A synopsis and summary of the Annals of Tacitus, books i.-vi., with intr., notes and index George William Gent,1876

The Lost Son Mrs. Gore (Catherine Grace Frances),1854

**The Sinner in Luke** Dwayne H. Adams,2008-01-01 This study examines the use of the term sinner in Luke-Acts. There is at present no scholarly consensus on the identity of the sinner in the Synoptic Gospels. Although the term is important in the Gospel of Luke, few works target the role of the sinner in it. Even fewer address the curious absence of sinner in Acts. Luke's narrative of Jesus' mission to sinners, together with the comments about Gentiles in the gospel, prepare readers for the mission to Gentiles in Acts. Luke provides a link for readers by demonstrating how a Jewish religious sect made up of fishermen, toll-collectors, and sinners, who claimed to have found the Messiah, became a religion with a wide Gentile following. In his use of the term sinner, Luke suggests that repentant Jewish sinners and repentant Gentile followers of Jesus represent a fulfillment of God's promise of universal salvation.

**The Summary** ,1906

*The Ethics of Jesus* Henry Churchill King, 1910

*A Field Guide to the Classroom Library* Lucy Calkins, 2002 Provides comprehensive and accessible leveled lists and guides for 1,200 children's trade books for kindergarten through 6th grade to help teachers build classroom libraries.

**Hebbel, Ibsen and the Analytic Exposition** Thomas Moody Campbell, 1922

**CliffsNotes Shakespeare Comedy of Errors, Loves Labours, Gentlemen of Verona** Denis M. Calandra, 1982-11-15

This CliffsNotes guide includes everything you've come to expect from the trusted experts at CliffsNotes, including analysis of the most widely read literary works.

The Christian Advocate , 1922

*Baptist Commonwealth* , 1908

**The British Empire in the Nineteenth Century** Edgar Sanderson, 1897

Mastering English Literature Richard Gill, 2006-07-28 The third edition of this leading text provides a comprehensive guide to literary study. Emphasis has been placed on contextualizing literature and this updated version takes these changes into account by incorporating more material on historical and cultural contexts as well as in-depth discussions on novels, drama and poetry.

*Son of Sorrow* Donald Philip Duclos, 1961

**The Lost Mary** James D. Tabor, 2025-09-30 A world-renowned historian of early Christianity and ancient Judaism lifts the veil on the life of Mary—revealing her revolutionary role as the matriarch of the Jesus movement “A great leap forward in understanding and contextualizing Mary’s life, after two millennia of her being dismissed and rewritten by patriarchal power structures.” —James Cameron, creator of Avatar, Titanic, and The Terminator “The Lost Mary unfolds in five radical claims. . . . Together these arguments are Tabor’s attempt to rescue Mary from pious abstraction and revolutionize our picture of her as one of the most consequential women in history. . . . In recovering her story, we discover not only the hidden roots of Christianity but also a model of resilience that speaks across time. Mary, Tabor shows, reminds us that behind every movement are women whose voices have been silenced, whose influence has been hidden in plain sight.” —Candida Moss, National Geographic “Tabor restores her voice, her faith, her motherhood, and, most of all, her humanity, in this groundbreaking portrait that challenges everything we thought we knew about the origins of Christianity.” —Reza Aslan, author of Zealot Mary, mother of Jesus, is the best known—and least known—woman in history. Revered and worshipped by millions, she remains a figment of the imagination, the ethereal subject of Raphaels and Botticellis, bathed in heavenly light, too virginal and pure to move among us. But what about the real Mary? The young Jewish woman and single mother of eight—five boys and three girls. The defiant citizen of Roman-occupied Galilee who survived through one of the most dangerous periods of Jewish history—an ancient “game of thrones” that claimed the lives of three of her sons: Jesus and

Simon by crucifixion, James by stoning. The historical Mary whose teachings and courageous example may in fact make her the “first founder” of what we now call Christianity. This Mary has not only been lost to us—she has been systematically erased over the past two millennia by a theological, cultural, and political program intent on removing her from the human realm and marginalizing her womanhood, motherhood, and Jewishness. In *The Lost Mary*, James D. Tabor corrects the record, laying out the results of his intensive textual and archaeological sleuthing over the past three decades, including new evidence regarding Mary’s genealogy (which may be hiding in plain sight in the New Testament!). Tabor’s quest for the historical Mary offers a transformative perspective on Jesus and his early followers, and recovers the nature and essence of earliest Christianity.
