Patton's Prayer Alex Kershaw, 2024-06-04 From Alex Kershaw, author of the New York Times bestseller Against All Odds, comes an epic story of courage, resilience, and faith during the Second World War General George Patton needed a miracle. In December 1944, the Allies found themselves stuck. Rain had plagued the troops daily since September, turning roads into rivers of muck, slowing trucks and tanks to a crawl. A thick ceiling of clouds had grounded American warplanes, allowing the Germans to reinforce. The sprint to Berlin had become a muddy, bloody stalemate, costing thousands of American lives. Patton seethed, desperate for some change, any change, in the weather. A devout Christian, he telephoned

his head chaplain. “Do you have a good prayer for the weather?” he asked. The resulting prayer was soon printed and distributed to the 250,000 men under Patton’s command. “Pray when driving,” the men were told. “Pray when fighting. Pray alone. Pray with others. Pray by night and pray by day. Pray for the cessation of immoderate rains, for good weather for Battle. . . . Pray for victory. . . . Pray for Peace.” Then came the Battle of the Bulge. Amid frigid temperatures and heavy snow, 200,000 German troops overwhelmed the meager American lines in Belgium’s Ardennes Forest, massacring thousands of soldiers as the attack converged on a vital crossroads town called Bastogne. There, the 101st Airborne was dug in, but the enemy were lurking, hidden in the thick blanket of fog that seemed to never dissipate. A hundred miles of frozen roads to the south, Patton needed an answer to his prayer, fast, before it was too late.

Jones explores the creation of the Patton legend and its enduring legacy in Patton’s Shadow.

Patton's Third Army at War George Forty, 2015-04-19 The story of Gen. George S. Patton’s magnificent Third Army as it advanced across Nazi-occupied Europe and into Hitler’s redoubt. Includes photos. As America’s own answer to the Blitzkrieg, Third Army’s actions from the Normandy coast across France and Germany to Austria gave a new dimension to the term “fluid warfare.” They only needed one general order—to seek out the enemy, trap, and destroy them. This they did, relentlessly overcoming every obstacle thrown in their way. Third Army’s story is one of teamwork, of armor, infantry, and aircraft working together with a perfection that amazed even the Germans, who’d always considered themselves the masters of the mobile offensive. Though Third Army is often remembered for its tank spearheads, like the 4th Armored Division, these pages also give credit to the brave infantry divisions which butted their heads against fortresses such as Metz with ultimate success. It is also the story of a triumph of administration as thousands of trucks carried forward the vital supplies to keep the army on the move and fighting. When a German counteroffensive nearly burst through the US lines in the Ardennes, it was Patton’s Third Army that turned on its heel and immediately drove in the “Bulge,” ending Hitler’s last great hope for success in the west. Afterward nothing could stop it as it crossed the Rhine and overran the Reich. Much of Third Army’s greatness, driving force, and will to win, was owed to one man—Gen. George Smith Patton Jr.—and a significant part of this

book is devoted to him alone. In these pages, a renowned military historian gives a vivid impression in words and pictures of what it was like to live and fight with Patton's men. Full of eyewitness accounts, photographs, and maps, it relates the full story of how America's most dynamic fighting formation led the Allied effort against the Nazis' seemingly invincible European empire.
