

The War Australias Bikie Killings

Lindy Cameron,Ruth Wykes

Gangland Sydney James Morton,Susanna Lobez,2011 Gangland Sydney details the exploits of an unforgettable cast of villains, crooks and mobsters who have defined the criminal and gangland scene in Sydney from the mid-1800s to the present day.In this compelling book, Britain's top true crime author James Morton and barrister and legal broadcaster Susanna Lobez track the rise and fall of Sydney's standover men, contract killers, robbers, brothel keepers, biker gangs and drug dealers, and also examine the role of police, politicians and lawyers who have helped and hindered the growth of these criminal empires.Vivid and explosive, Gangland Sydney is compulsive reading.

Dangerous to Know Susanna Lobez,2016-02-01 Dangerous to Know documents murders known and not so well known, conmen and their victims, street gangs of the early twentieth century, crime lords of the 1920s, dock wars of the 1970s, bikers, sex offenders, and the drug gangs of today as well as the wrongly accused and wrongly convicted. They're all here, as well as some of the police, lawyers and judges who have tried to deal with them.

When was That? Anthony Barker,1988 Important events in Australian history recorded chronologically - Time line (timeline).

The Silent War John Silvester,Andrew Rule,Owen Davies,1995

Judgment Day Ben Collins,2011 A true-crime book with a difference, Judgment Day is a collection of criminal cases (predominantly murder) which offers an insider's perspective into how each case unfolds from the judge's perspective.

Underbelly John Silvester,Andrew Rule,2009 John Moran and Carl Williams were the two biggest rival drug barons in Australia. They certainly weren't partners, but they weren't sworn enemies. After a meeting over a drug money dispute went sour, Moran shot Carl in the stomach, but decided not to finish the job. It turned out to be the biggest mistake of his life, as Carl became hell bent on revenge. Within months, most of the Moran family and a host of underworld figures would die in an astonishing spate of revenge killings that shook the public and the police to the core. Murder, greed, drugs, sex, and corruption abound in this true story that reads like a piece of gangster fiction. This is the amazing story of a powerful man who did things his way to the bitter end.

Blood Money Clive Small,Tom Gilling,2011-05-01 Organised crime in Australia is more reckless and more violent than

ever before. Controlled by a new wave of gangland bosses, it has broken old taboos and formed alliances that would have once been unthinkable. So who now holds the power? There are the Middle Eastern gangs whose core business is drugs, the sale and stockpiling of dangerous weapons, extortion and large-scale fraud; the outlaw motorcycle gangs with their fortified club houses and amphetamine labs; and the Calabrian Mafia, always dangerous and opportunistic. Even more frightening, through the influence of radical Islam, organised crime and terrorism have begun to merge. Our jails are turning drug dealers and car thieves into holy warriors willing to kill indiscriminately for their cause. With the same meticulous research that made *Smack Express* required reading for anyone interested in organised crime, Clive Small and Tom Gilling take us deep into this new, dark and violent Australian underworld.
