G. McConville and Mark J. Boda, J. Gordon McConville

THE BIBLICAL PROPHETS Stephen M. Collins, 2024-03-21 Prophets were not entities unto themselves. Their words and actions ultimately belong to the people they represent and are defined by the history, customs, religions, and culture of their time. Some were farmers, priests, or ranchers; some prophesied in Samaria, Jerusalem, Babylon, or Nineveh. Some were old and others young; some died for their prophecy; some went back to their former occupations. Some prophets wrote books while still others left legacies that were ultimately written by others. This book explores the history, customs, cultures, and religions of the biblical prophets. 2 3 2

Minor Prophets Unveiled CHARLES. RUSHING, 2024-06-29 The Minor Prophets, a group of twelve books in the Bible, are often overlooked by preachers, teachers, and readers. They are called minor because of the short lengths of the books, not their messages. These prophets include Hosea, Joel, Amos, Obadiah, Jonah, Micah, Nahum, Habakkuk, Zephaniah, Haggai, Zechariah, and Malachi, each delivering important messages that remain relevant today. While shorter in length compared to the Major Prophets, their words are powerful and carry significant spiritual and theological significance. Each Minor Prophet delivered unique messages to the people of Israel during specific times and situations. Some focused on calling the people to repentance and warning them of impending judgment. Others offered hope and encouragement for the future. Understanding the historical context and background encompassing each prophet is essential for appreciating the divine objectives and the challenges faced by the people of Israel at that time. The Minor Prophets played a crucial role in biblical prophecy by serving as mouthpieces for God's word. Their proclamations often challenged the status quo, both spiritual and political. They urged the people to return to a relationship with God, emphasizing social justice and righteous living. By comparing and contrasting the divine messages delivered by different prophets in different situations, we can understand the diverse ways in which God communicates His will for His people. Despite being written thousands of years ago, the messages of the Old Testament Minor Prophets still resonate today. Their themes of justice, mercy, faithfulness, and obedience provide valuable insights into how we can live out our faith in a world often filled with turmoil and uncertainty.

The Books of the Twelve Prophets Heinz-Josef Fabry,2018 English summary: This anthology contains the latest research into the Twelve Minor Prophets of the Old Testament. This research is the product of numerous research groups operating internationally and each pursuing detailed questions about the Twelve, such as how (or whether) the prophetic books make sense as a coherent group of texts, the structure of the books, and which motifs appear across the different texts. This volume presents the results of leading researchers and experts who pursue critical questions regarding the intertextual connections between the Minor Prophets, the Major Prophets, and the books of wisdom literature found in the Old Testament. Finally, the theological themes, social criticisms, views on the proper way of life, expectations about the messiah, and theodicy are all questions that are considered in these articles, as well as the reception of these themes in later literature, such as the Qumran texts, the New Testament, and rabbinical literature. The important, and even controversial, nature of the research on these themes reveals a striking debate about the power of God in the books of the Minor Prophets. German description: In diesem Band werden die neuesten Ergebnisse der Forschung am Zwölfprophetenbuch zusammengetragen. Weltweit existieren gegenwärtig mehrere Forschergruppen, die sich neben zahlreichen Detailfragen besonders damit beschäftigen, ob und wie das Zwölfprophetenbuch als Sammlung ehemals selbstständiger Einzelschriften entstanden, wie es strukturiert ist und welche Leitgedanken die diversen Redaktionsgänge bestimmt haben. Führende Forscherinnen und Forscher haben in diesem Buch ihre Ergebnisse vorgelegt. Rezente Forschungsansätze fragen nach intertextuellen Verknüpfungen der XII mit den Großen Propheten und der Weisheitsliteratur. Und schließlich sind ihre theologischen Thematiken der Sozialkritik, der gerechten und ökologisch verantworteten Lebensgestaltung, der Messiaserwartung und der Theodizee thematische Schwergewichte und ihre Rezeption in Qumran, im Neuen Testament und in der rabbinischen Literatur zeigt ihre Brisanz, die sich besonders in der aktuellen Debatte um die Gewalt Gottes in den Prophetentexten artikuliert.

Spotlight on the Minor Prophets: 12 Book Bundle James Paris,2013-09-10 This is the full 12 Bible Study guide books in the 'Spotlight On The Minor Prophets' series; Jonah, Obadiah, Joel, Micah, Amos, Hosea, Nahum, Zephaniah, Habakkuk, Haggai, Zechariah and Malachi. Taken from a Christian standpoint, this is an introduction to the Old Testament Prophets, known commonly as the 'Minor Prophets'. This title in no way implies that they are inferior in any way to the giants amongst the prophets such as Isaiah or Ezekiel; but rather the word 'minor' merely applies to the brevity of the writings of these Old Testament prophets. Bible Study Guide for Group or Individual use These are not intended to be in-depth bible studies as

such; but instead an introduction or summary of the Prophets, their times and influences both then and today. This short bible series on the Old Testament Prophets looked at from a New Testament Christian point of view, is intended for individual or group use, and I have found them useful for encouraging debate and conversation, on all the topics that affected the peoples at that time; and now affect ourselves in today's world. Studying the minor prophets reveals pearls of wisdom! Job states that As sure as sparks fly upwards, Man is born to trouble. The social and economic troubles that the ancients faced are the same ones as we face now. It has been said that if we do not learn from our mistakes, then we are doomed to repeat them. Perhaps it's time to listen to their problems and see what The Lord had to say through his spokesmen - whom we know as the 'Minor Prophets'. I for one fully believe that the guidance offered to these Old Testament characters, can for the most part be profitably applied by the New Testament Christian when looked upon in the light of the New Covenant that Christianity has to offer.

A New Apostolic Reformation? R. Douglass Geivett, Holly Pivec, 2018-07-25 This critique provides a framework for understanding and interpreting the widespread but little-known New Apostolic Reformation movement. As the authors state in the preface: We write this book with two major goals in mind. First, to give people an idea of the sheer size and reach of the NAR movement. And second, to systematize its key teachings and practices and evaluate them on the basis of Scripture and careful reasoning. . In our judgment, the NAR perspective crosses these boundaries [that is, certain broad parameters, revealed in Scripture and practiced in the historical orthodox church], and it does so in part because of flawed theology rooted in a flawed understanding of Scripture.
