

Is Scotland Safe For Tourists

George Shaw

Tourism, Security and Safety Yoel Mansfeld, Abraham Pizam, 2006 In recent years the tourism industry has focused on the issues of safety and security and sought to develop crisis management solutions. This text draws on the work of leading academics and practitioners to create a multi dimensional analysis of the subject.

Tourism and Politics Peter M. Burns, Marina Novelli, 2007-03-14 Tourism and Politics aims to disseminate ideas on the critical discourse of tourism and tourists as they relate to politics, through a series of case studies from around the world written by specialists with an emphasis on linking theory to practice. That tourism is a profoundly important economic sector for most countries and regions of the world is widely accepted, even if some of the detail remains controversial. However, as tourism matures as a subject, the theories underpinning it necessarily need to be more sophisticated; tourism cannot be simply 'read' as a business proposition with a series of impacts. Wider questions of politics, power and identity need to be articulated, investigated and answered. While the making and consuming of tourism takes place within complex political milieux with multiple stakeholders competing for benefit, the implications are not fully understood. Literature on tourism and politics is surprisingly limited. This book will make a substantial contribution to the theoretical framework of tourism.

Scenario Planning Woody Wade, 2012-03-14 Is your business ready for the future? Scenario planning is a fascinating, yet still underutilized, business tool that can be of immense value to a company's strategic planning process. It allows companies to visualize the impact that a portfolio of possible futures could have on their competitiveness. It helps decision-makers see opportunities and threats that could emerge beyond their normal planning horizon. Scenario Planning serves as a guide to taking a long-term look at your business, your industry, and the world, posing thoughtful questions about the possible consequences of some current (and possible future) trends. This book will help you: Outline (and help you prepare for) any trends that could play out in the future that could change the political, social, and economic landscapes and significantly impact your business Explore the impact of technological advances and the emergence of new competitors to your business Examine challenges that are only dimly recognizable as potential problems today This visual book will help you answer this question: Is my organization ready for every possibility?

Journal of Travel Research , 2005-08

Official Tourist Guide Caledonian Railway Company, 1910

The tourists' handbook to the British islands British isles,1880

Marketing in Transition: Scarcity, Globalism, & Sustainability Colin L. Campbell,2015-06-03 This volume includes the full proceedings from the 2009 World Marketing Congress held in Oslo, Norway with the theme Marketing in Transition: Scarcity, Globalism, & Sustainability. The focus of the conference and the enclosed papers is on marketing thought and practices throughout the world. This volume resents papers on various topics including marketing management, marketing strategy and consumer behavior. Founded in 1971, the Academy of Marketing Science is an international organization dedicated to promoting timely explorations of phenomena related to the science of marketing in theory, research and practice. Among its services to members and the community at large, the Academy offers conferences, congresses and symposia that attract delegates from around the world. Presentations from these events are published in this Proceedings series, which offers a comprehensive archive of volumes reflecting the evolution of the field. Volumes deliver cutting-edge research and insights, complimenting the Academy's flagship journals, the Journal of the Academy of Marketing Science (JAMS) and AMS Review. Volumes are edited by leading scholars and practitioners across a wide range of subject areas in marketing science.

Scotland Josephine Buchanan,Brian Bell,2007 This new edition Insight Guide features evocative full-colour photography and detailed maps alongside comprehensive information on all the major attractions, such as Edinburgh Castle and the island of Taransay. The guide also features in-depth explorations of history and culture, along with practical tips on accommodation, dining and much more.
