

In Her Shoes Novel

D Siedentop

In Her Shoes Jennifer Weiner, 2008-09-04 Rose Feller is thirty years old, a high-powered attorney, with a secret passion for romance novels, an exercise regime she's going to start next week, and dreams of a man who will slide off her glasses, gaze into her eyes, and tell her that she's beautiful. Meet Rose's sister Maggie. Twenty-eight years old, drop-dead gorgeous and only occasionally employed, Maggie is a backing singer in a band called Whiskered Biscuit. She dreams of fame and fortune -- and of getting her dowdy big sister to stick to a skin-care regime. These two women with nothing in common but a childhood tragedy, shared DNA, and the same size feet, are about to learn that their family is more different than they ever imagined, and that they're more alike than they'd ever believe. The brilliant new novel by Jennifer Weiner, *Who Do You Love*, will be released in August 2015.

In Her Shoes Jennifer Weiner, 2004-12-01 This hilarious New York Times bestseller is now the basis for a major motion picture from 20th Century Fox, directed by Curtis Hanson (*L.A. Confidential*) and starring Cameron Diaz, Toni Collette, and Shirley MacClaine, scheduled for release in 2005.

In Her Shoes Jennifer Weiner, 2004 Rivals. Sisters. Maggie, the consummate party girl, clashes with her head-on-straight sister, Rose.

In Her Shoes Jennifer. In her shoes Weiner, 2005 Free-wheeling irresponsible Maggie gets through her life thanks to her remarkable looks and her complete lack of scruples. She constantly goes to her straight-laced, plain-Jane successful lawyer sister Rose when she is in need of financial help. The two sisters have been very close to each other in part because their troubled mother died when they were girls. Maggie discovers hidden letters that reveal she and Rose have a grandmother, but Maggie ends up betraying Rose's trust. Maggie sets off for Florida to find the grandmother. A failed workplace romance forces Rose to rethink her career, a career that has been the center of her life. As Rose tentatively begins a new relationship and Maggie gets to know her grandmother, the two learn a dark family secret that helps smooth the path toward reconciliation.

In Her Shoes Jennifer Weiner, 2003 Meet Rose Feller, a thirty-year-old high-powered attorney with a secret passion for romance novels. She has an exercise regime she's going to start next week, and she dreams of a man who will slide off her glasses, gaze into her eyes, and tell her she's beautiful. She also dreams of getting her fantastically screwed-up, semi-

employed little sister to straighten up and fly right. Meet Rose's sister, Maggie. Twenty-eight years old and drop-dead gorgeous. Although her big-screen stardom hasn't progressed past her left hip's appearance in a Will Smith video, Maggie dreams of fame and fortune -- and of getting her big sister on a skin-care regimen. These two women, who claim to have nothing in common but a childhood tragedy, DNA, and the same size feet, are about to learn that they're more alike than they'd ever imagined. Along the way, they'll encounter a diverse cast of characters -- from a stepmother who's into recreational Botox to a disdainful pug with no name. They'll borrow shoes and clothes and boyfriends, and eventually make peace with their most intimate enemies -- each other.--

Bread Upon the Waters. A Novel Marie J. Hyde,1876

Feet and Footwear Margo DeMello,2009-09-10 Take a walk in someone else's shoes in this fascinating examination of shoes and feet around the world! This one-of-a-kind A-Z reference work contains over 150 fascinating entries and intriguing sidebars that look at feet and adornment of feet across the many cultures of the world throughout time. A wide range of international and multicultural topics are covered, including foot binding, fetishes, diseases of the foot, customs and beliefs related to the foot, shoe construction, myths and folktales featuring feet or shoes, the history of footwear, iconic brands and types of shoes, important celebrities associated with shoes, and the types of footwear worn around the world. This exhaustive compilation is ideal for students and general readers interested in the human body, fashion, and medicine, and even scholars looking for more in-depth coverage on the social and cultural uses of the body will find it as a useful starting point in their research. Cross-references, suggestions for further reading, and a full bibliography of print and electronic resources are valuable tools for all readers. Students can use this reference work to draw cross-cultural comparisons, as well as study the evolution of footwear in terms of social, religious, and ethnic parameters. Aside from iconic American brands and types of shoes, this volume will also look at how feet are treated and viewed around the globe: removing shoes upon entering a house, washing feet for religious purposes, giving feet the spa treatment, and covering feet up for social customs. Perfect for undergraduate and high school students studying anthropology and world culture.

The Ridley Scott Encyclopedia Laurence Raw,2009-09-28 From his first feature film, *The Duellists*, to his international successes *Alien*, *Blade Runner*, *Thelma and Louise*, *Black Hawk Down*, *Gladiator*, and *American Gangster*, Ridley Scott has directed some of the most compelling films of the last 30 years. Apart from his work as a film director, Scott has engaged in a

vast range of activities, including that as a designer, producer, film mogul, and advertising executive. The Ridley Scott Encyclopedia is the first book that focuses on all aspects of his work in a wide-ranging career that spans nearly 50 years. The entries in this encyclopedia focus on all aspects of his work and are divided into four categories. The first focuses on Ridley Scott's work as a director, encompassing his feature films from *The Duellists* to *Body of Lies*, as well as his work in television, including commercials. The second category focuses on the people who have been involved in Scott's projects, including actors, directors, producers, designers, writers and other creative personnel. The third focuses on general thematic issues raised in Scott's work, such as gender construction, political issues, and geographical locations. Finally the encyclopedia incorporates entries on films by other directors who have influenced Scott's approach to his work as a director or producer. Each entry is followed by a bibliography of published sources, both in print and online, making this the most comprehensive reference on Scott's body of work.

Winifred Holtby, "A Woman In Her Time" Lisa Regan, 2009-12-14 Winifred Holtby, "A Woman In Her Time": Critical Essays brings together for the first time a range of scholarly perspectives on one of Britain's best-loved regional authors. Remembered for her vivid portrayal of 1930s rural Yorkshire in her final novel, *South Riding* (1936) and for her friendship with Vera Brittain, Winifred Holtby (1898-1935) has become a key figure for those interested in British literature, politics, and culture between the wars. Epitomising the professional independence and political passion which we have come to associate with the newly emancipated women of her era, Holtby's was a life devoted to myriad causes and directed to the pressing issues of her day. With fresh perspectives on Holtby's better known novels alongside new critical forays into her short stories, drama, journalism, and historical writing, Winifred Holtby, "A Woman In Her Time" sheds new light on a woman who not only spoke out in support of feminism, peace, and racial equality at a time when fascism and war loomed, but who also shared with us her views on a wide spectrum of topical concerns from Virginia Woolf, D.H. Lawrence, H. G. Wells, psychology, spinsters, mothers, and the B.B.C., to her delight in clothes, films, and village gossip.
