Threads West Reid Lance Rosenthal, 2010-10-12 This is the namesake novel of the sweeping Threads West, An American Saga multi-era series compared by reviewers and authors to Lonesome Dove, Centennial, and Louis L'Amour. Called by some The Gone With The Wind of the West and applauded by others as rings true and poignant, as authentic and moving as Dances with Wolves. The tale bursts with the adventure, romance and promise of historical America and the West. You will recognize the characters who live in these pages. They are the ancestors of your friends, your neighbors, your co-workers, and your family. They are you. They are us. This is not only their story. It is our story. The epic saga of Threads West, An American Saga begins in 1854 with the first of five, richly textured, complex generations of unforgettable, multicultural characters. The separate lives of these driven men and independent women from Europe and America are drawn to a common destiny that beckons seductively from the wild and remote flanks of the American West. Swept into the dangerous currents of the far-distant frontier by the mysterious rivers of fate, the power of the land and the American spirit, their journeys are turbulent quests intertwined with romance and adversity, passions and pathos, despair and triumph.

Maps of Fate Reid Lance Rosenthal, 2014-11-04 The adventure and romance of America, her people, her spirit and the West. We are all Americans. This is our story. Second book of the #1 bestselling, Threads West, An American Saga epic saga, recipient of thirty-seven National Awards—Best Historical Fiction, Best Multi-Cultural, Best Romance and Best Western! Compared by reviewers, authors and readers alike to Lonesome Dove, Centennial, and the Sacketts of L'Amour. Called by some the "Gone with the Wind of the West," and applauded by others as "rings true and poignant, as authentic and moving as Dances with Wolves." The touchstones of the past are the guideposts to the future. Maps of Fate is the continuation of this tale of America, set in the West—new lineages join the many threads of uncommon cultures, differing origins and competing ambitions that entwine into the American spirit. Lives and generations are woven on the loom of history, propelled by fate and freedom to form the tapestry that becomes the whole cloth of the nation. It is uniquely American, this meld of the mosaic. Set in 1855, Book Two continues the page-turning tale of five richly textured, complex generations of unforgettable personalities mandated by fate and history to encounter others of differing origins; the Oglala Sioux family, the elderly black couple setting their life sails for the winds of the freedom, the dark hearted renegade. The secrets of the maps are revealed, and suspense builds as they push westward, hurtling towards unknown destinies, propelled by one adventure, danger,

romantic twist, and encounter to the next. Forged in the crucible of history, shaped on the anvil of a dangerous land, the threads of their lives, tragedies, triumphs, and torrid loves interweave with the evolution of the West. Armed conflicts, the rancor of slavery, and the discovery of gold, all create lethal surprises when the characters are forced to defend their lands, their loved ones, and their honor. The tragic story of the Indians begins to unfold. The new characters with dark hearts, lost souls, fierce pride, and hopeful innocence, color the tapestry of this epic saga. Others, in search of place and rightful freedom, catapult into the story. An unexpected convergence of events sets in motion the thrilling, yet heartrending conclusion of Book Two, setting the stage for the arduous crossing of Continental Divide, and the passionate tumult of the next Maps of Fate Era novel of the Threads West, An American Saga epic saga; Uncompahgre-where water turns rock red. You will recognize the characters who live in these pages. They are the ancestors of your friends, your neighbors, your co-workers, and your family. They are you. They are us. We are all Americans. This is not only their story. It is our story. The decades of the Maps of Fate era novels of the sweeping Threads West book epic saga become the crucible of souls of generations, the building of the heart of the nation, destiny of a people, and the relentless energy and beauty of the western landscape.

