My Life is a Rock and Roll Song ... ready to be sung! Ray Mack, 2023-07-09 Born to a Slovenian Mom and an Irish Dad, I grew up in a small Ohio town in the 40's and 50's with many memories of my family struggling during and after World War II. Studies came easy for me, graduating with honors in College Preparatory Classes in 1959. I spent the last years in high school having overcome a Meatball weight problem and hanging out with buddies that were cool. Although I was accepted and had a college scholarship waiting for me, there was this stronger urge to accompany my buddies and join the Marines — promising my parents college would come later. While serving 4 years in the Marine Corps (Univac Computers), I followed one of my cool buddies to a local Albany, GA radio station in search of a part-time job and fell in love with the thought of being a DJ with hundreds of girls admiring me and my now Mr. Bronze America muscular body! I did make it with an on-air gig but only got there because of my Sales/Marketing skills. With a few delays, my parents were elated when I graduated from Kent State University with a Bachelor's Degree in Telecommunications and a Master's Degree in Broadcast Management. The road to success has taken me on a lot of twists and turns, some right turns — while making my share of boo-boos along the way. There has been more than 50 years invested in writing this book ... some parts based on life — others based on my vivid imagination! During and following a career in radio and helping to build-up and sell radio stations, there was success as a motivational speaker across the country while promoting other famous speakers, including Zig Ziglar, Og Mandino and Norman Vincent Peale. Several money- making projects were always active while living life to the fullest — including looking for the next lady to share it with and the next opportunity to do something exciting! Enjoy!!
