

The Case Against The Case For Christ

John Young

The Case Against the Case for Christ Robert M. Price, 2010

The Case Against Christ John Young, David Wilkinson, 2006 John Young provides a defence of the Christian faith for atheists, agnostics, enquirers and Christians. It answers the questions - what keeps people in the Church and is Christianity worth investigating?

The Case Against Mormonism Robert C. Webb, 1915 A defense of Mormonism by a non-Mormon.

The Case for the Real Jesus Lee Strobel, 2014-01-20 Explores provocative questions about modern scholarship and conspiracy theories that debunk the traditional Christ, inviting readers to evaluate the arguments and evidence presented by Muslim scholars, liberal theologians, and atheists, and reach their own verdict.

Atheism And The Case Against Christ Matthew S. McCormick, 2012-09-25 Hundreds of millions of people believe that Jesus came back from the dead. This cogent, forcefully argued book presents a decidedly unpopular view —namely, that the central tenet of Christianity, the resurrection of Jesus, is false. The author asks a number of probing questions: Is the evidence about Jesus as it has been relayed to us over the centuries of sufficient quantity and quality to justify belief in the resurrection? How can we accept the resurrection but reject magic at the Salem witch trials? What light does contemporary research about human rationality from the fields of behavioral economics, empirical psychology, cognitive science, and philosophy shed on the resurrection and religious belief? Can we use contemporary research about the reliability of people's beliefs in the supernatural, miracles, and the paranormal to shed light on the origins of Christianity and other religions? Does it make sense that the all-powerful creator of the universe would employ miracles to achieve his ends? Can a Christian believe by faith alone and yet reasonably deny the supernatural claims of other religions? Do the arguments against Christianity support atheism? By carefully answering each of these questions, this book undermines Christianity and theism at their foundations; it gives us a powerful model for better critical reasoning; and it builds a compelling case for atheism. Without stooping to condescension or arrogance, the author offers persuasive arguments that are accessible, thoughtful, and new.

In Defense of Jesus Lee Strobel, 2016-09-06 An enlightening follow-up to the bestselling book *The Case for Christ*, *In Defense of Jesus* follows award-winning journalist Lee Strobel as he explores the most explosive arguments against the

identity of Christ as the Messiah. Has modern scholarship debunked the traditional Christ? Has the church suppressed the truth about Jesus to advance its own agenda? What if the real Jesus is far different from the atoning Savior worshiped through the centuries? In *In Defense of Jesus* explores such hot-button questions as: Did the church suppress ancient non-biblical documents that paint a more accurate picture of Jesus than the four Gospels? Did the church distort the truth about Jesus by tampering with early New Testament texts? Do new insights and explanations disprove the resurrection? Have fresh arguments disqualified Jesus from being the Messiah? Did Christianity steal its core ideas from earlier mythology? Evaluate the arguments and evidence being advanced by prominent atheists, liberal theologians, Muslim scholars, and others. Sift through expert testimony. Then reach your own verdict with *In Defense of Jesus*. This title is also available in Spanish, *En defensa de Jesús*.

Summary of The Case for Christ Abbey Beathan, 2019-06-10 *The Case for Christ: A Journalist's Personal Investigation of the Evidence for Jesus* (Case for ... Series) by Lee Strobel - Book Summary - Abbey Beathan (Disclaimer: This is NOT the original book.) Is there decisive evidence that Jesus was the son of God? Join Lee Strobel on the journey where he found faith. Utilizing his experience as a reporter, Lee Strobel interviews experts to find out all about Jesus Christ. An investigative quest taken by Strobel that will make him transition from atheist to believer. An impressive book about self-discovery and the history about Jesus of Nazareth. (Note: This summary is wholly written and published by Abbey Beathan. It is not affiliated with the original author in any way) Only in a world where faith is difficult can faith exist. - Lee Strobel In *The Case for Christ*, Strobel challenges his atheist beliefs by researching about the New Testament and its reliability, on top of that, you'll learn about the existence of evidence that lives outside of the Bible and finally, he tackles the big question, if there is any reason to believe that the resurrection of Jesus of Nazareth actually happened. The answers to these questions made Lee Strobel a believer so there is no doubt about how astonishing the content is. A fast-paced novel that shoots point-blank question at you. Get ready to be blown away by Strobel's quest to find answers about Jesus Christ. P.S. *The Case for Christ* is an outstanding book that teaches you many things you might not know about Jesus Christ.. P.P.S. It was Albert Einstein who famously said that once you stop learning, you start dying. It was Bill Gates who said that he would want the ability to read faster if he could only have one superpower in this world. The Case Against Christ John Young, 1986

