**Muslims in Putin's Russia** Simona E. Merati, 2017-06-01 This book offers a novel interpretation of Russian contemporary discourse on Islam and its influence on Russian state policies. It shifts the analytical perspective from the discussion about Russia's Islam as a potential security threat to a more comprehensive view of the relationships of Muslims with Russia as a state and a civilization. The work demonstrates how many Muslims increasingly express a sense of belonging to Russia and are increasingly willing to contribute to state building processes.

After Putin's Russia Stephen K. Wegren, Dale R. Herspring, 2009-08-16 A fifth edition of this book is now available. Now in a thoroughly revised, expanded, and updated edition, this classic text provides the most authoritative and current analysis available of contemporary Russia and the challenges facing Vladimir Putin and his successor, Dmitri Medvedev. Leading scholars offer a full-scale reassessment of Putin's leadership, exploring Russia's ongoing daunting domestic and international concerns. Evaluating the regime's continued efforts to rebuild a country once on the verge of collapse, they consider a comprehensive array of economic, political, and social issues, along with Putin himself, whose popularity has remained high despite his authoritarian approach. The contributors conclude that Putin's influence will continue to be felt for years to come, not only because he remains powerful in his new post as prime minister, but because he laid the groundwork for dealing with the many problems still confronting Russia. Only by understanding these challenges—and Putin's previous efforts to deal with them—will it be possible to understand the rhetoric and actions of his successor. Clearly written and organized, this text is an indispensable guide for anyone wanting to understand Russia today. Contributions by: Gregory Gleason, Timothy Heleniak, Kathryn Hendley, Dale R. Herspring, Maria Lipman, Michael McFaul, Nikolai Petrov, Thomas F. Remington, Peter Rutland, Richard Sakwa, Louise Shelley, Darrell Slider, Andrei P. Tsygankov, and Stephen K. Wegren.

**Russia's Foreign Policy** Andrei P. Tsygankov, 2016-01-15 Now fully updated, this comprehensive text explores Russian international relations, comparing foreign policy formation under Gorbachev, Yeltsin, Medvedev, and Putin. Drawing on an impressive mastery of both Russian and Western sources, Tsygankov shows how Moscow's policies have shifted with each leader's vision of Russia's national interests.

*Islam in Russia* Shireen Hunter,Jeffrey L. Thomas,Alexander Melikishvili,2004-05-03 Traces the shared history of Russia and Islam in expanding compass; from the Tatar civilization within the Russian heartland, to the conquered territories of the Caucasus and Central Asia, to the larger geopolitical and security context of contemporary Russia on the civilizational divide. The study stresses political and geopolitical relationships.

Muslims in Russia Uli Schamiloglu,2006 Examines Muslims in Russia, including the social issues they face, geography, and history.

**Russia's Muslim Heartlands** Dominic Rubin,2018-05-15 Moscow has the largest Muslim population of any city in Europe. In 2015, some 2 million Muslim Muscovites celebrated the opening of the continent's biggest mosque. One quarter of the Soviet population was ethnically Muslim, and today their grandchildren, living in the lands between Bukhara, Kazan and the Caucasus, once again have access to their historical traditions. But they also suffer the effects of civil war, mass migration and political instability. At the highest levels, Islam has been swept up into Russia's broader search for identity, as the old question of eastern versus western takes on new force. Dominic Rubin has spent the last three years interviewing Muslims across Russia, from Sufi shaykhs in Dagestan, new Muslim artists on the Volga and professionals in Kyrgyzstan to guest-workers commuting between Russia and Uzbekistan and Kremlin-sponsored muftis hammering out a new Russian Muslim ideology in Moscow. He discovers their family histories, their faith journeys and their hopes and fears, caught between roles as traditionalist allies in the new Eurasian Russia and as potential traitors in Moscow's war on terror. This story of Islam adapting in a paradoxical landscape, against all odds, brings alive the human reality behind the headlines.

**The Image of Islam in Russia** Greg Simons,2020-12-30 This book covers the developing and important issue of the role and place of Islam in the increasingly complex dynamics of Russian politics. It is achieved by examining various aspects of Islam and Muslims in Russia from a multidisciplinary perspective. Islam and Muslims are currently at the forefront of popular culture, mass media and political imaginations in the age of the 'Global War on Terrorism'. Frequently, these are for the 'wrong' reasons as they are not well understood, but rather stereotypically misrepresented, often for various political reasons. Russia is also highly stereotyped; the diverse and mysterious country is often misunderstood in terms of the communicated cultural, social and political images. This book is an attempt to expose and analyse the wealth in diversity of Islam and Muslims in Russia, a country where different religions have occupied the same political spaces, for better and worse, for many centuries. The content of this book is focused upon the contemporary social, political, cultural and identity contexts of Russia in terms of the interrelated dynamics and forces that are shaping the relations and place of Islam and Muslims in Russia today. The chapters in this book were originally published in the journal Religion, State & Society.
