S. Macnair

The Other Side of the Sky Farah Ahmedi, Tamim Ansary, 2006-07 Rev. ed. of: *Story of my life* / Farah Ahmedi. c2005.

The Other Side of the Sky Farah Ahmedi, 2006-07 Farah Ahmedi's poignant tale of survival (Chicago Tribune) chronicles her journey from war to peace. Equal parts tragedy and hope, determination and daring, Ahmedi's memoir delivers a remarkably vivid portrait of her girlhood in Kabul, where the sound of gunfire and the sight of falling bombs shaped her life and stole her family. She herself narrowly escapes death when she steps on a land mine. Eventually the war forces her to flee, first over the mountains to refugee camps across the border, and finally to America. Ahmedi proves that even in the direst circumstances, not only can the human heart endure, it can thrive. *The Other Side of the Sky* is a remarkable journey (Chicago Sun-Times), and Farah Ahmedi inspires us all.

The Other Side of the Sky Farah Ahmedi, 2006 Farah Ahmedi, the victim of a land mine when she was just twelve years old, tells about her childhood in Afghanistan, a country trapped in war her entire life, and discusses the challenges she has faced as a result of losing her leg, and in trying to adapt to living in the United States.

Middle Ground Sheryl L. Finkle, Tamara J. Lilly, 2008 Reviews principles of cross-cultural pedagogy and offers both novice and experienced grade 6-12 teachers multiple activities for studying selected texts from and about the Middle East. For years, literature from and about the Middle East has largely been missing from middle and high school curricula. Changing demographics and global citizenship necessitate a better understanding of Middle Eastern history, culture, and literature. Recognizing this need, veteran teachers Sheryl L. Finkle and Tamara J. Lilly offer a comprehensive review of the theory and practice of teaching Middle Eastern literature. In this book, they review principles of multicultural/cross-cultural pedagogy; describe principles for selecting quality texts and explain the importance of teaching both contemporary and ancient literature of the region; illustrate how using these texts can engage young readers and help develop their language and literacy skills; and provide activities, lessons, and materials for various print and nonprint texts, including books such as *Habibi*, *The Kite Runner*, and *Behind the Burqa: Our Life in Afghanistan and How We Escaped to Freedom* and the films *Osama* and *Reel Bad Arabs*. Studying literature from and about the Middle East not only enables students to gain a deeper understanding of the world around them but also allows them to develop crucial critical thinking and literacy skills that can

be applied outside the English classroom.
