Dave Barry

Dave Barry's Book of Bad Songs Dave Barry, 2000-03 How MacArthur Park goes, so I sang it, giving it my best shot, and Rob laughed so hard that when I got to the part about leaving the cake out in the rain, and it took so long to bake it, and I'll never have that recipe again, Rob was on the floor.

Dave Barry's Greatest Hits Dave Barry, 1997-04-28 When Dave Barry is on the loose, no one is safe! What Dave Barry did for the men's movement in his Complete Guide to Guys and for foreign relations when he did Japan he now does for . . . everything in America. The rapacious observer of Tupperware ladies and leisure concept salesmen sounds off on: Football—Football is more than just a game. It is a potential opportunity to see a live person lying on the ground with a bone sticking out of his leg, while the fans, to show their appreciation, perform "the wave." Sailing—There's nothing quite like getting out on the open sea, where you can forget about the hassles and worries of life on land, and concentrate on the hassles and worries of life on the sea, such as death by squid. Gambling—Off-Track Betting parlors are the kinds of places where you never see signs that say, "Thank You for Not Smoking." The best you can hope for is, "Thank You for Not Spitting Pieces of Your Cigar on My Neck." "The good news: he's funny as ever. The bad news: the book is only 304 pages."—Los Angeles Daily News

Dave Barry Slept Here Dave Barry, 1989 The author offers a humorous account of U.S. history without the dull parts.

Dave Barry Hits Below the Beltway Dave Barry, 2002-10-29 Just in time, Dave Barry supplies the wholly original, much needed history and guide to the new American politics and its three capitals, Washington, D.C., Austin, and South Florida. No surprise: it's hilarious. Understanding the urgent need for a deeply thoughtful balanced book to explain our national political process, Dave Barry has not even come close. Though he himself has covered many campaigns, run for President several times, and run for cover at the rainy inauguration of George W. Bush (the man will spare nothing for his art) Barry has instead outdone himself. Below the Beltway includes Barry's stirring account of how the United States was born, including his version of a properly rewritten Declaration (When in the course of human events it behooves us, the people, not to ask What can our country do for us, anyway? but rather whether we have anything to fear except fear itself...) and a revised Constitution (Section II: The House of Representatives shall be composed of people who own at least two dark suits and have not been indicted recently.). Dave also cracks the income tax code, explains the growth(s) of government, congressional

hearing difficulties, and the persistent rumors of the influence of capital in the Capitol. Among other civic contributions, his tour of Washington, D.C., should end school class trips forever.

Big Trouble Dave Barry, 2000 Describes the fictional lives of the troubled denizens of Coconut Grove, including a career-threatened ad man, an alcoholic embezzler dodging a couple of hit men, and their dysfunctional families.

Dave Barry Is from Mars and Venus Dave Barry, 1998-09-14 Pulitzer Prize-winning journalist, bestselling author, and Wheel of Fortune contestant Dave Barry exposes the shattering truth. Whether he's splashing with the U.S. synchronized swim team (Picture a bunch of elegant swans swimming with a flailing sea cow) or reliving the Pilgrims' first Thanksgiving (We've decided to obliterate your culture, but first may we try the stuffing?), Dave Barry proves that one man can make a difference--by having the guts to answer the questions few people bother to ask: , What makes people want to eat animals they would never consider petting? , Where do the World's Three Most Boring People meet? , Why is Colorado freezing so many human gonads? , And just how does Oprah have the power to turn a 1957 Hotpoint toaster manual into a #1 bestseller?

Dave Barry's Bad Habits Dave Barry, 1993-09-15 If you're not already acquainted--nay, infatuated--with the works of the man who the New York Times calls the funniest man in America, you can get cracking right now with this all-time favorite collection of Dave Barry's humor columns. Dave Barry's Bad Habits won't rot your teeth, cause your insurance premiums to go up, or make your kids go cross-eyed if they sit too close to it. It will, however, make you laugh so hard your middle actually moves (the best exercise, and possibly the only kind you'll be interested in after forty). Here, preserved for all time, are Barry's profoundest musings on such topics as how to get kids to stop smoking (eliminate tenth grade), what to do if your car is making loud noises (turn up the radio), and a solution to the battle of the sexes (let the men do housework, say, for the next six thousand years to even things up). Together they serve to expose the little insanities of everyday life and assure us that we're not completely alone in a world gone mad.

Dave Barry Dave Barry, 1996-02-01 Collects the humorist's views on the problems of everyday life from Dave Barry talks back, Dave Barry turns 40, and Dave Barry's greatest hits

Dave Barry's Complete Guide to Guys Dave Barry, 1995 In this wholly original book--except for one classic column on testosterone--Pulitzer Prize-winning journalist Dave Barry explains why the American guy is not to be confused with a husband, father, hunk, or intellectual, and provides tips for women who want to better understand the species.

Dave Barry Is Not Making This Up Dave Barry, 2010-07-07 NEW YORK TIMES BESTSELLER • You can't make this stuff up. Dave Barry wouldn't lie—and here are the real life, laugh-out-loud stories from across America to prove it. Get up-close with Dave as he examines UFO thrillseekers and Elvis-worshippers, plays lead guitar with a horrifying rock band that includes Stephen King, and swears to tell the truth, the whole truth, and nothing but the truth in stories like these: • a U.S. Supreme Court justice shares his remedy for preventing gas (I had not realized that this was a matter of concern in the

highest levels of government) • a newspaper headline in Ohio announces the combustibility of strawberry Pop-Tarts (A story that can really help you gain a better understanding of how you can be killed by breakfast snack food) • a frightening fact that snakes have mastered the pipelines leading directly to your toilet—and they're not shy (Many women might view this as a fair punishment for all the billions of times that guys have left the seat up). Barry is at his best. —The Baltimore Sun He zaps the funny bone. —The Cincinnati Post

I'll Mature When I'm Dead Dave Barry, 2010 In this brilliantly funny exploration of the treacherous state of adulthood by the Pulitzer Prize-winning humorist, Barry tackles everything from fatherhood to new fatherhood to songs.

