The Women's Khutbah Book Sa'diyya Shaikh, Fatima Seedat, 2022-01-01 A first-ever collection of contemporary Muslim women's khutbahs (sermons) drawing on their social, religious, and spiritual experiences and framed by original reflections on an emerging Muslim feminist ethics. Within the Muslim world, there is a dynamic and exciting social change afoot: a number of communities across the globe have embraced more gender-inclusive and representative ideas of religious authority. Within some spaces, women have taken on the role of preacher at the Jumu'ah (Friday) communal prayers. In other communities, women have been leading the prayers, officiating at marriage and funeral ceremonies, or participating on mosque boards or executive committees. These new developments signify a transformation in contemporary positions on gender and religious authority. This pioneering book makes an innovative contribution to Muslim feminist ethics. It is grounded in a collection of religious sermons (khutbahs) by contemporary Muslim women in a variety of new and emerging contexts, in South Africa, Senegal, Egypt, Malaysia, Pakistan, Indonesia, Canada, Mexico, the United States, Germany, Denmark, and the United Kingdom.

Guidelines For Raising Children , Islam places great emphasis on the child, right from infancy to the age of puberty. The reason for this is to prepare him to become a good member of the community. Children learn more by example than by words. Telling our children what to do and not showing them by a good example is a hypocritical act and drives children to confusion and away from us. It is for this reason we are presenting this booklet as a guideline for those parents who are concerned about their present and future offspring

Journey Through Ten Thousand Veils Maryam Kabeer Faye, 2009-01-01 A Journey Through Ten Thousand Veils is an in-depth account of the journey of the soul on the path of return to its Lord. Sheikha Maryam Kabeer was guided on her journey of profound transformation and illumination to meet and be guided by Awakened Spiritual Masters on the path of awakening, leading to the realization of the deep truth that all lives are interconnected by the Grace and in the Presence of the One Exalted Creator of them all. Born into a liberal Jewish family in Hollywood, she was guided to Berkeley, and then to Afghanistan, India, Nepal, and monasteries in Europe, ultimately to embrace Islam in Hebron (El Khalil), near Jerusalem. In following the example of Abraham (a.s.), Father of all the monotheistic religions, and while praying in the blessed Masjid al Aqsa, in which the spirits of all the Prophets (as) are assembled in eternal prayer and unity, in her spiritual practice, she was

guided to penetrate the myth that there must be conflict between the descendants of the great servant of God, who was sent by the Creator, as were all the Prophets (as) to guide humanity to His Path of Truth. This book is a significant and revealing social and spiritual commentary, which dispels, as well, many other myths and stereotypes, such as the proposition that women are oppressed in Islam. On the contrary, it is by entering into the heart of Islam, guided by the Divine Light transmitted through great Spiritual Masters, that she was liberated, elevated, and blessed to serve the Creator and His creation with ever deeper sincerity and illumined faith. Travel with her on her epic journey in order to gain the knowledge that may also set you free.

Inside the Gender Jihad Amina Wadud, 2013-10-01 A world-renowned professor of Islamic studies, Amina Wadud has long been at the forefront of what she calls the 'gender jihad,' the struggle for justice for women within the global Islamic community. In 2005, she made international headlines when she helped to promote new traditions by leading the Muslim Friday prayer in New York City, provoking a firestorm of media controversy and kindling charges of blasphemy among conservative Muslims worldwide. In this provocative book, *Inside the Gender Jihad*, Wadud brings a wealth of experience from the trenches of the jihad to make a passionate argument for gender inclusiveness in the Muslim world. Knitting together scrupulous scholarship with lessons drawn from her own experiences as a woman, she explores the array of issues facing Muslim women today, including social status, education, sexuality, and leadership. A major contribution to the debate on women and Islam, Amina Wadud's vision for changing the status of women within Islam is both revolutionary and urgent.

Interactions of the greatest leader 08-09-2015, ﷺ ﷺ ﷺ Granted his Prophet, Sallallahu 'Alayhi wa sallam, qualities of perfection and noble characteristics which distinguished him from all other human beings. Consequently, he, sallallaahu 'alayhi wa Sallam, combined all the possible virtuous human traits and was the best leading example in treating others with benevolence. He, sallallaahu 'Alayhi wa Sallam, was a sublime example in his interactions with people, old and

young, believers and disbelievers, the common people, and close Companions. He, sallallaahu 'Alayhi wa Sallam, would support the oppressed, aid the needy, persevere patiently despite the harm he faced from foolish people, face evil with goodness, meet people with a smiling and cheerful face, and was unfailingly generous and kind when dealing with people. As soon as his enemies discovered his extraordinary personality and his exceptional manners, they immediately responded to his call and believed in the message he was preaching. One such person who came to believe in him told him after accepting Islaam: I swear by Allaah O Muhammad! There was no one on the face of the earth who was more detested to me than you. However, now your religion (the religion you are conveying) is the dearest religion to me. There was no land more hated by me than your land, but now it is the dearest part of earth to me. In this book, you will come to know the Prophet, sallallaahu 'alayhi wa sallam, and how he dealt with different types of people, each according to their qualities and particular circumstances. You will know him as a husband, a father, a neighbor, a friend, as a buyer and a seller, a judge, and someone who gave jurisprudential verdicts. Allaah The Almighty sent the Prophet, Sallallahu 'Alayhi wa Sallam, as a slave and a Messenger and bestowed upon him the best manners and the most beautiful qualities. We have outlined some of the interpersonal interactions of the Prophet, sallallaahu 'alayhi wa sallam, in order to highlight how a person whose manners are in consonance with the teachings of the Qur'aan should be. By learning about his qualities and the way he, sallallaahu 'Alayhi wa Sallam, interacted with people, one would know how he dealt with people in their homes, in the market, and other places in all walks of life. How did this unlettered Prophet, sallallaahu 'Alayhi wa Sallam, treat people whether they were relatives or strangers, virtuous or sinners, noble or evil? What benefit can one derive by studying his qualities and manners, that reflect his nobility, generosity and perfect manners? This book answers all these questions and more, and paints a vivid picture of the Prophet, sallallaahu 'Alayhi wa Sallam, who was sent by his Lord to perfect good manners. ﷺ ﷺ ﷺ ﷺ ﷺ ﷺ
