**Ranger** Rebecca Sharp (Novel writer), 2022 Sydney Ward woke up on the wrong side of life—that's what it feels like when cancel culture claims another victim. After her relationship implodes and tanks her career as a best-selling romance novelist, Sydney decides to start a whole new chapter in the last place that any kind of romance—literal or figurative—could find her: Wisdom, Wyoming: a town with two stoplights, one main street, and zero book boyfriends. Sydney was prepared to rebuild her life. She was prepared to forget all about sexy firefighters, broody billionaires, and dreams of her own happy ending. She was not prepared for her incredibly intelligent and endearingly awkward landlord—or the way he makes her feel things she's only ever written about. Ranger Reynolds lives by his own rules. While his exceptional IQ makes him an asset to Reynolds Protective, Ranger knows he's too smart for his own good—and too smart to find love like the rest of his brothers. So, he ignores the pull he feels for the woman renting his garage apartment and sticks to facts instead. When the press show up looking for a story on Sydney, they bring a dangerous plot twist. They're out for blood, and they aren't the only ones with Sydney in their sights. Ranger is determined to help, and when the only option is to propose a very convenient kind of protection, Ranger doesn't hesitate. Because what other reason would he have to get married?-- page 4 of cover.

New state. New apartment. New life. And for good measure, she takes a new job at the safest place in town—the local security agency, Reynolds Protective Group. But safe isn't always smart. And working for the handsomest man she's ever met quickly turns perilous when she's faced with those washboard abs, broad shoulders, and charming smile on a daily basis. Hunter Reynolds is nothing if not determined. From the moment he met Zoey, he was determined to win her heart. So, he pursues her. Patiently. Steadily. Until she finally lets her guard down. Just when Zoey believes Hunter could be her chance at happiness, she's threatened once more. Hunter immediately goes from hot boss to protective bodyguard, and it's not long before their forced proximity sends their attraction to explosive heights. But when her deranged stalker grows bolder, Zoey remembers why she moved to Wisdom in the first place—and why love will always be out of the question.

*Texas* Carmen Boullosa, 2024-12-03 A contemporary classic from award-winning author Carmen Boullosa, in the tradition of Juan Rulfo, Jorge Luis Borges and César Aira, now available in a special Tenth Anniversary Edition. Loosely based on the little-known 1859 Mexican invasion of the United States, *Texas: The Great Theft* is a richly imagined evocation of the volatile Tex-Mex borderland. Boullosa views border history through a new lens decentering US narratives, and her sympathetic portrayal of each of her wildly diverse characters—Mexican ranchers and Texas Rangers, Comanches and cowboys, German socialists and runaway slaves, Southern belles and dancehall girls—makes her storytelling tremendously powerful and absorbing. Featuring a new introduction by Merve Emre, the Tenth Anniversary Edition of *Texas* sheds important historical light on current battles over the Mexican-American frontier while telling a gripping story with Boullosa's singular prose and formal innovation.
