Lily and the Mirror Gordon Jacobson,2024-11-18 Suddenly, she felt a shift in the atmosphere. The warm breeze turned cold, and the light around her seemed to dim. Whiskers, who had been lounging nearby, leapt to his feet, his eyes wide with alarm. Lily immediately sensed what was happening. Elara! Caelum! she called out, her voice tinged with urgency. Elara and Caelum rushed outside, their expressions tense. They didn't need to ask what was wrong-the change in the air was unmistakable. Something was coming. And then, from the shadows at the edge of the forest, figures began to emerge. They were similar to the shadow creatures Lily had fought before, but these were larger, more solid, and more menacing. Their glowing eyes fixed on the cottage, and they advanced with a chilling purpose. But it wasn't just the creatures that worried Lily-it was the presence she felt behind them. A familiar, cold presence that sent a shiver down her spine. Elara, she whispered, he's here. Elara's eyes darkened as she nodded. Alistair. Caelum stepped forward, his expression calm but deadly serious. Lily, Elara-prepare yourselves. This will be a fight unlike any you've faced before. Lily and the Mirror takes you thru one adventure after another as she battles those who wish to take her secret that her grandmother had given her. With her cat and friends, they are able to survive the many battles that she has to go thru.

Mirror, Mirror Les Edgerton,2012-11-30 You will never again pass a mirror without a slight chill... once you have read Mirror, Mirror. Elizabeth Mary Downing is a typical American teenager...almost. When she peers into a mirror, she sees someone else staring back--an image identical to herself in every detail save one--the mirror image has blue eyes. Elizabeth's eyes are brown! She is told by her mirror counterpart, Liz, that she can enter any mirror she wants through trans-starence and when curiosity prevails over fear and she enters the mirror, trading places with Liz, the horror begins as Liz wreaks havoc with what was a normal life. Elizabeth's attempts to trick Liz into going back into the mirror reflect both suspense and humor and just when all hope seems lost, she succeeds... only to discover she has to return to the mirror to reverse events and get her life back to where it was. She succeeds... only she leaves part of herself forever in the mirror.
