble of disruption, fear, and uncertainty that change often creates, to finding the golden ring of opportunity that always lies beneath. Each chapter of this breakthrough book delivers a powerful principle for leading change, supported by engaging real-life experiences of the author and other well-known business executives that illustrate how to put principles into action. Bradt asks penetrating questions that help you “dig deeper” and pinpoint the best ways for applying these principles to your specific change effort. You will discover how Richard Schulze weathered a devastating event that threatened to destroy everything he'd worked so hard to build-and became the founder of Best Buy in the process. You'll see how a 65-year-old man, nearly broke after having suffered a string of disastrous setbacks, dug through the rubble to emerge as Colonel Harland Sanders, who remains the face of Kentucky Fried Chicken to this day. Change itself doesn't dictate the eventual outcome of your situation; how you think about and handle change is what makes all the difference. You'll never find the ring if you don't start digging!
