

The Child Called It

David J. Pelzer, Dave Pelzer

A Child Called It Dave Pelzer, 1995-09-01 This book chronicles the unforgettable account of one of the most severe child abuse cases in California history. It is the story of Dave Pelzer, who was brutally beaten and starved by his emotionally unstable, alcoholic mother: a mother who played tortuous, unpredictable games--games that left him nearly dead. He had to learn how to play his mother's games in order to survive because she no longer considered him a son, but a slave; and no longer a boy, but an it. Dave's bed was an old army cot in the basement, and his clothes were torn and raunchy. When his mother allowed him the luxury of food, it was nothing more than spoiled scraps that even the dogs refused to eat. The outside world knew nothing of his living nightmare. He had nothing or no one to turn to, but his dreams kept him alive--dreams of someone taking care of him, loving him and calling him their son.

A Child Called It Dave Pelzer, 2010-06-24 A harrowing and inspiring true story of a young boy's abusive childhood, from international bestseller Dave Pelzer. 'A story where love, kindness, patience and endurance triumph' Daily Mail ***** Brutally beaten and starved by his emotionally unstable and alcoholic mother, Dave became a slave; he was no longer a boy, but an 'it'. His bed was an old army cot in the basement, his clothes torn and unwashed, and when he was allowed the luxury of food it was scraps from the dog's bowl. The outside world knew nothing of the nightmare played out behind closed doors. But throughout it all, Dave kept alive dreams of finding a family to love him. *A Child Called 'It'* shares the emotional story of the early years of his life, detailing the horrors of child abuse and the steadfast determination of one child to survive. It is the first book in the My Story trilogy. 'Heartfelt... cannot fail to move you' Heat

A Child Called It Dave Pelzer, 2007-05-09 *A Child Called It*

A Child Called "It" Dave Pelzer, 2008-01 Dave Pelzer was beaten and starved by his emotionally unstable, alcoholic mother. This book covers the early years of his life and is an affecting look at the horrors of child abuse and the determination of one child to survive against the odds.

A Child Called It David J. Pelzer, Dave Pelzer, 1995-09 An inspirational story; one child's courage to survive.

Summary of A Child Called It SellWave Audio, 2025-10-11 *A Child Called It* is the harrowing and deeply moving autobiography of Dave Pelzer, recounting his life as a victim of one of the most severe cases of child abuse in California's history. The book details Pelzer's torturous experiences growing up under the control of his emotionally unstable and

alcoholic mother, who subjected him to unspeakable cruelty. In her eyes, Dave was no longer her son but a dehumanized it—a slave who was to endure endless torment. The abuse Pelzer faced was relentless: he was physically beaten, starved, and emotionally manipulated, forced to play his mother's twisted and unpredictable games just to survive. His once simple desire for a mother's love turned into a desperate need to navigate a world of pain and neglect. His bed was an army cot in the basement, and the clothes he wore were ragged and filthy. The food he was allowed to eat, if any, was barely fit for human consumption, often nothing more than spoiled scraps—leftovers that even the family dogs would refuse to touch. For years, Dave's suffering went unnoticed by the outside world. He had no one to turn to and no way to escape the nightmare that his home had become. Yet, despite the brutal conditions, he found solace in his dreams—dreams of a world where he was loved, cared for, and treated as a human being, a son. This deeply personal and painful memoir not only chronicles Dave Pelzer's childhood trauma but also highlights the resilience of the human spirit. *A Child Called It* is a testament to the strength it takes to survive unimaginable abuse, and it serves as a reminder of the importance of love, kindness, and compassion in the face of adversity.

A Child Called "It" and the Lost Boy Dave Pelzer, 1995

A Man Named Dave Dave Pelzer, 1999-10-01 *A Man Named Dave*, which has sold over 1 million copies, is the gripping conclusion to Dave Pelzer's inspirational and New York Times bestselling trilogy of memoirs that began with *A Child Called It* and *The Lost Boy*. All those years you tried your best to break me, and I'm still here. One day you'll see, I'm going to make something of myself. These words were Dave Pelzer's declaration of independence to his mother, and they represented the ultimate act of self-reliance. Dave's father never intervened as his mother abused him with shocking brutality, denying him food and clothing, torturing him in any way she could imagine. This was the woman who told her son she could kill him any time she wanted to—and nearly did. The more than two million readers of Pelzer's New York Times and international bestselling memoirs *A Child Called It* and *The Lost Boy* know that he lived to tell his courageous story. With stunning generosity of spirit, Dave Pelzer invites readers on his journey to discover how he turned shame into pride and rejection into acceptance.