The Case for Christ Lee Strobel, Garry Poole, 2008 Teacher? Revolutionary? Messiah? Son of God? Who is Jesus of Nazareth? In the award-winning book *The Case for Christ*, Lee Strobel uses his experience as a tough-minded reporter to investigate history's most controversial figure. Knowing that the credibility of any story hinges on solid facts, Strobel challenges scholars to back up their opinions with compelling evidence and cogent arguments in order to put the case for Christ to the test. *The Case for Christ* has now been adapted for individual and group study in the form of a six-session DVD curriculum complete with an interactive guide for participants and a separate leader's guide. This study, written by Strobel and Garry Poole, invites us to sift and analyze the fascinating historical evidence about Jesus. What participants discover can transform their relationship with Christ and equip them to help others along their spiritual journey. The six sessions include: 1. Looking for Evidence 2. Eyewitness Evidence 3. Corroborative Evidence 4. Fingerprint Evidence 5. Evidence for the Resurrection 6. Reaching your Verdict

The Case against Christ George G. R. Dekle Sr., 2011-07-12 Some two thousand years ago, in a small province of the Roman Empire, an obscure Roman governor ordered the execution of a peasant leader. It went virtually unnoticed at the time. No official report of the event has survived, and we would have no memory at all of it except for the efforts of a handful of followers of the condemned man. Those followers who kept that memory alive changed the course of history, and the results of their efforts continue to reverberate to this day. Conventional interpretation says that the execution of Jesus of Nazareth came on the heels of a series of illegal trials before a number of different tribunals, and at the culmination of that series of trials a moral coward by the name of Pontius Pilate ordered Jesus' execution despite being satisfied that he was innocent. Revisionist interpretation says that there was no trial at all, that Pilate simply executed Jesus because he was a nuisance, and that Jesus' followers invented the story of his execution as a means of shifting the blame from the Roman government to a group of people whom they despised - the Jews. Are the Gospels good history or bad propaganda? Does a fair reading of the Gospel accounts support either the conventional or the revisionist interpretation of the trial of Jesus? Who, if anyone, should shoulder the blame for the crucifixion of Jesus? *The Case against Christ* seeks to answer these questions by treating the matter as a forensic death investigation and answering the questions as they might be answered by a prosecutor attempting to determine who should be held criminally responsible for the death of Jesus.

Summary: the Case of Christ Abbey Beathan, 2018-07-16 *The Case for Christ: A Journalist's Personal Investigation of the Evidence for Jesus* (Case for ... The Case Against Christ John Young,1971-01-01

The Case Against Birth Control Edward Roberts Moore,1931

The Case for Christ Lee Strobel,2008-09-09 Is there credible evidence that Jesus of Nazareth really is the Son of God? Retracing his own spiritual journey from atheism to faith, Lee Strobel, former legal editor of the Chicago Tribune, cross-examines a dozen experts with doctorates from schools like Cambridge, Princeton, and Brandies who are recognized authorities in their fields. Strobel challenges them with questions like How reliable is the New Testament? Does evidence exist for Jesus outside the Bible? Is there any reason to believe the resurrection was an actual event? Strobel's tough, point-blank questions make this remarkable book read like a captivating, fast-paced novel. But it's not fiction. It's a riveting quest for the truth about history's most compelling figure. What will your verdict be in The Case for Christ?

The Case Against Christianity Michael Martin,1991 In this systematic philosophical critique of the major tenets of

Christianity, Michael Martin examines the semantic and epistemological bases of religious claims and beliefs. Beginning with a comparison and evaluation of the Apostles' Creed, the Niceno-Chalcedonian Creed, and the Athanasian Creed, Martin discusses the principal theological, historical, and eschatological assumptions of Christianity. These include the historicity of Jesus, the Incarnation, the Second Coming, the Virgin Birth, the Resurrection, Salvation through faith in Jesus, and Jesus as a model of ethical behavior. Until now, an adequately convincing criticism of Christianity did not exist. Martin's use of historical evidence, textual analysis, and interpretations by philosophers and theologians provides the strongest case made to date against the rational justification of Christian doctrines.

