**The Man in My Basement** Walter Mosley, 2004-01-05 This masterpiece by celebrated New York Times bestselling author Walter Mosley is the mysterious story of a young Black man who agrees to an unusual bargain to save the home that has belonged to his family for generations. The man at Charles Blakey's door has a proposition almost too strange for words. The stranger offers him \$50,000 in cash to spend the summer in Charles's basement, and Charles cannot even begin to guess why. The beautiful house has been in the Blakey family for generations, but Charles has just lost his job and is behind on his mortgage payments. The money would be welcome. But Charles Blakey is black and Anniston Bennet is white, and it is clear that the stranger wants more than a basement view. There is something deeper and darker about his request, and Charles does not need any more trouble. But financial necessity leaves him no choice. Once Anniston Bennet is installed in his basement, Charles is cast into a role he never dreamed of. Anniston has some very particular requests for his landlord, and try as he might, Charles cannot avoid being lured into Bennet's strange world. At first he resists, but soon he is tempted -- tempted to understand a set of codes that has always eluded him, tempted by the opportunity to understand the secret ways of white folks. Charles's summer with a man in his basement turns into an exploration of inconceivable worlds of power and manipulation, and unimagined realms of humanity. Walter Mosley pierces long-hidden veins of justice and morality with startling insight into the deepest mysteries of human nature. The Man in My Basement Walter Mosley, 2005 Charles Blakey is a young black man whose life is slowly crumbling. His parents are dead, he can't find a job, he drinks too much, and his friends have begun to desert him. Worst of all, he's fallen behind on the mortgage payments for the beautiful home that's belonged to his family for generations. When a stranger - a white man - offers him \$50,000 in cash to rent out his basement for the summer, Charles needs the money too badly to say no. He knows that the stranger must want something more than a basement view. Sure enough, he has a very particular - and bizarre - set of requirements, and Charles tries to satisfy him without getting lured into the strangeness. But he sees an opportunity to understand the secrets of the white world, and his summer with a man in his basement turns into a dark game of power and manipulation.

**Finding a Way Home** Owen E. Brady, Derek C. Maus, 2010-02-17 Essays by Owen E. Brady, Kelly C. Connelly, Juan F. Elices, Keith Hughes, Derek C. Maus, Jerrilyn McGregory, Laura Quinn, Francesca Canadé Sautman, Daniel Stein, Lisa B. Thompson, Terrence Tucker, and Albert U. Turner, Jr. In *Finding a Way Home*, thirteen essays by scholars from four countries trace Walter Mosley's distinctive approach to representing African American responses to the feeling of homelessness in an inhospitable America. Mosley (b. 1952) writes frequently of characters trying to construct an idea of home and wrest a sense of dignity, belonging, and hope from cultural and communal resources. These essays examine Mosley's queries about the meaning of "home" in various social and historical contexts. Essayists consider the concept—whether it be material, social, cultural, or virtual—in all three of Mosley's detective/crime fiction series (Easy Rawlins, Socrates Fortlow, and Fearless Jones), his three books of speculative fiction, two of his "literary" novels (RL's

Dream, The Man in My Basement), and in his recent social and political nonfiction. Essays here explore Mosley's modes of expression, his testing of the limitations of genre, his political engagement in prose, his utopian/dystopian analyses, and his uses of parody and vernacular culture. *Finding a Way Home* provides rich discussions, explaining the development of Mosley's work.

**The Crisis** ,2004-01 The Crisis, founded by W.E.B. Du Bois as the official publication of the NAACP, is a journal of civil rights, history, politics, and culture and seeks to educate and challenge its readers about issues that continue to plague African Americans and other communities of color. For nearly 100 years, The Crisis has been the magazine of opinion and thought leaders, decision makers, peacemakers and justice seekers. It has chronicled, informed, educated, entertained and, in many instances, set the economic, political and social agenda for our nation and its multi-ethnic citizens.

**The Man of My Schemes** Leslie J. Sherrod,2016-02-26 Having a fake boyfriend comes with a real price. It started with her co-workers and then spread to her sister-friends at church: the “must-have-a-man-marriage-baby-family-right-now-because-you’re-not-getting-any-younger” fever. Tired of the merciless prying and invasive questions about her lack of a love life, thirty-four-year-old Berry Jenkins comes up with an elaborate plan to convince everyone she has finally landed the man of her dreams – she fakes it. However, her foolproof conspiracy to pretend she’s met the perfect beau turns out to be proof of foolishness as her scheme of a made-up relationship spirals out of control. Only a miracle will save Berry from her fairytale fantasy turned nightmare reality, which only worsens as her web of lies begins to unravel. Facing exposure, Berry fears that the trap she’s created for herself is too messy, too tangled – and maybe even too deadly – for her chance at love to survive.

