*American Indian Love Stories* Herman Grey, 2003 Traditional stories of love & romance from tribes across America -- Cover.

*Feminism and American Literary History* Nina Baym, 1992 For more than a decade Nina Baym has pioneered in the reexamination of American literature. She has led the way in questioning assumptions about American literary history, in critiquing the standard canon of works we read and teach, and in rediscovering lost texts by American women writers. *Feminism and American Literary History* collects fourteen of her most important essays published since 1980, which, combining feminist perspectives with original archival research, significantly revise standard American literary history. In Part I, *Rewriting Old American Literary History*, the focus is on male writers. Essays range from close readings of individual works to ambitious critiques of the main paradigms by which scholars have conventionally linked disparate texts and authors in a narrative of nationalist literary history: the self-in-the-wilderness myth, the romance-novel distinction, the myth of New England origins. Part II, *Writing New American Literary History*, studies examples of women's writing from the Revolution through the Civil War. Stressing much overtly public and political writing that has been overlooked even by feminist scholars, noting public and political themes in supposedly domestic works, the essays substantially modify and historicize the paradigm by which premodern American women's writing is currently understood. The contentious and influential essays in Part III, *Two Feminist Polemics*, address feminist literary theory and pedagogy, advocating a pluralist practice as the basis for scholarship, criticism, and humane feminism. No one interested in American literature or in women's writing can afford to ignore Baym's revisionist work. Humorous and gracefully written, this book is enjoyable and indispensable.

*Voices of the American Indian Experience* James E. Seelye Jr., Steven Alden Littleton, 2012-11-30 In a single source, this comprehensive two-volume work provides the entire history of American Indians, as told by Indians themselves. *Voices of the American Indian Experience* provides unique insights into American Indian history by focusing on Indian accounts instead of on relying on other sources. As a result, their voices are clearer, and readers learn more about Indians directly from Indians, rather than through accounts that are filtered, diluted, and possibly even misinterpreted by an outsider's perspective. The volumes comprise a vast and fascinating variety of sources that span creation stories from Native American prehistory, to Indians who met the earliest Europeans to visit the Americas, all the way through to American Indians who served in recent

foreign conflicts in the U.S. Armed Forces. This work provides information that is essential to fully understanding the history of the United States, and will be a valuable resource for advanced high school students and college students as well as general audiences with an interest in history or Native American culture.

Primitive Love and Love-stories Henry T. Finck, 1899

Conflict and Colonialism in 21st Century Romantic Historical Fiction Hsu-Ming Teo, Paloma Fresno-Calleja, 2024-06-13

This book explores how postmillennial Anglophone women writers use romantic narrativisations of history to explore, revise, repurpose and challenge the past in their novels, exposing the extent to which past societies were damaging to women by instead imagining alternative histories. The novelists discussed employ the generic conventions of romance to narrate their understanding of historical and contemporary injustice and to reflect upon women's achievements and the price they paid for autonomy and a life of public purpose. The volume seeks, firstly, to discuss the work of revision or reparation being performed by romantic historical fiction and, secondly, to analyse how the past is being repurposed for use in the present. It contends that the discourses and genre of romance work to provide a reparative reading of the past, but there are limitations and entrenched problems in such readings.

**American Indian Stereotypes in the World of Children** Arlene Hirschfelder, Paulette F. Molin, Yvonne Wakim, Michael A. Dorris, 1999-07-01 The world of contemporary American infants and young children is saturated with inappropriate images of American Indians. *American Indian Stereotypes in the World of Children* reveals and discusses these images and cultural stereotypes through writings like Kathy Kerner's previously unpublished essay on Thanksgiving and an essay by Dr. Cornell Pewewardy on Disney's Pocahontas film. This edition incorporates new writings and recent developments, such as a chronology documenting changes associated with the mascot issue, along with information on state legislation. Other new material incorporates powerful commentary by Native American veterans, who speak to the issue of stereotyping against their people in the military. Also includes a new expanded annotated bibliography.

Native American Love Stories and Other Stories Jennifer Sault, 2021-09-23 From the imagination of an Ojibway Mohawk comes the collection of *Native American Love Stories and Other Short Stories*. The short stories collection includes endearing stories about a mommy and son family of witches, ghosts, rescue dogs, werewolves, vampires, spirits, vision quests, thunderbirds, face changers, DNA Indians, nano bots, unseen mythical forces and love stories.
