Hero Maker Dave Ferguson, Warren Bird, 2018-03-13 In Hero Maker, you will learn how to bring real change to your church and community by developing the practical skills to help others reach their leadership potential. Drawing on five powerful practices found in the ministry of Jesus, Hero Maker presents the key steps of apprenticeship that will build up other leaders and provide strategies for how you can: activate the gifts of those around you help others take ownership of their mission develop a simple scorecard for measuring your kingdom-building progress With rich insights from the Gospels, Hero Maker is packed with real-life ministry stories ranging from paid staff to volunteer leaders--from established churches to new church plants. Whether you lead ten people or ten thousand, Hero Maker will not only help you maximize your leadership impact; but, in doing so, you will also help shift today's church culture to a model of reproduction and multiplication. Chicago pastor and church planter Dave Ferguson and award-winning writer Warren Bird make a compelling case that God's power and purpose are best revealed when we train and release others to further advance the Kingdom of God. By becoming a hero maker and investing in others, you can join a movement of influencers that are impacting thousands of people around the world. Everybody wants to be a hero, but few understand the power of being a hero maker.

Eldership at the Lord's Table Lara Blackwood Pickrel, 2009-07-01 Eldership at the Lord's Table was written to meet the needs of Christian Church (Disciples of Christ) elders in the 21st century. Elders in particular congregations may minister in a variety of ways, but the one common ministry setting for elders throughout the denomination is weekly ministry at the Lord's Table. This resource is designed to give elders the instruction and assistance they need for their Table Ministry without expecting them to read a lengthy volume on history and theology. It provides the reader with a concise history of Table eldership with the Christian Church (Disciples of Christ), a brief treatment of common Disciples' theology of the Lord's Supper, helpful hints on how to craft meaningful and brief communion prayers for both bread and cup, examples of communion prayers, and annotated lists of resources that can be consulted by elders if they would like to study further or seek assistance in other areas.

The Deliberate Church Mark Dever, Paul Alexander, 2005-09-09 Dever and Alexander propose a model of complete reliance and submission to the Gospel when building a healthy church. Great resource for pastors, elders, and others interested in the vitality of their church.

Young, Restless, Reformed Collin Hansen, 2008-03-17 From places like John Piper's den, Al Mohler's office, and Jonathan Edwards's college, Christianity Today journalist Collin Hansen investigates what makes today's young Calvinists tick. Church-growth strategies and charismatic worship have fueled the bulk of evangelical growth in America for decades. While baby boomers have flocked to churches that did not look or sound like church, it seems these churches do not so broadly capture the passions of today's twenty-something evangelicals. In fact, a desire for transcendence and tradition among young evangelicals has contributed to a Reformed resurgence. For nearly two years, Christianity Today journalist Collin Hansen visited the chief schools, churches, and conferences of this growing movement. He sought to describe its members and ask its leading pastors and theologians about the causes and implications of the Calvinist resurgence. The result, *Young, Restless, Reformed*, shows common threads in their diverse testimonies and suggests what tomorrow's church might look like when these young evangelicals become pastors or professors.

Field Guide to the Wild World of Religion Pamela Dewey, 2013-02 The American religious scene in 1955 was a very tame and predictable world. It matched the tame, predictable world of women's clothing, where most women going out shopping wore a dress with coordinating gloves, hat, and shoes. And it matched the tame, predictable world of children's toys, where almost every young girl yearned for a baby doll that said Ma-Ma, and almost every boy needed a coonskin cap. Choices of fashions, toys, preachers, and churches were limited and domesticated. Fifty years later, the tame, predictable world of 1950s fashions and toys is long gone. Women go shopping in everything from sweatshirts and jeans to tube tops and short shorts. And both boys and girls want the latest Sponge Bob Square Pants video game. The same kind of transformation has gone on in the world of religion. It is no longer tame and predictable either. Welcome to the Wild World of Religion of the 21st Century. Explore its habitats, identify some of the inhabitants, and learn about their characteristics and customs in this Field Guide.

The Cape Town Commitment: A Confession of Faith, A Call to Action Darrell L. Bock, 2013-06-14 The Cape Town Commitment, which arose from The Third Lausanne Congress on World Evangelization (Cape Town, 2010), stands in the historic line of The Lausanne Covenant (1974) and The Manila Manifesto (1989). It has been translated into twenty-five languages and has commanded wide acceptance around the world. The Commitment is set in two parts. Part 1 is a Confession of Faith, crafted in the language of covenantal love. Part 2 is a Call to Action. The local church, mission agencies, special-interest groups, and Christians in the professions are all urged to find their place in its outworking. This annotated bibliography of The Cape Town Commitment, arranged by topic, has been compiled by specialists in a range of fields. As such, it is the first bibliography of its kind. Arranged in sections for graduate-level teaching Equally useful for research students

Be Not Afraid! Frederic M. Roberts,2005-03-01 In this in-depth study of eight diverse mainline Protestant congregations, anthropologist Fredric Roberts finds that when local congregations are evaluated by spiritual and religious standards instead of corporate- or pop-culture-based values there remains much to celebrate. Roberts recommends that congregations work to discover their own uniqueness and to build upon the strength that already exist among its own members. Be Not Afraid! is a guide to help congregations rediscover their true calling to be nurturing faith communities, committed to spreading the good news and making disciples.