The Twenty-first Century African American Novel and the Critique of Whiteness in Everyday Life E. Lâle Demirtürk,2016-05-25 This book examines the post-9/11 African American novels, developing a new critical discourse on everyday discursive practices of whiteness. The critique of everyday life in the racial context of post-9/11 American society is important in considering diverse forms of the lived experiences and subjectivities of black people in the novels. They help us see that African American representations of the city have political significance in that the “neo-urban novel” explores the possibility of a black dialogic communication to build a transformative social change. Since the real power of Whiteness lies in its discursive power, the book reveals the urgency to understand not only how whiteness works in everyday life in American society. But it also explores how to cultivate new possibilities of configuring and performing Blackness differently, as a response to the post-9/11 configurations of the culture of fear, to produce new ways of interactional social relations that can eventually open up the space of critical awareness for white people to work against rather than reinforce discursive practices of White supremacy in everyday life. This book explores how the multiple subjectivities and transformative acts of blackness can offer ways of subverting the discursive power of the white embodied practices. What defines post-9/11 America as a nation that is consumed by the fear of racialized terrorists is its roots in the fear of (‘uncontrollable’) Blackness as excess

and ominous threat in the domestic terrain through which the ideology of White supremacy has constructed for governing through Whiteness. African-American urban novels published in the twenty-first century respond to the discursive power of normative Whiteness that regulates black bodies, selves and lives. This book demonstrates how black people contest white dominant social spaces as sites of black criminality and exclusion in an attempt to re-signify them as the sites of black transformative change through personal and grassroots activism through their performativity of Blackness as an agential identity formation in their interpersonal urban social encounters with white people. Hence, the vulnerable spaces of Whiteness in interracial urban encounters, as it pervasively addresses those moments of transformative change, enacted by Black characters, in the face of the discursive practices of whiteness in the everyday life. These novels celebrate multifarious representations of black individuals, who are capable of using their agency to subvert White discursive power, in finding ways in their personal and grassroots activism to transform the culture of fear that locates Blackness as such in an attempt to make a difference in the American society at large.

**The Man in the Arena** Thomas L. Cooper, 2018-08-13 Fly with Captain Tom Cooper on this most incredible roller coaster ride from a rural, Mayberry-ish community in the foot hills of North Carolina to the apex of the scheduled airline world. A superb story teller, Captain Cooper takes you on a breathtaking trip with intermediate stops in the jungles of South America, revolutions in the tropics, the “sometimes” exciting exploits of a scheduled airline pilot and finally lands you on the top floor, mahogany row, of the volatile airline community. Whether you are a professional or private pilot or just an “arm chair” adventurer, with his simple but vivid writing style, he escorts you through his 60 years of aviation experiences with page after page of a literary reality show that can only be narrated by someone who has actually lived it. Captain Cooper shares his experiences, the good times and the bad, the wins and the losses, with clarity and with a simple credo that to be a success one must, to paraphrase Teddy Roosevelt, be “in the arena” and experience failures along with any successes that might come your way without fear of criticism or admonition. And.....never, ever, let ‘em see you sweat!

*The Man I Never Met* Adam Schefter, 2018-09-04 A powerful true story of loss and hope by one of the biggest names in sports media, Adam Schefter's *The Man I Never Met*. On September 11, 2001, Joe Maio went to work in the north tower of the World Trade Center. He never returned, leaving behind a wife, Sharri, and 15-month old son, Devon. Five years later, Sharri remarried, and Devon welcomed a new dad into his life. For thousands, the whole country really, 9/11 is a day of grief. For Adam and Sharri Maio Schefter and their family it's not just a day of grief, but also hope. This is a story of 9/11, but it's also the story of 9/12 and all the days after. Life moved on. Pieces were picked up. New dreams were dreamed. The Schefters are the embodiment of that. *The Man I Never Met* will give voice to all those who have chosen to keep living. It's gratifying and beautiful. But also messy and hard. Like most families. Except that one day every year history comes roaring back. How

do you embrace that? How do you honor that? This book is also a peek at Adam Schefter (Schefty), the man behind the headlines and injury reports; a real person who has a real family. It will follow in the path of other ESPN books by Tom Rinaldi and the late Stuart Scott – books that have transcended sport to examine the raw emotion of life.
