**Your Country Is Just Not That Into You** Jimmy Dore, 2014-07-08 Why is your brother-in-law concerned about the Estate Tax? Why do millionaire news reporters get everything wrong? Why are blood-sucking teachers bankrupting America? Jimmy Dore, the comedy darling of America's Progressive Left, answers all these questions and more! In this laugh-out-loud collection of essays that are both street-smart and informed, Jimmy sets out to discover what's wrong. Crackling with caustic wit and insight, no aspect of American life is safe from Jimmy's hilarious scrutiny. He gets to the heart of the issues: why Republicans should support gay marriage or why the President shouldn't have Secret Security until the country has gun control, bringing clarity and hilarity to the incoherent noise of our punditocracy. This outrageously entertaining manifesto is an excellent resource for those who have survived long arguments during family dinners. And in a media environment dominated by corporate interests, Jimmy's take-no-prisoners approach is fearless: going after both political parties, and all corners of mainstream news. A David against an army of Goliaths. Equal measures of silliness and spleen-venting, *Your Country Is Just Not That Into You* is the most oddly uplifting political book of the year.

**We're Just Not That Into You** Karina Smirnoff, Lindsay Rielly, 2015-02-10 Dancing with the Stars pro Karina Smirnoff believed her then-boyfriend when he said that the bag of condoms she found in his suitcase belonged to a buddy of his—that he was “holding them for him.” He wasn't. In *We're Just Not Into You*, Karina and her best friend and manager, Lindsay Rielly, dish about their dating escapades with A-listers and average Joes, the craziest pickup lines they've ever heard, and the unbelievable moves guys have tried to land them both. Along with quips and stories from other girlfriends, these two women humorously illustrate for the rest of us that sometimes all we can do is laugh at the mishaps and adventures we experience on our quest for Mr. Right.

**The Vampire Is Just Not That Into You** Vlad Mezrich, 2009 Undead dating specialist Vlad Mezrich has all the answers, utilizing quizzes, top ten lists, language analysis, real-life (and real-death) testimonials, and fancy charts to show you what you need to do in order to get your vampire and keep him forever--P. [4] of cover.

**Quotes, Ruminations & Contemplations: Volume I** Corey Wayne, 2021-04-15 A random selection of quotes and commentary from Corey Wayne's articles and video coaching newsletters on pickup, dating, relationships, success mindsets, self-reliance, personal responsibility, philosophy, purpose, negotiation, health, inspiration, high achievement, goal setting,

time management, career, entrepreneurship, wealth creation and sales.

**Wry Humor** Peter M. Lutterbeck, 2014 The title *Wry Humor: Reflections as a Side Dish* says it all. Each essay takes a slice of personal experience observations and nonconventional themes. They are meant for people to reflect upon their surroundings, people and their peculiarities. The writings require that we tread carefully among the wonderful nature that we seem to carnage or even destroy. Humans are having a difficult time dealing with each other while mutilating the environment. Mother Nature has wonderful healing properties and drawing attention to human involvement needs to be outed and subtle irony may help to disclose and adjust our insight on our unrealized and skewed behavior. The Human race has come a long way. Machines are on the foremarch and gadgetry and greed has taken over. Human interactions have been diverted to the inane. Meaningful attention to important issues that compromise our existence have been diverted to trivia - largely labeled each day as Breaking News. Perhaps the book title *Wry Humor* and insightful reflections may help people to realize that addiction to trivia may prove dangerous to our survival.

*Epistle to the Hebrews* Robert Milligan, 1876

**Christian Weekly**, 1906

**Sexed Texts** Paul Baker, 2008-07 *Sexed Texts* explores the complex role that language plays in the construction of sexuality and gender, two concepts that are often discussed separately, although in practice are closely intertwined. The book draws on a range of theoretical perspectives and published research including performativity theory, feminism, queer studies, psychoanalytical theory, Marxism, social constructionism and essentialism. Illustrative examples are taken from written, spoken, internet, non-verbal, visual, media-scripted and naturally occurring texts. Some of the questions addressed in the book include: how do people construct their own and other's gendered or sexual identities through the use of language? What is the relationship between language and desire? In what ways do language practices help to reflect and shape different gendered/sexed discourses as 'normal', problematic or contested? Taking a broadly deconstructionist perspective, the book progresses from examining what are seen as preferable or acceptable ways to express gender and sexuality, moving towards more 'tolerated' identities, practices and desires, and finally arriving at marginalized and tabooed forms. The book locates sexuality and gender as socially constructed, and therefore examines language use in terms of socio-historical factors, linking changing conceptualisations of identity, discourse and desire to theories surrounding regulation, globalisation, new technologies, marketisation and consumerism.

**He's Just Not That Into You** Greg Behrendt, Liz Tuccillo, 2007 Presents an examination of familiar scenarios and classic mindsets that keep women in unsatisfying relationships, aimed at sparing them hours of waiting by the phone, obsessing over details with sympathetic girlfriends, and the hope that mixed messages mean love.
