**Charlie's Requiem** Angry American,2015-12-28 Going Home set a high bar for what life could look like after an EMP. But Morgan's journey and even his home focuses on more rural areas. The small towns of Florida are nothing compared to the chaos the tourist corridor would be like. Could you imagine being at Disney or Universal Studios when such an even occurred? What would those tens of thousands of people do? Where would they go?If you've been following the series, you know the DHS isn't exactly concerned with the well being of the people of this country. But what are they really working towards? Who are they looking out for?Morgan is doing his best to keep his small community safe, now let's take a look at Orlando and how Charlie deals with the crisis. It's a whole different situation surrounded by millions of residents and visitors all trying to survive.I want to thank my good friend Walt Browning, who did a lot of the heavy lifting on this novella. Our teamwork has produced some fine work here. We hope you enjoy this and if you want more we will be happy to continue.

**Charlie's Requiem** Angry American,Walt Browning,2016 Charlie is caught on the road when the world is thrust into darkness by an E.M.P. pulse. She and two companions try to find their way from Orlando to a small farm of a friend.

Offbeat David Amram,2016-01-08 David Amram has been described as the Renaissance man of American Music. His musical career has spanned participating with Jack Kerouac in the original jazz-poetry reading in 1957 in Greenwich Village to being honored as the first Composer-in-Residence for the New York Philharmonic and to playing in Farm Aid concerts. He's performed with an incredible variety of musical greats, such as Dizzy Gillespie, Thelonius Monk, Willie Nelson, and and Tito Puente, and he continues to compose and tour nationally. Now available in paperback, following the 50th anniversary of the publication of Kerouac's classic *On The Road*, *Offbeat* is the rollicking story of this legendary musician and his adventures with his close friend Jack Kerouac. Amram and Kerouac shared a relationship based on creativity, respect, and fun, and *Offbeat* offers the reader a full share of each. This wonderful memoir takes the reader from the coffee houses of New York to the San Francisco Opera House and into the making of the now-classic film *Pull My Daisy*. *Offbeat* is Amram's energetic and heartfelt account of Kerouac and the creative community of artists-including Allen Ginsberg, Gregory Corso, Langston Hughes, and Neal and Carolyn Cassady-that courageously explored their creative potential and, in doing so, changed American culture forever.