Moccasin Track Reid Lance Rosenthal,2024-11-20

Moccasin Track Reid Lance Rosenthal, 2019-08-08 The Adventure and Romance of America, her people, her spirit and the West. Fourth novel of the sweeping of Threads West, An American Saga epic saga—compared by reviewers, authors and readers to Lonesome Dove, Centennial, and Louis L'Amour (with steam). Called by some reviewers, the Gone with the Wind of the West, and “the Sacketts on steroids.” Applauded by others as, rings true and poignant, as authentic and moving as Dances with Wolves. This multiple #1 bestselling series—winner of thirty-seven National Awards, (including Best Historical Fiction, Best Multi-Cultural, Best Romance, and Best Western)—bursts with the adventure, romance and promise of historical America set in the West. The epic saga of Threads West begins in 1854 with Book One. We meet the first of five richly textured, complex generations of unforgettable characters. The separate lives of these driven men and independent women are drawn to a common destiny that beckons seductively from the wild and remote flanks of the American West. In Book Two, Maps of Fate, they are swept into the dangerous currents of the far-distant frontier by the mysterious rivers of fate, the power of the land and the American spirit. Secret maps, hidden ambitions, and magnetic attractions inherent in lives forged by the fires of love and loss, hope and sorrow, life and death, shape their futures and the destinies of their lineage. In Book Three, Uncompahgre, the men and women of the saga having reached their initial destination: pre-Denver, Cherry Creek, are each faced with life altering decisions. Some must decide to pursue or abandon torrid love affairs that have flowered on the dangerous journey from Europe and across America. An aristocratic vaquero chased north by the Texas Rangers catapults into the tale. The next generation of Threads West characters will soon be born in the wilderness. The elderly slave couple, the Oglala Sioux and Mountain Ute families, and the dark hearted renegade— with his young, traumatized captive introduced in Maps of Fate—are bound ever more tightly to the arc of the tale— their tragedy and triumph-filled tales weaving into the cloth of a collective destiny. In Moccasin Track, Book Four, the brave, passion-filled characters of Uncompahgre struggle in this unknown wilderness, racing against an early, foreboding winter to establish their homestead, some preoccupied with serious pre-birth complications of the next generation of Threads West characters, other's compelled by an inner sense to blaze a separate trail, but all united to fend off ever-present dangers. The different personalities of their surviving offspring begin to manifest, some in disturbing ways. The Sioux family, bewildered by the increasing attack on their culture, is swept unknowingly into the tumultuous vortex of momentous changes shaping the United States and the West as the tidal wave of greed and intolerance inundates their ancestral territory. The Ute Chief makes a decision affecting generations, but his wife faces a fateful dilemma. Land, love, gold, tradition and the burden of family responsibility shape these characters of divergent origin as they love and struggle in the beautifully vibrant but unforgiving landscape of the West. The personal conflicts inherent to these characters of uncommon cultures, differing origins and competing ambitions are exacerbated by a nation in transition, the precipice of Civil War, and both deep bonds and lethal enmities with Native Americans. You will recognize the characters who live in these pages. They are the ancestors of your friends, your neighbors, your co-workers,

and your family. They are you. They are us. We are all Americans. This is not only their story. It is our story. It is *Threads West, An American Saga*

Threads West Reid Lance Rosenthal, 2014-11-04 Book One and name sake of the sweeping #1 bestselling *Threads West, An American Saga* epic saga—winner of thirty-seven National Literary Awards in numerous categories including Historical Fiction, Multi-Cultural, Romance and Western. This novel and the ensuing books of this monumental multi-era epic saga are compared by reviewers and authors to *Lonesome Dove*, *Centennial*, and the *Sacketts* of Louis L'Amour. Called by some reviewers, "The *Gone With The Wind* of the West." Applauded by others as "rings true and poignant, as authentic and moving as *Dances with Wolves*" and "the *Sacketts* on steroids," the tale bursts with the adventure, romance and promise of historical America, the American spirit and the West. You will recognize the characters who live in these pages. They are the ancestors of your friends, your neighbors, your co-workers, and your family. They are you. They are us. We are all Americans. This is not only their story. It is our story. The epic saga of *Threads West* begins in May 1854 with the first of five, richly textured, complex generations of unforgettable, multicultural characters ensconced in their individual lives and dreams in the Rockies, England, Ireland, Norway, Denmark, Prussia, Mexico, the Great Plains, St. Louis and New York. They share neither country nor culture in common—indeed none of them know the others exist—but the separate lives of these driven men and independent women from Europe and North America will be drawn to a common destiny that beckons seductively from the wild and remote flanks of the American West. Five thousand miles across the Atlantic from the villages and cities of Europe, and one thousand miles to the west of St. Louis, lies the lawless, untamed spine of the continent, the Rocky Mountains. Their energy draws this vanguard of generations into the dangerous currents of the far-distant frontier. Swept by the mysterious rivers of fate, the power of the land and America's promise, their journeys are turbulent quests intertwined with courage and cowardice, romance and adversity, passions and pathos, despair and triumph. Their destinies and those of their offspring will be dramatically altered by events and history they cannot foresee and others of uncommon cultures and differing origins they cannot imagine. The personal conflicts inherent to these brave, passion-filled characters are exacerbated by a nation in transition, the budding enmity between North and South, broken treaties with Native Americans and lives and generations woven on the loom of history, propelled by fate and freedom to form the tapestry that becomes the whole cloth of the nation. The touchstones of the past are the guideposts to the future. This, the first novel of this epic saga--the tale of America, set in the West—is the stirring story of many life threads of divergent cultures, and competing ambitions that entwine to become what the world knows as, Americans. In the following books of the saga, the heroic but conflicted men and women of *Threads West* continue their dangerous journeys, their layered personalities forged on the anvil of the land, their paths intersecting with the trails of others, melding the American mosaic, setting in motion the weave of the American fabric, and generational liaisons impossible to envision. Momentous change will continue, igniting further greed and compassion, courage and

