The Reincarnation of Edgar Cayce? Wynn Free, David Wilcock, 2010-06-15 Discover the legacy of the most famous psychic of the 20th-century in this stirring exploration of psychic abilities, reincarnation, and other paranormal phenomena. There are remarkable parallels between the work of David Wilcock and Edgar Cayce—the legendary clairvoyant, ‘sleeping prophet’, and ‘father of holistic medicine’. Here, author Wynn Free explores these parallels, building a convincing case that the two men shared the same source of prophetic information—and that Wilcock might indeed be Cayce’s reincarnation. Compiling some of Wilcock’s most inspirational and life-transforming prophetic guidance from his channeled Source, this book conveys profound insights into topics such as earth changes, secret cabals, soul evolution, death and reincarnation, ascension, crop circles, and the theory of evolution. Explaining how energetic increases occurring in the Sun and planets can have scientifically-measurable, far-reaching effects in a number of realms, *The Reincarnation of Edgar Cayce* presents new evidence that this energy can transform DNA, potentially making ESP, telekinesis, levitation, and other paranormal activities as common as breathing and usher in the Golden Age promised by every major spiritual tradition in human history. Readers will come away with a deeper understanding not only of the life and work of both Wilcock and Cayce, but with a broader sense of the many forces—seen and unseen—at work in the universe today.

Souls of Distortion Awakening J. Wicherink, 2006-02-17 This book reunites science and spirituality after her roads separated 300 years ago. More and more scientists are discovering that both disciplines are only two sides of the same coin. We are on the verge of a major paradigm change in science where the immaterial subjective world of the mind can no longer be separated from the objective material world. This leap in human consciousness was already foreseen by the ancients and American indigenous people like the Maya, Hopi and Aztecs who prophesized that this transformation of consciousness would take place in our time. This book takes you on a journey from the ancient wisdom to the most modern scientific insights and demonstrates how both can be united.

Dreamtimes and Thoughtforms Richard Grossinger, 2022-06-07 • Examines animal intelligences within a greater evolutionary context, detailing in particular the remarkable intelligence of crows and octopuses • Looks at the Australian

Aborigine Dreamtime as an attempt to understand the combined geological and geomantic landscape • Investigates a range of ideas as they relate to the intersections of consciousness and reality, including reincarnation, past-life memories, ghosts, and UFOs From the origins of the cosmos to the microbiome, COVID-19 pandemic, UFOs, and the shapeshifting of octopuses and language of crows, Richard Grossinger traverses the mysteries and enigmas that define our universe and personal reality. Beginning his narrative with the Big Bang, origin of the Milky Way, and birth of our solar system, Grossinger offers a chronology of Earth's geological, climatological, biological, and sociological evolution, leading to the current environmental and psychospiritual crisis. He explores the origin of cell life, RNA-DNA, and larger biomes, detailing in particular the remarkable intelligence of crows and octopuses. He uses the Australian Aborigine Dreamtime to understand landscapes as thoughtforms. He then offers reimaginings, from the perspective of "dreamings," of a wide variety of animals, including tardigrades, llamas, sea turtles, pigeons, bees, and coyotes. Examining the scientific dilemmas and paradoxes of consciousness, time, and quantum entanglement, Grossinger carries these into the range of issues around reincarnation, past-life memories, messages from the afterlife, and ghosts. Sharing exercises from his personal practice, Grossinger makes a distinction between the Buddhist description of reality and how Buddhist practitioners create an operating manual for the universe and an assured path of salvation. The author then examines UFOs and their connections to elementals, fairies, and cryptids in terms of psychoids, Jung's term for transconscious processes that enter our world as autonomous entities. Taking the reader on a journey through the seen and unseen universe, from the Big Bang to the imaginal landscape of Dreamtime, Grossinger shows that matter is infused with spirit from its very beginning.

UFOs, Conspiracy Theories and the New Age David G. Robertson, 2016-02-25 How-and why- were UFOs so prevalent in both conspiracy theories and the New Age milieu in the post-Cold War period? In this ground-breaking book, David G. Robertson argues that UFOs symbolized an uncertainty about the boundaries between scientific knowledge and other ways of validating knowledge, and thus became part of a shared vocabulary. Through historical and ethnographic case studies of three prominent figures-novelist and abductee Whitley Strieber; environmentalist and reptilian proponent David Icke; and David Wilcock, alleged reincarnation of Edgar Cayce-the investigation reveals that millennial conspiracism offers an explanation as to why the prophesied New Age failed to arrive-it was prevented from arriving by malevolent, hidden others. Yet millennial conspiracism constructs a counter-elite, a gnostic third party defined by their special knowledge. An overview of the development of UFO subcultures from the perspective of religious studies, UFOs, Conspiracy Theories and the New Age is an innovative application of discourse analysis to the study of present day alternative religion.

The Synchronicity Key David Wilcock, 2014-07-29 Unlock the key to a universal life-force in this astonishing book from the New York Times bestselling author of The Source Field Investigations and Awakening in the Dream. The Source Field

Investigations was a New York Times, Wall Street Journal, and USA Today bestseller that uncovered hidden science and lost prophecies to illuminate an entirely new understanding of our world today. Now, in *The Synchronicity Key*, David Wilcock embarks on an astonishing investigation into what lies beyond—finding proof that everything in our lives is not only connected, but it also influences everything else. Using history, astrology, and synchronicity theory among other concepts, Wilcock shows that there is hidden architecture within time, guiding individuals and nations through a system of enlightenment Joseph Campbell called the Hero's Journey. Historical events occur in shockingly precise, repeating cycles of time as a result. Once we understand and identify the hidden laws of this seemingly random “synchronicity,” we are left with a remarkable blueprint of how best to lead our lives in this uncertain and confusing world.

