Australian Taxation, 3rd Edition John Bevacqua, Stephen Marsden, Annette Morgan, Elizabeth Morton, Ken Devos, Swapna Verma, 2024-03-11 Now updated to reflect the changes to the 2023/2024 tax rates and the May 2023 budget, the text is concise and to the point, easy to digest and applied rather than legalistic. It aims to demystify legal jargon and legal technicality without sacrificing essential core legal knowledge and meaning. Importantly, it provides the requisite foundation for business students who intend to later undertake the professional programs of either CPA Australia or CA ANZ. This new edition discusses ethics and technology including cryptocurrency examples in every chapter. New features include more content on diversity and inclusion with a focus on indigenous content. Students can access both the print and digital formats, including animated work problems, practitioner videos, and questions with feedback in the eText.

Foundations of Taxation Law 2022 Stephen Barkoczy, 2022-01-25 Foundations of Taxation Law provides a clear and comprehensive introduction to the policy, principles and practice underpinning the Australian taxation system. Designed as an introductory guide for law and business students as well as tax practitioners, the text focuses on general principles, blending policy issues, taxation theory, technical 'black letter law' and commercial practice into a succinct, principled text. Topics have been developed in a logical, structured order and are cross-referenced to specific provisions in the legislation and relevant cases so that readers can easily find the source of the law. The text includes approximately 400 examples and dozens of diagrams and tables that condense the law and clarify difficult concepts. This fourteenth edition has been substantially revised and restructured to take account of many important legislative reforms, case law developments, administrative changes and policy announcements. It is designed to be used in conjunction with the Core Tax Legislation and Study Guide 2022.
