The Nazarene Gospel Restored Robert Graves,Joshua Podro,2023-03-30 The Nazarene Gospel Restored is Robert Graves's major work on the life of Jesus, written in collaboration with the distinguished Hebrew scholar Joshua Podro. The research and writing occupied them for over ten years, in a working relationship compounded, in John W. Presley's phrase, 'of argument, scholarship and mutual respect', in which the imaginative writer and the Hebraist drew on their vast knowledge of the ancient world to reveal an extraordinary new, 'true' story of Jesus. The result is, as Graves wrote to T.S. Eliot, 'a very long, very readable, very strange book', and one that Presley argues is as central to Graves's thought as The White Goddess. The Nazarene Gospel Restored was controversial when first published: the Church Times refused to

advertise it, reviews were hostile, and Graves twice sued for libel. In the twenty-first century it is possible to read it in the context of a continuing engagement with the historical Jesus, both scholarly and popular. In this new edition, John W. Presley gives a detailed account of the composition and reception of the book, setting it in the context of Graves's writing and of biblical scholarship. The inclusion of Graves's Foreword and annotations for a project revised edition make this an indispensable resource.

The Gospel of the Savior Michael J. Kruger, 2005-08-01 This volume is the first complete analysis of the apocryphal gospel fragment P.Oxy. 840 since its initial discovery nearly a century ago. The fragment recounts a dispute over ritual purity between Jesus and a Pharisaic chief priest in the temple. After an examination of prior research, this work explores the various palaeographical and historical questions raised by this apocryphal story and also offers a new Greek edition and English translation. In particular, P.Oxy. 840's controversial descriptions of ritual purity practices in Herod's temple are evaluated in light of what is known of first-century Judaism. After comparing the text with similar passages in the canonical gospels, the origins of this non-canonical story are traced to second-century Jewish-Christian groups that shared its theological and polemical thrust.

The Content and the Setting of the Gospel Tradition Mark Harding, Alanna Nobbs, 2010-10-22 Editors Mark Harding and Alanna Nobbs have here brought together the internationally recognized scholarly excellence of Macquarie University faculty and associates to provide a major contribution to the study of the content and environment of the New Testament Gospels. Few books in current New Testament scholarship seriously tackle its social setting and textual tradition beyond a chapter or two. *The Content and Setting of the Gospel Tradition* integrates the texts with the literary, social, and historical context in which they were written.

The Gospel according to the Hebrews, its fragments tr. and annotated, with a critical analysis of the evidence relating to it, by E.B. Nicholson. [With] Corrections and suppl. notes Hebrews, 1879

The Nazarene Michael Card, 2020-11-24 Over the course of his career, singer-songwriter Michael Card has explored the depths of Scripture by bringing together biblical study and the power of the imagination. Now he sheds light on the life of Jesus through forty lyrical reflections on the four Gospels, leading us to a place where Jesus becomes real and we can hear him with both hearts and minds.

The Gospels in the Second Century William Sanday, 1876

The Gospel of Matthew and Christian Judaism David C. Sim, 1998-01-01 In this meticulously researched study, David C. Sim reconstructs the Matthean community at the time the Gospel was written and traces its full history. Dr. Sim

demonstrates that the Matthean community should be located in Antioch in the late first century, and he argues that the history of this community can only be understood in the context of the factionalism of the early Christian movement. He identifies two distinctive and opposing Christian perspectives: the first represented by the Jerusalem church and the Matthean community, which maintained that the Christian message must be preached within the context of Judaism; and the second represented by Paul and the Pauline communities, in which Christians were not expected to observe the Jewish law. Dr. Sim reconstructs not only the conflict between Matthew's Christian Jewish community and the Pauline churches, but also its further conflicts with the Jewish and Gentile worlds in the aftermath of the Jewish war.

The Nazarene Gospel Restored Robert Graves, Joshua Podro, 2001-07 Drawing upon Jewish scholarship and a vast knowledge of the ancient world, this extraordinary account attempts to reconstruct the historical Jesus by placing emphasis on the narrative of his life. Similar to The Da Vinci Code in mood, this revised edition untangles the distortions and age-old problems of the original texts to uncover the truth behind Jesus's words and actions. It also includes a detailed account of the composition and reception of the book--when it first published, it was deemed controversial, its reviews were hostile, and its author was twice sued for libel.