The Case for Christ Toby Baxendale, 2015-07-15 Toby Baxendale is a Christian writing here for those who, like himself, regard themselves as rational people when it comes to considering what they believe. In Book 1: Against Atheism: the Case for God, the rational case for God was introduced. If you accept its findings you may want to know more about God. Book 2: Against Atheism: the Case for Christ, is a historical and scriptural look at Christianity, an assessment of the evidence offered to the rational person for belief in Jesus Christ. By looking at some of the controversial aspects of Christianity that are said by some to undermine its credibility, the case for Jesus Christ is made robust in this book.

Challenging the Verdict Earl Doherty, 2001 In the face of modern critical scholarship, which is steadily eroding the historical reliability of the Gospels and their presentation of Jesus, conservative writers have been making valiant attempts to re-establish confidence in the Christian record and doctrine. The most prominent of these, in popular exposure and commercial success, has been Lee Strobel, in his 1998 book 'The Case for Christ'. In that book, Lee Strobel, an ex-court journalist, conducts a series of 14 interviews with well-known conservative and evangelical scholars of the New Testament, such as Craig Blomberg, William Lane Craig and Gary Habermas, in an attempt to establish the reliability of the Gospel account and the truth of the Resurrection. Within the context of a scholarly critique, Earl Doherty, author of 'The Jesus Puzzle' takes quotations from those interviews and sets up his own dialogue with them, as though cross-examining Strobel and his witnesses in a courtroom before judge and jury. This makes for gripping reading, a strong atmosphere and an effective way to present the case in favour of a more rational and coherent view of the Christian record and the origins of Christianity. This book exposes the deficiencies, the fallacies, the selective and misleading use of evidence inherent in 'The Case for Christ', and offers more reasonable alternatives.

The Case for Christ Lee Strobel, 2017-02-28 Is there credible evidence that Jesus of Nazareth is really the Son of God? This new edition includes scores of revisions and additions, including updated material on archaeological and manuscript discoveries.

The Case for Miracles Lee Strobel, 2018-03-27 New York Times bestselling author Lee Strobel trains his investigative sights on the hot-button question: is it really credible to believe God intervenes supernaturally in people's lives today? This

provocative book starts with an unlikely interview in which America's foremost skeptic builds a seemingly persuasive case against the miraculous. But then Strobel travels the country to quiz scholars to see whether they can offer solid answers to atheist objections. Along the way, he encounters astounding accounts of healings and other phenomena that simply cannot be explained away by naturalistic causes. The book features the results of exclusive new scientific polling that shows miracle accounts are much more common than people think. What's more, Strobel delves into the most controversial question of all: what about miracles that don't happen? If God can intervene in the world, why doesn't he do it more often to relieve suffering? Many American Christians are embarrassed by the supernatural, not wanting to look odd or extreme to their neighbors. Yet, *The Case for Miracles* shows not only that the miraculous is possible, but that God still does intervene in our world in awe-inspiring ways. Here's a unique book that examines all sides of this issue and comes away with a passionate defense for God's divine action in lives today. Also available: *The Case for Miracles* Spanish edition, kids' edition, and student edition.

The Case Against Christ John Young, 1978

The Case Against The Case For Christ Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical

documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading The Case Against The Case For Christ free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading The Case Against The Case For Christ free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms,

search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading The Case Against The Case For Christ free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading The Case Against The Case For Christ. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading The Case Against The Case For Christ any PDF files. With these platforms, the world of PDF downloads is just a click away.

Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook's credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What's the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. The Case Against The Case For Christ is one of the best books in our library for free trial. We provide a copy of The Case Against The Case For Christ in digital format, so the resources that you find are reliable. There are also many eBooks related to The Case Against The Case For Christ. Where to download The Case Against The Case For Christ online for free? Are you looking for The Case Against The Case For Christ PDF? This is definitely going to save you time and cash in something you should think about.
