The Everyday Lightworker Bible Michelle Lightworker, 2015-06-02 Maybe you've read the old Bible; maybe you haven't. And which old Bible? After all, there are as many interpretations as there are religions. Was the Bible easy to understand or so complex you weren't sure what was expected of you? Did reading it make you feel inspired or fearful? Author Michelle Lightworker's *The Everyday Lightworker Bible* is a new style of Bible. You are provided with simple, nonreligious ways to access your inner consciousness. Twelve principles replace the Ten Commandments and make our lives easier. Comprehensive examples replace parables for ease of understanding. Micro-meditations become a new way of daily life. You will learn the how, where, and why of enlightenment. It's no longer about religion; it's about connection. It's not about sitting in silence for hours; it's about stringing moments together. Each of us is an Everyday Lightworker, and *The Everyday Lightworker Bible*'s revolutionary way of thinking will transform the planet into a completely different vibration and consciousness. We are all here to assist each other in evolving, so why not start believing now? *The Everyday Lightworker Bible* will assist you in accessing your own enlightenment. Welcome to the future. It's a new dawn it's a new life it's a new Bible.

Through a Mirror, Brightly Raymond Comeau, 2001-11-20 The articles in this book are plain and simple and practical. They reflect the transformative experience of practicing the Lessons of A Course In Miracles. They demonstrate a mind awakening from the dream to the experience of the Peace of God. This awakening is expressed through poems, songs, a Shakespearian sonnet, sonnets from the Course, a "Star Trek" episode, excerpts from a Socratic dialogue, and stories of direct personal experience. What is unique about this book is that it offers the reader opportunities to experience a shift in his own mind. Each article engages the reader by addressing his perceptual, dreaming mind, inviting him to participate in experiencing the alternative to his dreaming. By entering in, the reader can experience a shift from dreaming to awakening to the True Reality of his own Identity.

God is the Biggest Joker of All S. Alicja Jones, 2002 Know your power to heal: words can destroy you or heal you--act

like a balm, a solvent, a solution to a problem. What to do? What to do? Air your grievances and allow the other person to air his or hers. Just as you want to be listened to, listen to the other. Honor their perspective. Their perspective comes from their perception. All perception comes from the ego. The ego is insane, Therefore, all perception will be distorted. Everything is seen through the filter of your experience. Learn to replace perception with knowing. Knowing comes from the Truth. Knowing comes from the Divine, from Spirit. Knowing is part of the Oneness of Me, of Who I Am, of Who You Are. You are One with Me, One with the Father. We are One, One Being, One Substance, One Light. You are the Light of the World Just as you cannot separate the different particles of Light from the whole, we cannot separate you from the whole. We see you as One. The kingdom of God is within you. I AM within you. You are within Me. There is nothing else. You only understand the connection to Me by going within. You reach Me from within. There is nothing outside of you but what you put there. You look outside of yourself for validation of everything. You won't find it there. It doesn't exist outside of self. It exists within. From: God is the Biggest Joker of All

Grossman, 2019-07-26 An imaginary, extended dialogue with Plato, Socrates, Spinoza and William James presents philosophical ideas that have never been more relevant for Western civilization. Neal K. Rushing to Yoga Marilee J. Bresciani, 2011-06-16 Rushing to Yoga details how awakenings may be found in distant countries as we search to find ourselves, but they also can occur daily in our lives. The stories included describe how we can benefit from our daily lives if we only take a moment to stop rushing around and allow the learning the remembering to occur. We don't need to spend a fortune, flying to Bali or Italy. Our awakenings, our remembering can occur right here in our daily lives, as long as we have a sense of humor and some fabulous friends to help us identify them and remember them. Rushing to Yoga is based on real stories about author Marilee Bresciani's life, stories that are like what many middle-class Americans may have experienced as they search for meaning. She shares these stories, couched in humor, with the intent that they will inspire reflection and discourse. There are no answers in this book. Rather, readers may find humor in their own adversities and use them as opportunities to reflect upon the lessons learned. When adversities are faced with humor, and when lessons are learned in our daily lives, we should share those lessons with others, so that we truly can grow in joy, love, and peace.

Talking God Jacci Bulman, 2021-06-18 Listening is a valuable – and often neglected – tool for spiritual learning. Talking God invites you to reflect on the personal beliefs many of us hold towards God through listening in on a series of eleven inspiring interviews with people of Christian or 'Jesus-connected' faith. Each of these dedicated spiritual pilgrims give responses to fourteen searching questions about God, Jesus Christ, and Christianity, which offer a wide range of perspectives on issues of faith and spiritual truth. Finding 'unity in diversity' can be difficult. It is only by earnestly trying to hear each other that we can learn to celebrate our differences, while also looking for threads – in the worship of God's love – that bind us together.

Dialogues on a Course in Miracles Tara Singh, 1987 If you study the Course at all, this book is for you. Tara Singh's lively dialogues with students demonstrate the difference between reading the Course for ideas and engaging your own unwillingness to accept its truth. One chapter alone -- his line-by-line exploration of the Course's Lord's Prayer -- makes this book essential for any student of scripture.

The Leap Constance Kellough, 2007 The Leap is filled with hope for tomorrow. It shows us that we are far from alone -- that we are part of something so encompassing, we can never be alone. A global shift is occurring in which we are edging our way toward becoming one world. Now, we must link to a sense of inner connectedness that few experience yet on a daily basis, but that is essential if we are to interact with each other peacefully. As we become conscious of our inner oneness, we begin living from a different mindset. We experience a deep stillness. It provides the key to personal fulfillment -- and the hope

of the world.
