Influences of the Will Hermon T. Cotton, 2019-07-08 Your will is constantly being engaged with daily decisions. It's time you take control over the influences that have been directing your will! The advertising and marketing world have studied how we react to life for years, while most people turn and look the other way on the topic of the will. We have measured the will from a performance perspective for far too long while denying that the will is a part of our identity that connects us to God and constantly looking at what happens instead of examining why things happen. Becoming aware of the influences of the will allows us the freedom of pursuing God's will and our life's purpose. We no longer have to discuss free will without a clear perspective on how it relates to the responsibilities of freedom. It's time to begin using our will to create God's glory and call our purpose into order by acknowledging our dominion over our will and the relationships it engages. Hermon Cotton searches out the scriptures to explore what God has revealed to us about the influences of the will and how it relates to everyday life. This book is equipped with scripturally sound tools and insights for understanding the influences of the will's impact on everyday life. You can align your desires, plans, and motives with God's will for a purposeful and meaningful life. In this book, you will learn • how the influences of the will impact your everyday life and shapes your destiny, • how to understand how your will relates to God's plan on earth • how the influences of the will can help you become the overcomer God called you to be, and • how to align your will with the Holy Spirit and reflect God's glory. Plus, thoughtful moments are included with each main topic for reflection and application. The Thoughtful moments include a concluding

concept, foundational scripture, and thoughtful questions that will reinforce your grasp on the influences on your will as you begin living to make God's glory known. God doesn't want you blind to marketing strategies that engage your will daily. He has already given you the identity of his child made in his image and likeness. So now it time to use our will like Jesus Christ, our model for aligning our will with God's will. So start reading your copy of Influences of the Will today and dive into a deeper understanding of your God-designed will as it relates to everyday life!
