

Tuesday With Morrie

Jeffrey Hatcher, Mitch Albom

Tuesdays with Morrie Mitch Albom, 2006 Maybe it was a grandparent, or a teacher, or a colleague. Someone older, patient and wise, who understood you when you were young and searching, helped you see the world as a more profound place, gave you sound advice to help you make your way through it. For Mitch Albom, that person was Morrie Schwartz, his college professor from nearly twenty years ago. Maybe, like Mitch, you lost track of this mentor as you made your way, and the insights faded, and the world seemed colder. Wouldn't you like to see that person again, ask the bigger questions that still haunt you, receive wisdom for your busy life today the way you once did when you were younger? Mitch Albom had that second chance. He rediscovered Morrie in the last months of the older man's life. Knowing he was dying, Morrie visited with Mitch in his study every Tuesday, just as they used to back in college. Their rekindled relationship turned into one final class: lessons in how to live. *Tuesdays with Morrie* is a magical chronicle of their time together, through which Mitch shares Morrie's lasting gift with the world. From the Hardcover edition.

Quicklet on Mitch Albom's Tuesdays with Morrie Joseph Pritchard, 2011-12-14 ABOUT THE BOOK Throughout our lives we have all encountered, at one point or another, people who have taught us some new insight about life, the universe, and our place in it. A beloved grandparent passing on the wisdom they have collected throughout the years, or a teacher whose guidance was instrumental in forming us into the person we are today. For Mitch Albom, the person who made that difference in his life was Morrie Schwartz. *Tuesdays with Morrie* chronicles a professor's final lecture to his former student

with whom he reconnects in his final days. The book has sold over 14 million copies to date and has more than 50 editions the world over. At its core, the book really tells two stories. On one hand, it narrates Morrie's final lessons for Mitch Albom. But it also talks about Morrie's rich and colorful life. Both stories are framed in the context of Tuesday lessons, which is where the book gets its title. MEET THE AUTHOR Joseph Pritchard is passionate reader and writer. He has a bachelor's degree in Biology and also completed a degree in medicine. He has written for other prominent online publications and enjoys writing on a variety of topics. EXCERPT FROM THE BOOK Because the book's focus is on Mitch and Morrie, much of the narrative is told via flashbacks that highlight moments in the lives of both men. The story begins at the end of Mitch's initial relationship with Morrie, his college graduation. During this time, Mitch gives his professor a tan leather briefcase with Morrie's initials monogrammed on it. He promises to stay in touch. But the promises is forgotten and many years would pass before both friends are reunited. Since graduating, Mitch went on to become a newspaper journalist and led a life in the fastlane, constantly working and traveling. Prior to his success as a journalist, Mitch was forced to abandon a failing musical career. Mitch becomes so fixated with work that it crowds out other aspects of his life.

Hoyle, 2001-11-06 Through vivid, real-world examples and an engaging approach to effective leadership, visionary author John Hoyle masterfully illustrates the key to success in any industry, whether the setting is the classroom or the boardroom. Leadership and the Force of Love is a profound yet straightforward exploration of how leaders can inspire others to greatness through these six key actions: Visioning Communicating Teamworking Empowering Mentoring Evaluating Though educators are frequently faced with the challenges of politics, hostility, selfishness, and violence, Hoyle demonstrates that overcoming these obstacles requires teamwork, motivation, empowerment, and communication. While many have written about moral leadership, the notion of leading with love has been largely ignored. Hoyle discusses the implications for love in leadership and affirms once and for all that if you can't love you can't lead.
