Television's Outlander Mary Ellen Snodgrass, 2021-05-25 Over its five seasons on the air, the televised series *Outlander* has combined romance, adventure, history, and time travel into a classic saga of love, war, and the ties that bind family together. After surviving the 1746 uprising of the Scottish Highlanders, the intrigue-ridden Paris of Charles Stuart, and a sea voyage across the Caribbean, Claire and Jamie Fraser finally settle in the mountains of North Carolina. There, they build a community of immigrant farmers who continue to struggle for justice, democracy, and independence from British

colonialism. This companion volume offers detailed information on more than 125 topics including characters, themes, places, events, actors, herbalism, and historical chronology. For fans and scholars alike, it separates fact from fiction and aids in understanding the effects of the 1746 Jacobite uprising on the formation of the United States.