Bonded to the Abuser Amy J.L. Baker, PhD, Mel Schneiderman, 2015-05-07 Tens of thousands of children are removed from home each year due to some form of child maltreatment, usually physical neglect, physical abuse, or sexual abuse, although sometimes for emotional abuse as well. An additional significant number of children are victims of child maltreatment but remain in their home. Extensive research reveals the far reaching and long lasting negative impact of maltreatment on child victims, including on their physical, social, emotional, and behavioral functioning. One particularly troubling and complicated aspect is how the child victim forms (and maintains) a “traumatic bond” with his abuser, even becoming protective and defensive of that person despite the pain and suffering they have caused. This book will provide the

reader with the essential experience of understanding how children make meaning of being maltreated by a parent, and how these traumatic bonds form and last. Through an examination of published memoirs of abuse, the authors analyze and reveal the commonalities in the stories to uncover the ways in which adult victims of childhood abuse understand and digest the traumatic experiences of their childhoods. This understanding can inform interventions and treatments designed for this vulnerable population and can help family and friends of victims understand more fully the maltreatment experience “from the inside out.”

A Man Named Dave Dave Pelzer, 1999 All those years you tried your best to break me, and I'm still here. One day you'll see, I'm going to make something of myself. These words were Dave Pelzer's declaration of independence to his mother, and they represented the ultimate act of self-reliance. Dave's father never intervened as his mother abused him with shocking brutality, denying him food and clothing, torturing him in any way she could imagine. This was the woman who told her son she could kill him any time she wanted to--and nearly did. The more than two million readers of Pelzer's New York Times and international bestselling memoirs know that he lived to tell his courageous story. With stunning generosity of spirit, Dave Pelzer invites readers on his journey to discover how he turned shame into pride and rejection into acceptance.--Amazon.

Contesting Childhood Kate Douglas, 2010-01-21 The late 1990s and early 2000s witnessed a surge in the publication and popularity of autobiographical writings about childhood. Linking literary and cultural studies, *Contesting Childhood* draws on a varied selection of works from a diverse range of authors—from first-time to experienced writers. Kate Douglas explores Australian accounts of the Stolen Generation, contemporary American and British narratives of abuse, the bestselling memoirs of Andrea Ashworth, Augusten Burroughs, Robert Drewe, Mary Karr, Frank McCourt, Dave Pelzer, and Lorna Sage, among many others. Drawing on trauma and memory studies and theories of authorship and readership, *Contesting Childhood* offers commentary on the triumphs, trials, and tribulations that have shaped this genre. Douglas examines the content of the narratives and the limits of their representations, as well as some of the ways in which autobiographies of youth have become politically important and influential. This study enables readers to discover how stories configure childhood within cultural memory and the public sphere.

Thinking Themselves Free Cynthia Miller Coffel, 2011 *Thinking Themselves Free* presents humane, tender portraits of a small group of teen mothers trying to finish high school, and describes the ways in which reading, writing, and schooling shaped these young women's lives. The book suggests ways in which deeply held ideas about class, appropriate gender roles, and the expression of emotion in school affect educators' relationships with students who are different from the middle-class norm. Teachers of teen mothers describe with poignancy the young women's struggles to balance motherhood, work, and school, and suggest how schools could change to become more open to the diversity of life choice these women express. Because this book addresses the problems of struggling readers, working class students, and the teachers who serve them,

its greatest audience will be among pre-service and in-service teachers and teacher educators interested in literacy education, qualitative research, education reform, gender equity, social justice, and the teaching of young adult literature.

Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the The Child Called It full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of The Child Called It eBooks, including some popular titles.

FAQs About The Child Called It Books

What is a The Child Called It PDF?

A PDF (Portable Document Format) is a

file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a The Child Called It PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a The Child Called It PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a The Child Called It PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export

feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a The Child Called It PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or

various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
