Short and Sweet LeeAnn Mott, 2019-11-13 Many Christians spend a lifetime trying to figure out God's will for their lives: What career should I choose? Where should I live? Whom should I marry? God has told us his will for our lives: to be conformed to the image of His Son (Romans 8:29). Paul explains: We are to put off the old self and put on the new self created to be like God in true righteousness and holiness (Ephesians 4:24). We cannot become more Christ-like in our own strength, though. Paul says the key is a renewed mind: to be made new in the attitudes of your minds (Ephesians 4:23). We exchange our patterns of thinking with God's Word. We fill our mind with Scripture, and slowly, we are transformed. Learning to think like Jesus helps us to act like Jesus. This is where Bible memorization comes in. We need to get God's Word into our heads and into our hearts. When I feel resentful and unforgiving toward my friend who betrayed me and am tempted to end our relationship, I replace my thoughts and hurt feelings with Hebrews 13:1: Keep on loving each other as brothers. When I start to worry about my upcoming surgery or my children's college fund, I remind myself, We live by faith, not by sight (2 Corinthians 5:7). God's Word is living, active, and powerful. Having these verses in my mind and heart helps me to choose new Christ-like behavior. Here are fifty-two short Bible verses: Memorize one verse a week. Meditate on it daily. By

the end of the year, you will see the transformative power of God's Word in renewing your mind and changing your behavior. As you are increasingly conformed to the image of Jesus, you will have the privilege of reflecting his love to the world.

Bible Verses for Every Situation J.D. Rockefeller, 2015-10-14 Bible memorization according to some scholars is said to be absolutely fundamental to spiritual formation of every believer in Christ. Considering the fact that God never sent down any book from heaven, but he sent the bible (his words) as guidance for mankind as a whole. This stresses the fact that knowing the words is more important than having a bible. That touches in brief for anyone who can reason in-depth; the reason why

the words of the scripture has to be imbibed into our memory as Christians. What make us act the way we do? A good look at this question and an objective answer to it will certainly shed more light on the importance of memorizing the scripture. As Christians, we as expected to live according to the scripture, and putting this in reference of how the human brain works. we cannot afford as Christians to be without our bible even if we aren't carrying anything. As humans, we have a spontaneous brain which works and acts on injected information. The human nature Getting scripture into memory will go a long way in helping us form a Christ like life. The way the human mind work is one factor that has made it needful for the scripture to be memorized if it truly is the way of life we intend to use. The human mind acts on first-hand information it gets from the memory and having the bible as that first-hand information is priceless. The ease of memorizing the scripture is a case of different strokes for different folks; it is majorly subject to the retentive capacity of whoever is in question. Retentive capacity is certainly a very important factor, but other important factors include; commitment towards the course of memorizing the scripture, zeal and required guidance on the best models of memorizing the Scripture are among factors that aid this process. This book offers you OVER 150 bible verses from thousands of the important verses of the scripture to memorize them have been sorted according to their individual or collective message. Enjoy!
