Rainer Maria Rilke Selected Quotes by Rainer Maria Rilke now at your fingertips Perfect for casual reading, taking ideas, inspiration Makes for a unique gift choice -- Again and again in history some people wake up. They have no ground in the crowd and move to broader deeper laws. They carry strange customs with them and demand room for bold and audacious action. The future speaks ruthlessly through them. They change the world. Rainer Maria Rilke

Quotes by Rainer Maria Rilke Lilith Regan,2020-03-20 Everything is blooming most recklessly; if it were voices instead of colors, there would be an unbelievable shrieking into the heart of the night.Love consists in this, that two solitudes protect and touch and greet each other.Let life happen to you. Believe me: life is in the right, always.The only journey is the one within.I hold this to be the highest task for a bond between two people: that each protects the solitude of the other.The purpose of life is to be defeated by greater and greater things.I want to be with those who know secret things or else alone.Perhaps everything terrible is in its deepest being something helpless that wants help from us.Make your ego porous. Will is of little importance, complaining is nothing, fame is nothing. Openness, patience, receptivity, solitude is everything.The future enters into us, in order to transform itself in us, long before it happens.

Letters to a Young Poet Rainer Maria Rilke, 2019-04-17 Born in Prague when it was part of the Austro-Hungarian empire and recognized today as a master of verse, poet Rainer Maria Rilke was considerably less well known in 1902 when he received a heartfelt letter from an aspiring poet. A 19-year-old student sent Rilke some of his verses, seeking an opinion of their worth. Rilke declined to offer a critique, instead encouraging the student to rely upon his own inner judgment: Nobody can advise and help you, nobody. There is only one single means. Go inside yourself. This seemingly dismissive letter proved to be the first of ten, written during a six-year period that coincided with an important stage in Rilke's artistic development. The poet offered his young correspondent further advice on developing a rich inner life as well as guidance on broader philosophical and existential issues. These letters, which explore many of the themes that later emerged in Rilke's best works, remain a captivating source of insights into the artistic identity and process.

The Circle of Love Llewellyn Vaughan-Lee, 1999-03-18 The circle of divine love is always present within the heart. The journey of the mystic is to retrace this circle and so experience the oneness that is hidden within us. In *The Circle of Love*, Llewellyn Vaughan-Lee continues his work of providing a contemporary understanding of Sufism, drawing us into this mystery of the soul. He describes the way of mystical prayer and of listening with the heart. He offers valuable insight into power and the spiritual life: how to use one's power to break free of restrictions and live the joy of one's divine nature. He explores the primordial question of why we so easily forget our origin in God. Finally, *The Circle of Love* takes us deep into the mystical secret of being lost in God, to the center of the circle where the lover merges into the Beloved and the heart's deepest truth is revealed. "... Vaughan-Lee calls us back to the circle of love where nothing is excluded." —Spirituality & Practice

Seasons of the Sacred Llewellyn Vaughan-Lee, 2021-05-01 *Seasons of the Sacred* weaves together poems, images, and stories of Spring, Summer, Autumn, and Winter, reconnecting us to our roots in the cycles of nature and our own soul. As our world appears more and more out of balance, our destruction of the natural world increasing, there is a vital need to remember what is essential, simple, and sacred. Liking Spring to falling in love, Summer with abundance and spiritual awakening, and Autumn with fruition and wisdom, this book continuously reflects the profound resonance of humanity within nature. Never more relevant than now, the chapter on Winter helps the reader remember what is most essential, showing how there is meaning and even peace amidst the most devastating losses, and how all life belongs to these deeper patterns of change. The book draws from such a variety of sources, such as Rumi, Hafiz, Lao Tzu, Rabia, Julian of Norwich, T.S. Eliot, and others. Each chapter opens with a unique woodcut or engraving image, further illustrating the beauty of our seasons. Vaughan-Lee adeptly connects the reader to the deepest envisioning of contemporary challenges. Climate catastrophe, refugees, cultural degradation, and political divisiveness are all contextualized within natural cycles of birth, loss, and transition, and the reader is guided to listen through the fear and anxiety of our age to the deeper ground of belonging that calls from even the most destitute inner and outer landscapes. *Seasons of the Sacred* is Llewellyn Vaughn-Lee's fifth contribution to his spiritual ecology series, which places the human story within the story of the Earth and compels the

examination of attitudes, beliefs, and habits in relation to the ongoing desecration, ecological devastation—and potential restoration—of our common home. “Vaughan-Lee encourages reconnecting with the Earth in this heartfelt compilation of essays, poems, and illustrations.... Suitable for readers of all spiritual persuasions, Vaughan-Lee’s soothing observations will inspire a more mindful contemplation of Earth’s rhythms.” —Publishers Weekly “Seasons of the Sacred is a beckoning down into the simple rhythms of nature. With his guiding eloquence, Llewellyn Vaughan-Lee moves us into conversation with the sacred, calling our awareness to the concealed gifts of each season. Drawing on the ancient poetry of Rumi, Hafiz, Julian of Norwich, Wordsworth, and others, we can’t help but fall into step with the numinous found in ordinary life.” —Toko-pa Turner, author of *Belonging: Remembering Ourselves Home*

Letters of Rainer Maria Rilke, 1892-1910 Rainer Maria Rilke, 1969-02-17 This representative selection from Rilke's large and extraordinary correspondence provides a kind of spiritual autobiography of the poet. The period here covered reflects all the great experiences of Rilke's early adult life: his difficult beginnings, his relationships with Lou Andreas-Salome and with his wife Clara, his two journeys to Russia, his contact with the Worpswede artists, the influence of Paris, the revelation of Cezanne. Many of the letters are psychologically revealing; many touch upon characteristic themes, or freshly transcribe experience that sooner or later passes into the poetry.