treachery, rugged independence, torrid passions and fierce loyalties. The decades of the Maps of Fate era (1854-1875) novels of *Threads West*, *An American Saga* epic saga are the crucible of the souls of generations, the building of the heart of the nation, and the destiny of a people at a magical moment in the American history. You will enjoy our story—because it is your story.

Called by some the "Gone with the Wind of the West," and "the *Sacketts* on steroids." Applauded by others as "rings true and poignant, as authentic and moving as *Dances with Wolves*." In *Uncompahgre*, the time nears when the first of the next generation of *Threads West* characters will be born of the brave men and courageous women who have come so far and risked all. The men and women of the saga, having reached their initial destination, pre-Denver, Cherry Creek, are each faced with life-altering decisions. Some must decide to pursue or abandon torrid love affairs that have flowered on the dangerous journey from Europe and across America. Their lives shaken by events they could not foresee and convergence with souls they could never imagine, they begin to build a nation that's essence is in transition. They have neither country nor culture in common, but their dreams and survival demand a tension filled tapestry of life threads stitched by fate and history. The Oglala Sioux family struggles to cope with the inevitable change casting shadows upon their lands, culture and sacred traditions. The elderly slave couple, and the renegade and his young, traumatized captive—the black-hearted captor unknowingly catapulted by his tortured past into possible redemption—are bound ever more tightly to the arc of the story, their tragedy and triumph-fueled tales weaving into the fabric of a collective destiny. The Mormon family streams west in the Great Exodus escaping persecution and searching for Zion. Driven north by the Texas Rangers, an outlaw vaquero with royal, but bitter blood quests for a new sense of self and place. The touchstones of the past are the guideposts to the future. *Uncompahgre*—where water turns rock red, is the continuation of this tale of America, her people and the West—new lineages join the many threads of uncommon cultures, differing origins and competing ambitions that entwine into the American spirit. Land for Love and Money, Volume Two Reid Lance Rosenthal, 2014-05-13 The Land is Yours: Now What? In Volume One of Land for Love and Money, we talked about writing down what you want in your relationship with the land-what you need, what factors are absolute (you must have property attributes), what financial parameters are key to success, and finally, but no less important, connecting with the energy of the land. Whether you purchase a residential home on a 1/3-acre lot, or a spread of thousands of acres, key questions and issues will arise once you've signed the dotted line. Volume Two will demonstrate no holds barred truths in the same entertaining, anecdotal, hard-hitting and humorous style as Volume One of Land for Love and Money. Volume Two and its following Green for Green workbook, will examine additional tips on buyer and seller matters covered in Volume One, the ownership and improvement phase of the land cycle, along with marketing and value adding secrets and yet more news on the sordid state of affairs in government regulation, banking and finance. Volume Two, given the current economic environment, will delve into offensive and defensive strategies that work in a crunch-practical advice to guide new and existing owners through a myriad of common, unexpected and sometimes unpleasant situations. Foresight, knowing what to look out for ahead of time, is key to success. P P P P P Of money, management and moxie. How am I going to run this place? How can I generate income? Do I need a manager? If it ain't broke, why fix it? The when and how of making changes and the intricacies of stewardship. If it has testicles or tires, it's gonna cause trouble What if I want to fish in my neighbor's pond? The symbiosis of Cross Use Associations(c)--a unique recreational sharing concept and agreement developed by Reid. This damn dog is wagging my tail Or, what to do when the land starts running you. Why can't I just wait until tomorrow? Procrastination is not your friend. Build it and they will come. Creating sanctuary for water fowl, wildlife, and livestock. You mean there's a federal grant for that? Improving the land for everyone. I've lived here 5 years, and they still call it the Smith place. Rural, small town conflicts. Water wars - Whiskey is for drinking-water is for fighting. What are my rights? What do you mean, they own the mineral rights? Legal trespass and what to do about it. Natural disasters - have a plan. Your life and credit depend on it. The land grab of Eminent Domain-Oh, no you won't, Bubba Defense against the Dark Arts-when a landowner must circle the wagons.

