POETRY ALONGSIDE A LAWYER James 'Jim Bill' W. Keenan, 2025-06-24 By this, his fifth collection of his avocation art, his poetry, James W. 'Jim Bill' Keenan, a now retired trial court Attorney at Law, but yet endeavoring 'Irish Poet' from the hills of his home state of Wild, Wonderful, West Virginia, has finally completed his journey upon which he embarked years ago to achieve his fervent pursuit of his ardently sought artistic and cultural self fulfillment. All of his previous four works, "Poetry By A Lawyer"; "Poetry From A Lawyer"; "Poetry With A Lawyer"; and "Poetry Near A Lawyer", as does this one, awarded him gratification of life and he rendered his heart, his fidelity, and his earnest effort to them as well as his 45 year practice of law. His works have each and all sought and invited appreciation or criticism from their readers, but they are all "art" by a dedicated and sincere "artiste" and whether from Jim Bill's art may arise either of such opinion, he yet yearns for his offerings to, again-in some way great or small-aid the readers to 'Live It Well'!

**How to Win a Woman Over on the Phone** Tatiana Busan, 2025-06-24 You're constantly checking your phone, ignoring

calls from friends because you're waiting for her call or text. Many men find themselves in this situation and often don't know what to do when a woman stops reaching out. Suddenly, the woman you had fun with and went on a few dates with has stopped texting or replying to your messages. Unfortunately, this scenario has become all too common these days. She hasn't texted you in days, and you're spending a lot of energy trying to figure out what to do next. You don't understand why she's acting this way, and you start wondering if you did something wrong. You analyze the situation, trying to decide what your next move should be now that she's stopped texting, isn't answering your calls, and isn't reaching out. You keep checking when she was last online, and when you see she's active but doesn't reply, you get frustrated. When you obsess over why she isn't texting, you end up sabotaging any chance of a relationship with her. When she reads your message but doesn't respond, you start questioning whether you should call her to ask why she's behaving like this. You don't know what to say, which only adds to your confusion and stress. When a woman reads your messages without replying, it can hurt deeply and leave you feeling anxious and paranoid. You feel rejected just because she isn't responding or reaching out. Texting is a convenient way to communicate with someone you're interested in, but it can sometimes harm the relationship. Some men spend hours analyzing every message, trying to read into her feelings based on what she said or how she replied. Often, an anxious man will text again seeking reassurance. But if you're always ready to call or text her, the pressure you put on her will eventually push her away. If she's not responding to your calls or texts, this book will show you what to do! **About Spiritual Energy** Walter E. Broach MLS PhD,2021 Most people believe we are biological creatures instead of spiritual entities that happen to have a body. About Spiritual Energy focuses on the relationship between body and soul, including what your soul is, where it is located, how to communicate with it, and what happens when you and your soul become one. At the book core is the premise that instead of looking at humans as physical bodies with a soul inside, we should view ourselves as souls that use a body while on earth. This book answers questions such as: \*How can we improve our ability to enjoy happiness and all that is good? \*Do character traits we develop while living stay with us when we return to the spiritual realm? \*Does spiritual energy have anything to do with religion or God?
