The Secret Language of Flowers DK,2023-01-10 Discover the uses and symbolic meanings of flowers over the centuries and across the globe. Flowers have been depicted as objects of beauty and wonder in countless paintings and poems, exchanged as tokens of love and affection, and displayed as symbols of both celebration and remembrance – saying it with flowers is truly part of the human experience. But how does the significance of flowers vary across cultures and at different points in history? And what makes certain flowers special? The Secret Language of Flowers explores the meaning of more than 85 flowers, tracing their history as symbols and charting their role in folklore and mythology around the world. This fascinating book on flowers can help you to: - Unlock the meaning of flowers throughout history – from early peoples to the 19th century. - Discover the Victorian language of flowers popular in the US, UK, and Europe. - Gain insight into folklore and mythology in relation to different flowers. - Uncover what flowers mean in various cultures around the world. - Uncover traditional medicinal uses of plants, such as aloe, which is used to treat burns. Uncover the rich and fascinating histories of individual flowers – the sunflower, for example, which was regarded by the Aztecs as a symbol of war, but became a symbol of devotion in 19th-century painting due to the fact that it turns its head to follow the sun. Learn about the function of flowers in society, from the practical to the playful – flowers have been used as remedies and tonics – tea tree and coneflower (or echinacea), for example – as well as as a means of sending cryptic messages to lovers and friends. The Secret Language of Flowers is an entertaining guide to the rich stories that lie beyond the seductive aromas and dazzling beauty of flowers of all kinds. Each flower featured throughout the book is arranged by season, from the first snowdrops and primroses of spring, the glorious roses of summer, the stunning fuchsias and dahlias of autumn to the holly and poinsettia of the winter months, there's a flower for everyone to fall in love with. At DK, we believe in the power of discovery: So why stop there? If you like The Secret Language of Flowers, then why not try Great Loves which celebrates some of the most famous romances in history, or Lost Masterpieces to discover extraordinary stories behind the world's missing works of art.

New, Old and Forgotten Remedies Various,2013-01-26 New, Old and Forgotten Remedies. Old Herbal Remedies with Case Studies. The Essential Guide to Herbal Cures and Natural Remedies. That this collection of papers has many gems is, I believe, not to be questioned; that some better papers on the remedies than those herein presented may exist is also probable; that it may contain some that are of doubtful value is not to be denied, and even some that have no right in such a book may have crept in. But what it is, it is; take the good and, in the current phrase of the hour, forget the rest. The part born by the editor, beyond delving for and selecting the remedies, will be found scattered through the book in [] bracketed small type, and consists simply in announcing who the writer of the paper was and where it may be found; no attempt has

been made at editing any of the papers, or commenting on them, beyond a little cutting out of a little verbosity here and there, or of matter not bearing on the use of the remedy. The material was drawn from journals of all schools, wherever a paper could be found that seemed to contain something not to be found in medical-book literature, and to be honestly written. The new remedies of the laboratory have been purposely ignored because they do not come in the scheme of this book, they having a literature of their own that, not infrequently, may be had free on request to the laboratories. Only remedies (with a few exceptions) such as nature gives us are included in this work. And now the task completed naught remains but for the compiler to subscribe himself, Edward Pollock Anshutz. 1011 Arch St., Philadelphia, January 2, 1900.

Herbal Healing 2021 I Quaderni Di Bia, 2021-06-04 □ 55% OFF for Bookstores! NOW at \$ 37,97 instead of \$ 47,97! LAST DAYS! □ We've lost our connection to nature ... and it's making us sick. Are herbal remedies right for you? The key to health is knowing the source of the ailment. Focus on this and you're on the right path. We have learned two important truths: 1) Information overload stops them in their tracks. 2) Most sicknesses can be prevented. Many of the best herbal solutions to common problems have been lost over time. This book brings them back. We teach the history of herbal medicine in a way that helps you understand and is a delight to read. But the history is just the beginning. Our bodies give us signs to heal imbalances. If we ignore these signs and ONLY rely on conventional medicine to treat the symptoms instead of searching for and healing the root cause, it can be a recipe for disaster. Understand the herbs needed... ...for health and healing. Your Customers Will Never Stop To Use This Amazing book!
