The Pulpwood Queen's Tiara-Wearing, Book-Sharing Guide to Life Kathy Patrick, 2008-01-02 When licensed cosmetologist turned publisher's rep Kathy Patrick lost her job due to industry cutbacks, she wasn't deterred. One year later, she opened Beauty and the Book, the world's only combination beauty salon/bookstore. Soon after, she founded The Pulpwood Queens of East Texas -- a reading group that dared to ask the question, Does a book club have to be snobby to be serious? The idea spread like wildfire. Now there are about 70 chapters nationwide. The overriding rule -- aside from wearing the club's official tiara, hot pink, and leopard print outfits -- is that the groups must have fun. The club's mission: To get America reading. THE PULPWOOD QUEENS' TIARA-WEARING, BOOK- SHARING GUIDE TO LIFE celebrates female friendship, sisterhood, and the transformative power of reading. It includes life principles and motivational anecdotes, hilarious and heart-warming stories of friendships among the Queens, and stories from Kathy about the books that have inspired her throughout her life, complete with personalized suggested book lists.

The WPA Guide to Ohio Federal Writers' Project, 2013-10-31 During the 1930s in the United States, the Works Progress Administration developed the Federal Writers' Project to support writers and artists while making a national effort to document the country's shared history and culture. The American Guide series consists of individual guides to each of the states. Little-known authors—many of whom would later become celebrated literary figures—were commissioned to write these important books. John Steinbeck, Saul Bellow, Zora Neale Hurston, and Ralph Ellison are among the more than 6,000 writers, editors, historians, and researchers who documented this celebration of local histories. Photographs, drawings, driving tours, detailed descriptions of towns, and rich cultural details exhibit each state's unique flavor. For a reader interested in small town life in the early 20th century, the WPA Guide to Ohio is an excellent resource. A series of

photographs by Ben Shahn for the Farm Security Administration is well complemented with 17 selective essays about the political, industrial, and cultural life in the Buckeye State. The essay on the economy provides interesting information on the labor movement in Ohio.
