*The Unexpected Victim* Brian Cardoza,2017-01-19 We are mighty, little one, and we are brave; it will not always be so easy to find, but it will be there. Know this many years from now, you will learn to love yourself again, and it will be the most painful experience and worthwhile time. Just breathe and know that it ends it will end by the time you're fifteen. I will write that letter later. I also know that a lot of my words are probably too large or too forward thinking for us at six, so I just wanted to say this and this alone to you for now WE BECOME A SUPERHERO Brian (US) What would you say to yourself after suffering years of sexual, physical, and mental abuse? If you could write a letter or novel telling yourself to keep calm and survive, would you? This is one man's truth and voice lending to the cause of survival.

**It's a GOD Thing!** Ann Cabb,2011-07-29 It's a GOD Thing is a culmination of the death experiences I have lived. This book is to tell the world there really is more than this earthly life. It is imperative for people to be aware of what their choices will bring to themselves beyond this life. "... I looked back at the elderly lady to confirm what I knew to be true—yes, she was dying—they were waiting for her... I watched the angels watch the elderly lady's loved ones do what humans do to get prepared to lose someone they love. Their presence radiated feelings of peacefulness and love, feelings that had no words... " "What did the angels look like? Any adult you see on the street, except they were in robes and were transparent. They, a male and a female, stood at the end of the elderly lady's bed. I could see the wall behind the entities who were silently standing at the end of the bed, waiting. The entities turned and looked at me without showing any emotions or speaking, and I knew they knew I could see them. Relatives of the elderly lady milled around the bed talking to each other in low voices. Some of the relatives walked right by the angels with neither acknowledging the other."

Others of my Kind James Sallis,2013-10-28 At age eight, Jenny Rowan was abducted and kept for two years in a box beneath her captor's bed. Eventually she escaped and, after living for eighteen months on cast-offs at the local mall, was put into the child-care system. Suing for emancipation, at age sixteen she became a legal adult. Nowadays she works as a

production editor for the local public TV station, and is one of the world's good people. One evening she returns home to find a detective waiting for her. Though her records are sealed, he somehow knows her story. He asks if she can help with a young woman who, like her many years before, has been abducted and traumatized. Initially hesitant, Jenny decides to get involved, reviving buried memories and setting in motion an unexpected interchange with the president herself. As brilliantly spare and compact as are all of James Sallis's novels, *Others of My Kind* stands apart for its female protagonist. Set in a near future of political turmoil, it is a story of how we overcome, how we shape ourselves by what happens to us, and of how the human spirit, whatever horrors it undergoes, will not be put down.

The Good Song ,2020-10-06 A beautiful song comes to life in this story set in Hawaii The day the baby boy was born, on a beautiful Hawaiian island, the world sang him a lullaby. What a good song. But what is the good song? The boy listens for it and finds it in his heart and shares it with the world. Inspired by the medley of the classic songs “Over the Rainbow” and “What a Wonderful World” sung by Hawaiian singer Israel Kamakawiwo‘ole, the good song is aloha—love.
