**The Season of Secrets** Q B Tyler,2023-12-27 The boss is unashamedly into you. At least, that's what my friend says. It doesn't matter that Wes Beckham owns the company I work for or that he's twenty years older than me or that there's a strict no fraternization policy in place. She is convinced he wants me and that the office holiday party is the perfect place to let him know I'm interested. Because while he's technically my older, very off-limits boss, he's also gorgeous and charming and despite his grumpy nature, he seems to have a soft spot for me. So, I go for it. I take a risk for once and choose to be spontaneous and have one wild night with my boss. But one night turns into a full weekend and by the end, it's very obvious that he has zero intentions of letting me go. He wants me and I want him but how long can we keep our relationship a secret

Backyard Bird Secrets for Every Season Sally Roth,2009-01-01 Birds follow a cycle that depends on the seasons: When

caterpillars are at their peak in summer, bird nests are filled with hungry babies hollering for food; in winter, a high-fat menu at the feeder helps birds make it through the night. By taking advantage of these natural cycles to plan feeder offerings and garden beds, readers can turn their backyard into an irresistible haven for a colorful assortment of birds in all kinds of weather. Highlights of this captivating book include features such as: - comprehensive explanations of how seasonal changes like spring rains and winter winds affect bird habits and behaviors in the backyard - hints and tips for attracting birds by offering what they need in each season, such as crushed eggshells when mother birds need extra calcium for egg-laying - Snazziest Stars and Supporting Cast--which birds can be attracted in which seasons - Cheat Sheets for Migration--when to expect various migratory visitors - interesting insight into feeding routines, courtship and mating rituals, and nesting areas to create a hospitable habitat - Build or Buy--quick-and-easy birding projects As many as one in five Americans already consider themselves birders, and this spirited and fun guide will seduce many newcomers to bird watching's bountiful pleasures.

The Season Ronald Kessler,2010-12-28 Palm Beach is known around the world as the most wealthy, glamorous, opulent, decadent, self-indulgent, sinful spot on earth. With their beautiful 3.75 square-island constantly in the media glare, Palm Beachers protect their impossibly rich society from outside scrutiny with vigilant police, ubiquitous personal security staffs, and screens of tall hedges encircling every mansion. To this bizarre suspicious, exclusive world, New York Times bestselling author Ronald Kessler brought his charm, insight, and award-winning investigative skills, and came to know Palm Beach, its celebrated and powerful residents, and its exotic social rituals as no outside writer ever has. In this colorful, entertaining, and compulsively readable book. Kessler reveals the inside story of Palm Beach society as it moves languidly through the summer months, quickens in the fall, and shifts into frenetic high speed as the season begins in December, peaks in January and February, and continues into April. When unimaginable wealth combines with unlimited leisure time on an island barely three times the size of New York's Central Park, human foibles and desires, lust and greed, passion and avarice, become magnified and intensified. Like laboratory rats fed growth hormones, the 9,800 Palm Beach residents—87 percent of whom are millionaires—exhibit the most outlandish extremes of their breed. To tell the story, Kessler follows four Palm Beachers through the season. These four characters—the reigning queen of Palm Beach society, the night manager of Palm Beach's trendiest bar, a gay walker who escorts wealthy women to balls, and a thirty—six-year-old gorgeous blonde who says she can't find a guy in Palm Beach—know practically everyone on the island and tell what goes on behind the scenes. Interweaving the yarns of these unforgettable figures with the lifestyle, history, scandals, lore, and rituals of a unique island of excess, *The Season* creates a powerful, seamless, juicy narrative that no novelist could dream up.