Footsteps Richard Holmes,1985-01-01

Mocassin Tracks Reid Lance Rosenthal,2014-01-19 In the spring of 1855, America is on the cusp of her great westward expansion, reluctantly on the threshold of becoming a world power. St. Louis, gateway to the frontier, booms with an eight-fold population expansion from just a decade prior. Fifteen hundred miles to the west is the lawless, untamed spine of the continent, the Rocky Mountains. The power of their jagged peaks, rugged territories and vast resources beckon the souls of a few adventurous men and women, destined to love and struggle in the vibrant but unforgiving landscape of the West. America draws individuals and families from all corners of the earth with the promise of land, freedom, self-determination and economic opportunity. Immigrants exchange the lives they know for the hope and romance of a country embarked on the course of greatness. The revolt of Texas against Mexico, with the surreptitious aid of the United States, has resulted in vast new American terrain-unexplored western lands stretching from the Rio Grande to the Pacific, and north to the areas later to become the Kansas Territories and eventually, Colorado and Utah-magnetic draws for the restless and ambitious, and those in search of freedom and future. The brave, passion-filled characters of Maps of Fate set forth on a dangerous journey as they try to establish life in this unknown wilderness, swept unknowingly into the tumultuous vortex of momentous changes shaping the United States and the West between 1855 and 1875, the years ensconced in the Maps of Fate Era. Secret maps,

hidden ambitions, and magnetic attractions inherent in lives forged by the conflicting fires of love and loss, hope and sorrow, life and death, shape their futures and the destinies of their lineage. America is in transition, the lives of the characters have been shaken by events they cannot foresee. Spurred by a lust for gold, land, and the conquest of Mexican territory, a massive westward migration begins. Railroads and telegraphs will soon pierce this wild land. The first newspapers in the west roll off the presses in Leavenworth and Lawrence, Kansas, and Platte Valley, Nebraska. Opposing stands on slavery ignite deadly hatred throughout the Kansas Territories. The budding enmity between North and South flares into the winds of war, and the remote fringe of the frontier falls into virtual anarchy as most of the meager army troops assigned to protect this area withdraw to the East. On the front range of the Rockies, newly spawned Denver City - built on the banks of Cherry Creek - booms with the impact of gold discovered in the Pikes Peak area and the Ouray, San Juan and Uncompahgre mountain ranges. The Civil War erupts, and the fires of deadly tumult sweep west. Some of those manacled by the chains of slavery set their life sails to the winds of freedom. A Confederate Army mustered in Texas is repulsed by the Denver Militia. The broken treaties between the white man and Native Americans spread into bitter and contagious conflicts throughout the West. The resolution of the Indian Problem leaves families and hearts broken, forever staining the pages of American history. Momentous change continues, igniting further greed and compassion, courage and treachery, rugged independence, torrid passions and fierce loyalties. The discovery of gold in California and the meeting of the tracks of the Burlington Northern Railroad from the east and Union Pacific from the west in 1869, underpin the rise of the robber-barons, cattle empires and commerce, drawing hundreds of thousands to the Rockies and beyond. A tidal wave of hopeful souls follows on the trail of the strong men and women of Maps of Fate. Throngs of those displaced by the devastation of the Civil War add to the torrent of humanity flowing west. In the second, third, and fourth novels of the Maps of Fate Era: Uncompahgre, Moccasin Tracks, and The Footsteps), the first Thread's West generation born in the remote and sparsely settled west begins to m
