The Theatre of Antonio Buero Vallejo Catherine O'Leary,2005 This monograph examines the complex relationship between Antonio Buero Vallejo [1916 - 2000] and the ideologies of Francoist and post-Franco Spain. This monograph examines the complex relationship between Antonio Buero Vallejo [1916 - 2000] and the ideologies of Francoist and post-Franco Spain. The central focus of the study is Buero's political theatre and his employment of myth and history to challenge the notion of an España eterna. It also considers Buero's creation of his own myths and his revision of history in order to rationalize and justify his own stance. In his determination to write and stage committed drama in a repressive society, Buero's choice, with its inherent contradictions and ambiguities, was posibilismo. This book looks at this pragmatic employment of language and silence, both in his art and in his dealings with the censors and with other representatives of the hegemony and analyses how posibilismo both aided and limited him. The monograph also considers Buero's neglected post-Franco theatre, examining the reasons for its initial negative reception and its renewed importance in today's Spain. In these days of digging up the past, Buero's post-Franco insistence on rejecting the pacto de olvido is perhaps more relevant than ever before. *Approaching the Theater of Antonio Buero Vallejo* Eric Wayne Pennington,2010 Eric W. Pennington's book, the latest and one of the best on Buero Vallejo's theater, thoughtfully frames careful analyses with the major theoretical approaches of the last half century. Pennington's knowledge of those theories and his insights into the various artistic influences on Buero's plays are remarkably thorough. Of particular note also is his intelligent, even literary prose---the perfect vehicle for evoking the artistic nuance, historical detail, and human impact of Buero's compelling dramatic achievements. **Antonio Buero-Vallejo** Antonio Buero Vallejo,2008 This masterful translation of four tragedies by Antonio Buero-Vallejo (1916-2000), Spain's most important dramatist since the 1930s, allows English-speaking audiences to experience the most deeply moving and intellectually rich works by one of the twentieth century's great authors. Patricia W. O'Connor complements vivid translations with generous supporting materials, including a reader-friendly introduction to the

playwright's life and work, commentaries on the plays, and photographs of productions and playwright. Buero-Vallejo's emblematic first play, *Story of a Stairway* (1949), chronicling decades in the lives of struggling Madrid families, catapulted the young author into prominence. Appearing here for the first time in English, *Before Dawn* (1953) is a whodunit and the riveting odyssey of one woman's search for truth that recalls Greek tragedy. *The Basement Window* (1967), an Orwellian science-fiction experiment, portrays the moral climate of the late twentieth century as judged by ethically enlightened researchers of a distant future. In the first English translation of the author's poignantly relevant final play, *Mission to the Deserted Village* (1999), a wartime attempt to save an El Greco painting raises questions about how much of its own treasure a culture will destroy to keep it out of enemy hands. Readers who know Buero-Vallejo's plays will celebrate O'Connor's sparkling translations. Those who haven't yet read Buero-Vallejo will find a very moving introduction in this collection.--

*Modern Drama Scholarship and Criticism 1981-1990* Charles A. Carpenter, 1997 A selective list of publications for the period, offering some 25,200 entries (no annotations) arranged by nationality and linguistic groups. Most entries concern literary currents in drama since the last third of the 19th century, playwrights who lived at least part of their lives in the 20th century, noted directors, and performance theory. For students and scholars of modern dramatic literature. While annual supplements of recent publications appear in the journal *Modern Drama*, new compilers took a publication date of 1991 as their starting point for listings, leaving some 2,000 items collected after 1992 appearing only in this volume. **Distancia e inmersión en el teatro de Buero Vallejo** Mary Kathleen Rice, 1992 Una innovación notable del teatro de Buero Vallejo es la síntesis de dos tendencias teóricamente opuestas: la identificación aristotélica y el distanciamiento brechtiano. Este libro analiza la fusión simbiótica de estos acercamientos en cuatro obras (*El sueño de la razón*, *Llegada de los dioses*, *La Fundación* y *La detonación*) cuyo recurso dominante es la inmersión del público en el punto de vista del protagonista hasta tal extremo que experimenta su sordera, ceguera o trauma psicológico, mientras que al mismo tiempo la teatralidad del recurso crea una distancia intelectual. La síntesis de identificación emotiva y distancia reflexiva sirve para comprometer al espectador en el mensaje político de la obra.

**The Contemporary Spanish Theater** Martha T. Halsey,Phyllis Zatlin,1988-05-31 The essays that Martha Halsey and Phyllis Zarlin have written and collected in this volume deal with plays and playwrights primarily and only incidentally with actors, producers, theater buildings, mime, and other such manifestations of the performing arts. The period the authors cover is from the 1940s to the present. The Spanish Civil War (1936-39) shattered theatrical life. After the conflict ended on April 1, 1939, the theater was barely nourished by recourse to its past. Then the contemporary Spanish theater began on a particular date: October 14, 1949. On that night a new playwright, Antonio Buero Vallejo, saw the first performance of his *Historia de una escalera* (Story of a Staircase) produced at the Teatro Español. It spoke deeply to Spanish audiences then, and instilled a new vitality into the Spanish theater and attracted to drama a new generation of playwrights. It is those writers and younger ones that have followed in their footsteps that are studied in this fine collection of essays. The distinguished editors introductory essay, *Is There Life after Lorca?* is a readable survey of the period, and it sets the tone for the following specialized essays by other authors and by themselves.

*La detonación* Antonio Buero Vallejo,2009 Mas que en otras de sus obras históricas, se perciben en ésta abundantes rasgos de la propia personalidad de Buero y se ven reflejados en ella sucesos equivalentes a algunos de su biografía. El padecimiento de la censura, la fidelidad a sus ideas y el deseo de escribir en su patria, de arrancar las máscaras y buscar la verdad, establecen un paralelismo entre Larra y el dramaturgo del XX. Buero elige al autor del XIX y ese segmento de la historia de España porque encuentra en ello la caracterización del poder, siempre uno y el mismo, aunque sus caras sean diversas. Y como consecuencia, surge el tema de la responsabilidad del intelectual frente al poder: el concepto de verdad que Larra pretende desvelar arrancando las máscaras hipócritas que cubren los rostros de quienes lo rodean; la oposición a la censura y la posibilidad de hablar, aunque hayan de usarse las medias palabras.

**The Importance of the Don Quixote Myth in the Works of Antonio Buero Vallejo** Carmen Caro Dugo,1995 Examines the degree to which playwright Antonio Buero Vallejo has been influenced by Cervantes, in particular by the Don Quixote myth. Buero attaches great relevance to the power of madness and dreams, and, like Cervantes, makes use of the fusion of fantasy and reality in his work.
