Become smart with your money with these 201 quotes from Robert Kiyosaki DOTCHAMOU ZAKARI, 2018-07-30 My parents believed in job security, company pensions, Social Security, and Medicare. These are all worn-out, obsolete ideas left over from an age gone by. Today job security is a joke, and the very idea of lifetime employment with a single company is an ideal so proudly championed by IBM in its heyday is as anachronistic as a manual typewriter. Robert Kiyosaki Many thought their 401(k) retirement plans were safe. Hey, they were backed by blue-chip stocks and mutual funds, what could go wrong? As it turned out, everything could go wrong. The reason these once-sacred cows no longer give any milk is that they are all

obsolete: pensions, job security, retirement security—It's all Industrial- Age thinking. We're in the Information Age now, and we need to use Information- Age thinking. Robert Kiyosaki

Summary of Garrett Sutton & Robert Kiyosaki's Loopholes of Real Estate Everest Media, 2022-04-05T22:59:00Z Please note: This is a companion version & not the original book. Sample Book Insights: #1 There are two types of real estate loopholes: those that can be opened and those that can be closed. From a tax standpoint, there are real estate loopholes to be opened. From the legal side, there are real estate loopholes to be closed. #2 Real estate offers great financial advantages to those who understand the system. It is easier to raise capital for real estate ventures than with other assets, such as stocks, bonds, and tax-deferred retirement funds. #3 There are three types of income: earned, passive, and portfolio. Earned is what you get after a long day of work. Passive is what comes to you from an investment such as real estate. Portfolio income is what comes from the dividends and increases in value of paper assets such as stocks, bonds, and mutual funds. #4 The point of this book is not to encourage you to invest only in real estate. The Rich Dad philosophy is to diversify and put your savings and earnings into three different areas: businesses, real estate, and paper assets.