La réincarnation d'Edgar Cayce Wynn Free, David Wilcock, 2013-05-16T00:00:00-04:00 Edgar Cayce (1877-1945), le « prophète endormi » est largement considéré comme le médium le plus documenté et le plus précis en Occident. Parlant lorsqu'il était en transe, Cayce a donné une voix aux royaumes de la vie après la mort. David Wilcock, intuitif et chercheur populaire contemporain, a cru depuis 1998 qu'il est la réincarnation d'Edgar Cayce, mais il refusait de permettre la publication d'un ouvrage sur ce sujet... jusqu'à maintenant. L'auteur Wynn Free révèle le cas étonnant qui l'a conduit d'un scepticisme initial à la conviction de l'authenticité de cette prétention. La réincarnation d'Edgar Cayce? expose en détail le lien intrigant entre Cayce et Wilcock et les présente comme ayant tous les deux la même source d'information prophétique. À travers les paroles transformatrices de vie du Moi supérieur de Wilcock — faisant partie de l'Âme de groupe connue comme «Ra» —, les lecteurs peuvent apprendre comment les maintenant évidents «changements terrestres» sont des augmentations d'énergie qui se produisent aussi sur le Soleil et sur toutes les autres planètes et que ces modifications sont scientifiquement mesurables. Une nouvelle preuve à couper le souffle indique comment cette énergie peut transformer l'ADN, rendant possiblement la perception extra-sensorielle, la télékinésie, la lévitation et autres activités paranormales aussi communes que la respiration — et ouvrant la porte à l'«Âge d'or» promis par chaque tradition spirituelle importante de l'histoire des hommes.

The Ascension Mysteries David Wilcock, 2016 Wilcock describes the secret cosmic battle between positive and negative happening every day, hidden in both the traumas of our own lives and the world's headlines. Through his contact with a positive higher intelligence behind the UFO phenomenon, groundbreaking scientific information, and data from high-ranking government whistle-blowers, he is able to reveal that the earth is now on the front lines of a battle that has been raging between positive and negative extraterrestrials for hundreds of thousands of years. Earth is on the verge of a massive cosmic event that will transform matter, energy, consciousness, and biological life as we now know it and will utterly defeat the great villains of our time.

The Source Field Investigations David Wilcock, 2012-07-31 Prepare yourself for a revealing tour through the most incredible scientific mysteries of the world with your guide David Wilcock, the New York Times bestselling author of *Awakening in the Dream*. More than two million people have seen David Wilcock's incredible tour of the 2012 prophecies in his Internet documentary, *The 2012 Enigma*. Now, he expands his vision with a cutting-edge investigation into alternative sciences with deep insights into what is coming in our immediate future. A stunning synthesis of hidden science and lost prophecies, *The Source Field Investigations* exposes DNA transformation, wormholes, ancient conspiracies, the Maya calendar, and a new model of galactic energy fields triggering mental, biological, and spiritual evolution. Unlike the apocalyptic viewpoints depicted in big-budget disaster films, Wilcock believes that 2012 will be a watermark for widespread acceptance of a greater reality—and here, he lays out the blueprints for such a Golden Age.

With Love from Diana, Queen of Hearts Marcia McMahon, 2005

The Hidden Science of Lost Civilisations David Wilcock, 2012-04-01 *The Hidden Science of Lost Civilisations* is a guided tour through the most incredible scientific mysteries in the modern world, and a rediscovery of an ancient system of physics and spirituality that has since crumbled almost entirely into ruin. David Wilcock's extensive knowledge of contemporary science has led him to rewrite the Mayan myth; 2012 will not be the end of the world, but will be the start of mankind's golden period. A hidden intelligence, a living energy field that the universe is built from, which David Wilcock calls the Source Field, guides mankind's destiny. David Wilcock has studied this intelligence for over thirty years and has come to understand that the Source Field is the key to unlocking the mysteries mankind have always struggled to answer: who are we, how did we get here and where are we going? Drawing upon alternative science, as well as cutting-edge quantum physics and consciousness research, Wilcock connects the scientific with lost traditions of ancient wisdom to predict what lies in mankind's future.

My Life with Edgar Cayce David E. Kahn, Will Oursler, 1970 A story of the author's friendship with Edgar Cayce, noted prophet and psychic.

Edgar Cayce's ESP Kevin J. Todeschi, 2008-08-14 One of the most remarkable stories of the twentieth century about one of the most incredible men who ever lived: Edgar Cayce, a Kentucky farm boy whose psychic powers healed thousands, touched countless lives, and inspired the dawn of the New Age. For more than forty years, Edgar Cayce (1877-1945), the 'sleeping prophet,' regularly exhibited an astonishing psychic ability. From an altered state, he was able to read minds and souls, diagnose thousands of illnesses, successfully prescribe remedies, see into the past and the future, and tap into a source of universal knowledge where such information resides--a source Cayce said is available to us all. For anyone who has heard of Edgar Cayce--and his name is familiar to millions--here is a concise, reliable, immensely readable introduction to his life, work, and message. In *Edgar Cayce's ESP*, his story is told by writer Kevin Todeschi, an authority on Cayce's work and the director of the popular educational organization Cayce founded, the Association for Research and Enlightenment. Drawing upon more than 14,000 case histories and readings, Todeschi presents a wealth of proof of Cayce's psychic abilities and the effects they had on the lives of his contemporaries. Todeschi focuses especially on the character of the modest, generous Cayce himself, a man who started out in life as a sensitive, Bible-reading Kentucky farm boy and who grew up to become an unlikely prophet of the New Age and the most famous psychic in American history.