Dave Barry's Homes and Other Black Holes Dave Barry, 2003 At long last, Dave Barry, the dean of everything, lets you in on the deepest, darkest mysteries of life and answers your hysterical home purchase questions like they've never been answered before: What's the best way to determine a realistic price range? Take your total family income, including coins that have fallen behind the bureau, and any projected future revenue you have been notified about via personalized letters from Mr. Ed McMahon stating that you may already have won 14 million dollars. Then, multiply by something other than six. Can you recommend a good mortgage? There are several kinds: Fixed Rate, Variable Rate, and the bank's secret weapons, the Party Hat Mortgage and the Mortgage of the Living Dead. How can I avoid spending money on do-it-yourself homeowner's projects? Find a contractor. Their silent motto is We Never Show Up. The Romans lived among the ruins. You must too. Is there a secret to having a beautiful lawn? Yes and no. If you fail to feed, fertilize, and water your lawn, it will die. However, if you feed, fertilize, and water your lawn, it will die.--This text refers to an out of print or unavailable edition of this title.

Dave Barry Turns Fifty Dave Barry, 1999-08-31 From the Pulitzer Prize-winning journalist comes a celebration of the aging process. Not just Dave's, but that of the whole Baby Boom Generation--those millions of us who set a standard for whining self-absorption that will never be equaled, and who gave birth to such stunning accomplishments as Saturday Night Live!, the New Age movement, and call waiting. Here Dave pinpoints the glaring signs that you've passed the half-century mark: - You are suddenly unable to read anything written in letters smaller than Marlon Brando. - You have accepted the fact that you can't possibly be hip. You don't even know if hip is the right word for hip anymore, and you don't care. - You remember nuclear-attack drills at school wherein you practiced protecting yourself by crouching under your desk, which was apparently made out of some kind of atomic-bomb-proof wood. - You can't name the secretary of defense, but you can still sing the Mister Clean song. So pop open a can of Geritol®, kick back in that recliner, grab those reading glasses, and let the good times roll--before they roll right over you!

Dave Barry is Not Taking this Sitting Down! Dave Barry, 2001-06 Pulitzer Prize-winning humorist Dave Barry is a pretty amiable guy. But lately, he's been getting a little worked up. What could make a mild-mannered man of words so hot under

the collar? Well, a lot of things-like bad public art, Internet millionaires, SUVs, Regis Philbin . . . and even bigger problems, like The slower-than-deceased-livestock left-lane drivers who apparently believe that the right lane is sacred and must never come in direct contact with tires The parent-misery quotient of last-minute school science fair projects Day trading and other careers that never require you to take off your bathrobe The plague of the low-flow toilets, which is so bad that even in Miami, where you can buy drugs just by opening your front door and yelling Hey! I want some crack, you can't even sell your first born to get a normal-flushing toilet Dave Barry is not taking any of this sitting down. He's going to stand up for the rights of all Americans against ridiculously named specialty -chino coffees and the IRS. Just as soon as he gets the darn toilet flushed. From the Trade Paperback edition.

Dave Barry in Cyberspace Dave Barry,1996 In Dave Barry in Cyberspace, you'll learn how to produce attractive, high-impact documents when you have absolutely nothing to say; visit the world's largest computer trade show - Nerdstock in the desert; use Internet shorthand; chat with total strangers who may be boring and stupid; and discover the world's largest collection of viola jokes - all this and more.

Dave Barry on Dads Dave Barry,2007-04-24 Dave Barry needs no introduction-after all, his Pulitzer Prize-winning and hysterical observations about daily life have been published in over 500 newspapers and 25 books. Now, he turns his attention to a species he knows intimately-dads. Dave famously recalls the moment he became a father: he chose to stand at the "head end" during the procedure because he assumed it would be more pleasant, but he quickly found that the "head end" was in a very bad mood and, unbelievably, seemed particularly annoyed at him! Now he's learned a few things about being a dad and all the manly wisdom is here for the taking. The lucky dad who gets this as a Father's Day gift won't have to pretend to like it.

Boogers Are My Beat Dave Barry,2004-09-28 The New York Times calls him "the funniest man in America," and his legions of fans agree, laughing and snorting as they put his books on bestseller lists nationwide. In *Boogers Are My Beat*, Dave gives us the real scoop on: • The scientific search for the world's funniest joke (you can bet it includes the word "weasel") • RV camping in the Wal-Mart parking lot • Outwitting "smart" kitchen appliances and service contracts • Elections in Florida ("You can't spell Florida without 'duh'") • The Olympics, where people from all over the world come together to accuse each other of cheating • The truth about the Dakotas, the Lone Ranger, and feng shui • The choice between death and taxes And much, much more—including some truths about journalism and serious thoughts about 9/11. Dave Barry won the Pulitzer Prize for commentary in 1988, and his columns are syndicated in more than 500 newspapers. His most recent books, *Dave Barry Is Not Taking This Sitting Down* and the novels *Big Trouble* and *Tricky Business*, were national bestsellers. He lives in Miami, Floriduh.
