When Sandra shows up with sandwiches for the neighborhood kids one day, Cass has no way of knowing that the meeting will lead to the creation of a place of refuge that could reunite a divided community. Scott Kathi S. Barton, 2016-10-17 Chloe Davis was giving up. She thought for sure the owners of the computer shop she worked for were responsible for her father's death, but in all the time she'd worked there she'd not been able to find enough evidence to prove it, so as far as she was concerned, she was out of there. Her boss, George, on the other hand, had other ideas. As far as he was concerned, she wasn't going anywhere...by force if necessary. Scott Calhoun was just trying to help his grandfather get the young woman to safety. The last thing he expected was for her to be his mate. And he wasn't happy about it either. Scott was a Dom, and he liked his sex hard and rough and his women submissive...this woman was a spitfire, and he was pretty sure he'd scare her off with his demands.... As far as he was concerned, he was a deviant, not mate material. But when Chloe and Scott come together, they both find more than they expected...Scott has finally met his match.

Now, if everyone would stop trying to kill them, they might live long enough to enjoy each other.

Shadow Play Cynthia Harrod-Eagles,2018-02-01 Bill Slider and his team investigate the murder of a victim with a decidedly shady past in this gripping contemporary mystery. The body of a smartly-dressed businessman turns up in the yard of Eli Simpson's car workshop. But there's no ID in the pockets and Eli swears he's never seen the man before. Then a girlfriend turns up with a name, and claims the victim told her he was someone's 'right hand man'. But old fractures and scars, discovered at the autopsy, suggest a more colourful past. For 'right hand man', DCI Bill Slider and his team read 'enforcer'. So who was Mr King? Who was he the muscle for? What did he have to do with the Davy Lane project, and the blackmailing of an MP? And, most crucially, what did he know that made someone decide to terminally muscle the muscle?
