

Caballo De Troya 9 Cana

J. J. Benítez

Caná. Caballo de Troya 9 J. J. Benítez,2012-02-02 Al leer Caballo de Troya 9. Caná, el lector llega a una conclusión: todo lo contado sobre Jesús de Nazaret conviene ponerlo en duda. La verdad, probablemente, fue más intensa e inquietante. Si el lector lee la primera línea de Caná no será por casualidad. Y atención: sus principios se tambalearán.

Caballo de Troya 9. Caná (MM) Juan José Benítez,2014-06-10 Al leer Cana. Caballo de Troya 9, el lector llega a una conclusion: todo lo contado sobre Jesus de Nazaret conviene ponerlo en duda. La verdad, probablemente, fue mas intensa e inquietante. Si usted acierta a leer la primera linea de Cana no sera por casualidad. Y atencion: sus principios se tambalearan.--Provided by publisher.

The Political Economy of North American Free Trade Ricardo Grinspun,Maxwell A. Cameron,1993-06-18 Analyzes the economic, social, political and environmental implications of NAFTA from a range of critical perspectives. The chapters, unified by a sceptical view of the management of economic integration in North America cover the economic strategy of Mexico, Canada-US trade agreement and more.

Pactos y señales J. J. Benítez,2015-02-24 Pactos y señales prosigue la titánica senda investigadora que J. J. Benítez emprendió hace más de cuatro décadas: probar la existencia del más allá. A partir de los pactos establecidos en vida entre dos personas, y la muestra explícita en forma de señales que nos llegan a través del universo, y que uno de los dos, ya en el más allá, manifiesta al otro como prueba irrefutable de que hay vida después de la muerte. Cada capítulo está dedicado a exponer un caso que, como es habitual en las obras de J. J. Benítez, se basa en sorprendentes testimonios. Más de doscientas pruebas de personas que han recibido y sabido interpretar estas señales y que nos enseñan a reconocerlas para dar sentido a nuestras vidas. Así, veremos que las señales son muy diversas tanto como su significado, y que cada persona alberga el poder para interpretarlas de manera correcta. Estos mensajes nos alertan de peligros o nos encaminan hacia una dirección correcta. En definitiva, un libro que nos ofrece las claves para interpretar los mensajes que nos llegan constantemente y que nos indican cómo seguir en la senda de la felicidad y la plenitud. La última novedad de J. J. Benítez es el resultado de su compromiso personal con los lectores, de ahí que el propio autor haya querido mostrar sus experiencias más personales con el más allá, detallando sus propios pactos y señales establecidos con diferentes personas.

Unveiling the Sacred in 20th- and 21st-Century Latin American Literature Alexander Torres,Pablo Baisotti,2025-10-23

Drawing on diverse scholarly and theoretical perspectives, this collection delves into the interplay between modernity and sacred traditions in contemporary Latin America as represented in its literature. It references important historical contexts, from the encounter of the Old and New Worlds to cultural mestizaje, highlighting the resilience of sacred discourse and experience amid a disenchanting capitalist modernity. Featuring analyses of diverse 20th- and 21st-century literary works, this book offers deep insights into how the sacred persists multifariously in Latin American literature. This work invites readers to rediscover the sacred as a vital component of human existence and literary discourse. It is an essential resource for understanding the complex relationship between modernity and the phenomenon of the sacred in Latin America.

Information Systems Management Rohit Raja,Hiral Raja,2023-10-18 This book is intended for the technical reader who works with large volumes of data. Written by experts in information systems management, the book includes chapters on software development, cloud implementation, networking, and handling large datasets, among other topics. Blockchain and artificial intelligence (AI) are the foundations of automated systems and the authors provide their viewpoints on information management by using these fundamental domains of information technology.

Mexican Literature as World Literature Ignacio M. Sánchez Prado,2021-09-09 Honorable Mention from the 2022 International Latino Book Awards for Best Nonfiction - Multi-Author Chapter 15 by Carolyn Fornoff is Winner of the 2022 Best Article in the Humanities Award, Latin American Studies Association, Mexico Mexican Literature as World Literature is a landmark collection that, for the first time, studies the major interventions of Mexican literature of all genres in world literary circuits from the 16th century forward. This collection features a range of essays in dialogue with major theorists and critics of the concept of world literature. Authors show how the arrival of Spanish conquerors and priests, the work of enlightenment naturalists, the rise of Mexican academies, the culture of the Mexican Revolution, and Mexican neoliberalism have played major roles in the formation of world literary structures. The book features major scholars in Mexican literary studies engaging in the ways in which modernism, counterculture, and extinction have been essential to Mexico's world literary pursuit, as well as studies of the work of some of Mexico's most important authors: Sor Juana, Carlos Fuentes, Octavio Paz, and Juan Rulfo, among others. These essays expand and enrich the understanding of Mexican literature as world literature, showing the many significant ways in which Mexico has been a center for world literary circuits.

The Latin American Left Barry Carr, Steve Ellner, 1993 In eight country studies, contributors examine the lessons drawn from the failure of guerilla strategies in the 1960s, the challenge to the traditional Left posed by the emergence of new social movements, and the new emphasis on democratic reforms over socioeconomic change.
