*Astrology* Kevin Burk, 2001 In *Astrology: Understanding the Birth Chart*, Kevin Burk takes you step-by-step from the core basics to the finer complexities of chart interpretation while avoiding sidetracks into obscure techniques and fuzzy thinking. As a teacher, Burk also understands that a real grasp of the subject entails more than just learning the techniques-it also involves grasping the underlying principles that make those techniques valid. *Astrology: Understanding the Birth Chart* is designed to be useful to all students of astrology, from beginners to more advanced practitioners, and will help you develop an integrated, synthesized approach to understanding the birth chart. You will discover how classical astrology can enrich your understanding of the planets, signs, and houses. You will explore the meaning of the Lunar Nodes, eclipses, the angles, retrograde planets, and aspect patterns. You will also learn how to identify key themes in the chart, and how to relate the different aspects and elements together to gain a holistic understanding of the birth chart-and of the individual. An up-to-date listing of astrological organizations and software programs is included that offers a wealth of resources for any astrologer. In short, this is a well-designed course that provides a solid foundation for anyone who is interested in practicing astrology quickly and with confidence. While many books at this level simply give you a set of techniques and ready-made interpretations, this book will give you a deeper grasp of an art and science that has its expression in the world around us, but its roots in the invisible world of primal origins.

*Mythic Astrology Applied* Ariel Guttman, Gail Guttman, Kenneth Johnson, 2004 This is a guide to using myths and ancient deity archetypes for astrological chart interpretation.

**Chiron** Barbara Hand Clow, 1987 Discover the inner secrets of Chiron, the most recently discovered planet, and see how it is interpreted in astrological charts with *Chiron* by Barbara Hand Clow. Chiron is a peculiar planetoid that orbits the Sun from between Saturn and Uranus. Its discovery in 1977 was concurrent with the explosion of divination, alternative healing techniques, and a new hope for a spiritual regeneration. Chiron explores this planet's mythological background and history as well as its effect on astrology. This comprehensive book includes: The meaning of Chiron when it appears in each house The meaning of Chiron in aspect to each planet The meaning of Chiron through each sign The mythological legacy of Chiron A Chiron ephemeris Chiron in transit Chiron as a bridge between the inner and outer planets Based on over 700 charts from the author's personal files, *Chiron* is the first book to explore in depth the astrological meanings of this planet. Learn how

you can incorporate Chironic wisdom in your astrological readings and your life with this groundbreaking work.

**Mapping Your Romantic Relationships** David Pond, 2004 Include CD-ROM.

**The Complete Node Book** Kevin Burk, 2003 This book is the first comprehensive guide to the Moon's nodes--probably the most misunderstood points in astrology. The nodes are not planets, but the points on your birth chart where the orbit of the Moon around the Earth crosses the ecliptic. The nodes are the key to understanding your spiritual purpose for this lifetime. The South Node reveals the lessons, talents, and abilities you mastered in past lives, while the North Node shows you how to best use your past-life skills for spiritual growth, happiness, and success in this life. The Complete Node Book presents a new and empowering perspective on the nodes. It defines and analyzes the specific lessons and challenges presented by each of the 144 possible placements of the nodes. Both sign and house placement of the nodes are considered for extraordinarily insightful and accurate interpretations. For beginning astrologers, this guidebook provides easy-to-find personal interpretations and a free birth chart offer. For advanced astrologers, it will serve as the definitive reference manual on the Moon's nodes.

**Vocations** Noel Tyl, 2006 Seeing the vocation's profile within the horoscope has been one of the most difficult tasks astrologers encounter. Master astrologer Tyl presents a highly innovative approach to vocational astrology that is elegant in its simplicity and relevance to the modern job culture.

New Woman, 1979

Starpower: An Astrological Guide to Super Success Jacqueline Stallone, 2019-02-12 Jacqueline Stallone's Starpower book reveals in full detail the secrets to success that have brought fame and fortune to Hollywood stars (including her son Sylvester, shown here on the back cover of the book) and she shows readers how to apply those principles to their own lives. Packed with celebrity gossip and call-it-like-it-is advice, STARPOWER explores not just the traditional 12 divisions of the zodiac, but the 36 subcategories (the decans) that make all the difference in discovering hidden personality strengths and dangers. It offers specific directions for finding a person's best career choices, for choosing the most compatible lover (through the Love Scale), and for making smart decisions that reap happiness, success wealth and power. You'll also be privy to delicious revelations about the rich and celebrated such as: Why Gemini, Jack Kennedy, had the perfect wife in Leo, Jacqueline Kennedy Bouvier. Why Libra, John Lennon, was a fated soul mate for Aquarius, Yoko Ono. Why Leos, Madonna and Sean Penn, should never have gone on a second date, let alone say, I do. Why Aries, Warren Beatty, is able to exert such irresistible charm over women. Amazingly accurate and eye-opening, STARPOWER, is at once a brassy, bawdy look at all the stars, an authoritative and detailed guide written by a professional astrologer. Jacqueline Stallone shows you how her book has worked for her and her famous friends... how it has worked for Hollywood's brightest stars... and now she shows you how it can work for you -- bringing a future filled with passion, money, career changes, and wonderful adventures.
