

Bandiera Dei Quattro Mori

K Payea

Simboli della politica Francesco Benigno, Luca Scuccimarra, 2014-01-14T00:00:00+01:00 Il libro racconta la storia di simboli politicamente decisivi. Alcuni, come il fascio littorio, la falce e il martello, il guerriero di Pontida o la croce di Lorena, si legano ad esperienze collettive che hanno segnato il Novecento. Altri, come il biscione lombardo o i quattro mori sardi, hanno rappresentato per secoli l'espressione di un'identità regionale, mentre la donna turrata è stata figura di un insieme difficile da impersonare, l'Italia. Altri ancora, infine, come il berretto della libertà, hanno interpretato la resistenza alla tirannide e la difesa dei propri diritti. Tutti hanno assunto un significato che andava al di là di un più o meno casuale riferimento culturale. Sono stati oggetto di amore e di odio, di investimenti emotivi e di passioni intellettuali, di violenza cieca e di dedizione spinta fino al sacrificio. Come si spiega questo protagonismo dei simboli e quale senso ha ripercorrerne la storia? E qual è la ragione della loro capacità di mutare, di adattarsi a diversi contesti, di rimanere attivi entro nuovi quadri culturali? A queste domande il libro cerca di rispondere, ricostruendone passo per passo la storia e la mutevole ed agitata vita terrena, alla ricerca del segreto della loro forza e della funzione che hanno svolto, e che svolgono, nella vita politica.

Imperfette traduzioni Franciscu Sedda, 2012

Autonomia e libertà Ugo Cappellacci, 2022-07-19 Amare la propria terra tanto da onorare con sacro rispetto le proprie origini. Amare la propria terra tanto da guardare al futuro con speranza, fierezza, entusiasmo e il desiderio di migliorarla e renderla crocevia strategico del Mediterraneo, «piattaforma [...] di eccellenza per la sperimentazione, lo sviluppo e l'implementazione delle tecnologie». In queste pagine Ugo Cappellacci, presidente della Regione Sardegna dal 2009 al 2014, rivela con franchezza il suo modo di intendere e fare politica, alla luce dei risultati ottenuti e delle tante sfide che la sua terra e l'Italia intera devono ancora affrontare. Di cosa ha bisogno la Sardegna? Di avere ben chiari i suoi limiti e di poterli trasformare in un trampolino per lo sviluppo. L'insularità comporta isolamento e una serie di svantaggi (geografici, per la mobilità, economici, sanitari), ma ha preservato finora un patrimonio ambientale quasi intatto, non contaminato dalla modernità. La marginalizzazione dovuta a fattori geografici può e deve essere gestita assicurando continuità territoriale, vantaggi fiscali propri di una zona franca, la riqualificazione di quanto di prezioso c'è già (territorio, cultura, prodotti agroalimentari). Cappellacci insiste perché la strada che da presidente di Regione aveva iniziato a tracciare non venga abbandonata. La Sardegna deve battersi per vedere riconosciuta la sua insularità, la sua specialità («è proprio la specialità

l'arma giusta per vincere la sfida della globalizzazione»), e deve rivendicare la sua autonomia dallo Stato centrale (sulla scia del sardismo e del desiderio secolare di indipendenza). È questo il momento di agire con decisione e lungimiranza; con i fondi del Pnrr, la Sardegna deve compiere il grande salto e rendersi autonoma, «deve puntare sui suoi vantaggi competitivi non delocalizzabili», deve essere protagonista delle sue scelte: «L'autonomia che immagino è il contrario dell'antico scaricabarile ed è principalmente assunzione di responsabilità».

The Complete Guide to National Symbols and Emblems James Minahan,2009-12-23 These two volumes offer a collection of flags, seals, and symbols used every day around the world. This guide brings a concise and updated order to the national symbols of the independent nations of the world, as well as a representative sample of dependent territories attempting to obtain wider recognition. In addition to the national flag, each entry provides fundamental and cultural background information, including basic demographic data, the national anthem, flora and fauna, cuisine, national resources, sports teams, national heroes or personifications, and significant events that relate to establishment of the nation's identity. Volume Two includes an appendix of relevant international organizations and a selected bibliography, as well as a subject index that facilitates cross-reference access.
